RES. S. A. PURVANCE AND GOVERNOR CURTIN.

We give below the letter of resignation of General Purvance, ex-member of Congress, who has always been esteemed a gentleman of strict integrity and honor, and who has always been a leading Republican. We are informed that he will not support the re-election of Curtis. We publish an extract from the Harrisburg Telegraph and the Pittsburg Dispatch, in relation to Governor Curtis's resignation. The Harrisburg Telegraph now advocates the re-election of Curtis. We are not advised as to what course the Dispatch takes. Voters read, and judge for yourselves!

GOVERNOR CURTIN.
Governor Andrew G. Curtis's Administration is rapidly exhibiting its worthlessness, and sinking in infamy. We are glad to see by the following that the State Attorney-General, Hon. S. A. Purvance, late of the Twenty-second Congressional District, is determined not to share in the dishonor and disgrace. We copy from the Harrisburg Telegraph of the resignation of General Purvance.

"The resignation of General Purvance is a most honorable act, and one which will be remembered by the people of Pennsylvania with satisfaction. It is a proof that the people should know, however, that the feeling is being systematized, and that it is intended to continue it in all contracts, if possible. We were shown on Monday a sample of the material out of which the uniforms of the soldiers' families are made. The Governor's supporters, who have large contracts yet to fill, have made them with men who are now having the material made by one or more manufacturers in the East. These goods are of a cheap quality, and the contractors will be made of the following materials, in the proportions named: Fifty pounds shoddy—old rags and old clothes, picked up in pieces and re-manufactured—twenty pounds wool; and twenty pounds cotton in each hundred pounds.

"The sample of shoddy" shown us, and prepared direct from the manufactory, contains a small proportion of cotton, but the rest is shoddy, and it constitutes one-half the cloth. We leave merchants to judge of its value."—Pittsburg Dispatch, May, 1861.

CURTIN'S PICTURE.

AS DRAWN BY A POLITICAL FRIEND.

From the Gettysburg Star & Banner, (Republican), May 31, 1861.

"Pennsylvania has long been called the Keystone State, and she has deserved the name. Any one not blinded by prejudice must have acknowledged this, in the late unhappy scenes through which our country has been killed to go. The resolutions of our Representatives, pledging the support and credit of the State to the Federal Government, together with the simultaneous uprising of the people to furnish an army to assert its commands, did more to re-establish confidence in the Union, and the inherent stability of our political system, than the action of any State or people in Pennsylvania has earned since the right to her proud title. Whilst cities, counties, boroughs, volunteer organizations, and private individuals have pledged their credit, and contributed more liberally to furnish our brave volunteers with a complete equipment, and place them in a position, ready to vindicate alike the State and national Government, we are pained by the report of official neglect and peculation. More than this we have seen our noble comrades miserably clothed, and both badly and scantily, provided by those paid, and well paid, to see to these important considerations. We held our peace when, recently, we were cognizant of the fact that the Quartermaster of our own company was under the necessity of providing himself with a pair of shoes to protect the company against the rapacity of an officer, and when we heard the loud clamor of the State and Federal Government, and the State had not been so disgusted by the perfidy of recent administrations, that it hurried them from power, more for that cause than any other. The man, who makes the present effort of the people to preserve the Republic, and who is the only one who is not an enemy whom it would be CHARITY TO HANG. We care not who is the guilty party. He who defrauds our brave soldiers is because they are poor, and do not know who is immediately to blame, but this we know, THAT GOV. CURTIN CANNOT ESCAPE CENSURE. Either he is implicated with these public thieves, and receives the profits of the plunder, or he is guilty of appointing men to office, who are the thieves of all good citizens. He may take which horn of the dilemma he may please. The position of affairs renders official peculation doubly monstrous. How will they fled from corruption, to corruption from one side and Administration to another? Many voted for Gov. Curtis to avoid corruption, AND HAVE THEY LINKED THEMSELVES TO ROTTERDAM? If the interests of this country are bound up with the success of another man, who has been nominated in the Chicago platform, as we believe they are, it becomes the party to purge its ranks of THESE VILE MEN, and let the STIGMA OF THEIR VILLAINY rest on them alone, and not on the party AWAY WITH TRAITORS AND MEN WHO SPECULATE ON PATRIOTISM."
