OUR FLAG!

MONDAY MORNING, OCT. 12, 1863.

PEOPLE OF ADAMS, BE ON YOUR GUARD!

We are informed that the Abolitionists have had printed tickets purporting to be Democratic tickets, but which are SPURIOUS. Spurious because they have the names of Abolition candidates scattered, here and there, among the names of Democrats. In some cases probably the name of only one Abolitionist will be found on the ticket—in others two or three. By this

TRICK
the opposition expect to cheat the unsuspecting. Let THE PEOPLE be on the look out. Democrats be vigilant. See that the tickets voted are ALL RIGHT—that they contain the names of all the Democratic candidates, and every candidate's name in the right place. Again we say, GUARD AGAINST SPURIOUS or COUNTERFEIT TICKETS!
The genuine Democratic tickets!

REPEAL OF THE TONNAGE TAX.

Tax-payers of Adams county! You've another account to settle with Governor Curtin. The Legislature of this State, in 1861, released the Pennsylvania Railroad Company from the payment of the Tonnage Tax, which deprived the State of a just revenue to the amount of some *three hundred thousand dollars a year!* Nay, more, at that time the Railroad owed the State \$700,000 for the two previous years' tax. The Legislature in a previous of the same bill repealing the Tonnage Tax, wiped out this debt! So by this one act of the Legislature—which was then composed of a two-thirds Republican majority in both Houses—the State sustained a loss of the Tonnage Tax, then amounting to \$300,000 a year, (it would be a million a year by this time) and also the \$700,000 that was due her! Governor Curtin engineered this plundering bill through the Legislature and placed his signature to it. Remember these facts, people of Adams county, when you go to vote on Tuesday, (to-morrow.)

FACTS FOR THE PEOPLE.

The War Debt and War Taxes.—If the war ceased to-morrow the debt of the Union (according to a careful calculation recently made at Washington,) would be 3,000,000,000 of dollars! Pennsylvania's share of this debt would be \$500,000,000!

Let it be remembered, that this does not include the Pensions, Bounties to honorably discharged soldiers, &c., &c. 70,000 claims for pensions were allowed at the Surgeon-General's office to invalids, widows, &c., up to September 1st, 1863. The whole number of pensioners cannot be less than 250,000. And this, at \$8 per month for each, will be \$24,000,000 per annum.

We have presented these facts and figures because the people have a right to know what their burdens are or may be—they are about to vote upon the question whether those who have created this immense debt should longer remain in places where they can sap the substance of the State. And remember! every dollar of this money must be raised by TAXATION!

THE REIGN OF RASCALITY.

Honest men of Adams county! We would ask you, in all candor, whether the State has not been cursed long enough with the reign of rascality, which now holds high revel at Harrisburg? Your pockets must be well filled to stand three years more of such plunder and extravagance. The taxes must fall lightly upon you, if you are willing to have them doubled and trebled. Andrew G. Curtin is denounced, even by the papers of his own party, as corrupt and dishonest. Are you willing to give this corrupt and dishonest man three years' longer license? There is yet a hungry pack of contractors and place-men whose maws are not filled. Are you willing to help to fill them out of the substance of your honest earnings? George W. Woodward is known as an honest, high-minded, honorable, Christian gentleman. In all the slanders that have been circulated against him, never one whisper has been breathed against his purity of character. He stands above reproach. Oh! it will be a proud boast for Pennsylvania to have such a man as he is in the executive chair. Are you not willing to give every energy in helping to place him there?

CURTIN'S PLATFORM.

Three Abolition patriots recently made speeches in favor of Andrew G. Curtin, the "shoddy" candidate for Governor—one was Thaddeus Stevens, the leader of the Republican party in this State, who solemnly declared, "The Union as it was and the Constitution as it is—God forbid it!" The second was Wm. H. Armstrong, who coolly informed his hearers "that it was better to lose a battle in the field than the election in Pennsylvania." The third was the notorious Ben. Butler, who boldly announced to his Abolition audience that "the gas was not for the Union as it was." Those who are willing to endorse the treasonable and disgraceful sentiments quoted above will cast their votes for Andrew G. Curtin!

ABOLITION FALSEHOODS.

All the Abolitionists say or print now in regard to Woodward, Lowrie or any of the Democratic candidates, may be set down as false.

Our advice to Democrats is—believe not a word that comes from them.

They have never written, spoken, nor printed anything impeaching the patriotism or loyalty of the Democratic nominees, since the campaign opened, but the grossest falsehoods. Now that but a few days intervene between this and the election, and their falsehoods cannot be exposed, we need expect nothing but the most atrocious calumnies. The devil himself cannot beat them at lying—they have long since bartered their honor, if not their very souls, for gold, and they are reckless what they say or do.

They charge Gen. McClellan with favoring the election of Curtin.

It is false.

They say Judge Woodward sympathizes with the rebels.

It is false.

That he favors an assumption of the rebel debt.

It is false.

That he is disloyal to the Government.

It is false.

That he is hostile to the naturalization of foreigners.

It is false.

That he is opposed to Roman Catholics.

It is equally false.

These and all other charges they have brought against him are deliberate, malicious, atrocious falsehoods. Let every Democrat and every honest Republican bear this in mind.

TURN OUT!

Let every Democrat and every "Republican" who wants a change in the administration of public affairs, turn out to the election. If the people want to suffer—suffer—suffer—till ruin rides rampant over every hill and valley in the land, let them stay at home and permit the reins of government to remain in the hands of the Abolitionists. On the contrary, if they want our country to return to peace and prosperity, let them TURN OUT and VOTE THE DEMOCRATIC TICKET.

FARMERS OF ADAMS COUNTY, GO TO THE POLLS, TO-morrow, (Tuesday, Oct. 13th), AND VOTE FOR GEORGE W. WOODWARD: VOTE FOR ISAAC E. WIERMAN: VOTE FOR JAMES H. MARSHALL: VOTE FOR SAMUEL LILLY: VOTE FOR JACOB TROXEL: VOTE FOR JAMES J. FINK: VOTE FOR SAMUEL MARCH: VOTE FOR JOHN ELDER: VOTE FOR THOMAS O. KINZER!

GENERAL CASE.

The Abolition papers are publishing a list of Democrats who are not "Copperheads"—in other words, renegades who have, for well-paying offices and fat contracts, abandoned their principles. In this list they have had the impudence to include the name of Gen. Lewis Cass—and hence it may be well to repeat what we have already said, that Gen. Cass has no affinity whatever with the Republican party. None! He regards as a stain upon his good name any association of it with the treasonable and corrupt party who seek to claim him as of their fraternity. He repudiates them utterly, and looks with loathing and abhorrence upon their schemes to subvert the liberties of the people. His true position is thus defined by himself in a letter recently addressed to the Democracy of Washington county, Pennsylvania:

"I have come to look with almost as much solicitude on the action of the Democratic party in its primary meetings as on the result of the conflict in arms, for the reason that it is now clear that the perpetuity of our present form of Government rests upon the patriotism, intelligence, forbearance and consistent course of action by the Democratic party. The Jacobins are rascals, and are the leading spirit of the party in power, seem quite as intent on destroying our civil government as on preserving it. It is our duty to insist on the preservation intact of the form of Government established in 1789, and that the territorial limits of the nation shall never be diminished. To attain this end, we must see that the Government is not allowed to fall to pieces. We must hold the Executive agents of the Government to their duty, until we can by means of the ballot box put in their stead those who will administer the Government as it was formed by our ancestors."

Such are not the sentiments of a man deserving to be classed among that base throng of doubly damned traitors who have apostatized at once from their party and from their country, like Butler, Forney, and other mere mercenaries who sell themselves for office and plunder.

One of the modes the Abolition party have adopted to keep up the courage of their deluded followers, is to assert that certain distinguished Democrats have come out for Curtin. In most cases these statements are the baldest lies, which in their cover renegades who never over several years ago—Linnam, Dougherty, Cunningham, Brewster, and others of the same stripe. Among the late conversions they claim Hon. Hendrick B. Wright, of Luzerne. Now, the fact is, that Mr. Wright is making speeches for Woodward, and telling ones too—and is holding up Shoddy and all as corrupt and untrustworthy, and as deserving of a terrible defeat. Gen. McClellan, and others, have been belied by Mr. Wright has been.

WOODWARD AND SOLDIERS RIGHTS AGAINST CURTIN AND SHODDY UNIFORMS!

For the Compiler.

Mr. STABLE:—I am impelled, by the great importance of the election, to write to you again. The Democratic candidates are all good men—qualified and deserving—and so are the friends of the Union and the Constitution. They believe that this government was made by white men, for white men, and not to be frittered away for foolish and mad notions about the nigger.

The Abolition candidates are begging votes from everybody they can button-hole long enough to ask. They have dropped their negro theories for the time—saying nothing about "copperheads" and "traitors"—hoping by their present suppression of their real sentiments to gull Democrats into their support. But their new cleverness is seen through, and will deceive no one. It is very well known that they represent the Abolition party, and should any of them be elected it would be claimed as a triumph of their anti-slavery doctrines. They do not say so now, but I know what their party organs would say after the election, what their leaders and probably what they themselves would say. They would laugh in their sleeves at the gullibility of Democrats.

I would urge all Democrats to stand firm. Do your whole duty, to yourselves, your children, and your country. This you will perform by voting the whole Democratic ticket, without a cut or a scratch.

Look well to your tickets. C. X. Martin was elected, three years ago, I think by fraudulent tickets. He had the Democratic ticket counterfeited, with his own name in a number of these false tickets got into the boxes, and as his majority in the county was but 15, it is safe to infer that he owed his election to this trick. He will no doubt try the game again—and other Abolition candidates will imitate him. See to this matter, fellow Democrats. It is important.

That we shall be helped by men who have heretofore voted against us I am fully convinced. They can't stand Abolitionism any longer, with its load of death, desolation, and taxation. Beside many who do not like their county nominees. Col. Buehler, they think, should be in the army; Jacob Lower would be too pliant a tool in the hands of Abolition creatures like McClellan; Joseph Wierman should be ashamed of himself to run under the circumstances; Charles Martin, first turned Union Nothing, then Wide Awake, and then Abolition, all to get office, and after having officed three years, is putting it on too heavy to ask three years more; what has he done to deserve such preference? nothing; John McClellan has had office enough; and is still in office—teller in the Bank—and was County Treasurer two years once—what Troxel is poor, and has a family to support. These matters are considered by the people, and I feel quite certain that with the people the Democratic ticket has largely the advantage.

That the old Democratic cause will triumph on Tuesday, is the prayer of

DEMOCRATIC MEETING AT MUMMERSBURG.

The Democracy of Franklin and surrounding townships turned out in large numbers to the meeting at Jacob Eicholtz's, Mummersburg, on Tuesday evening. The highest enthusiasm prevailed, giving promise of a good report from that quarter on Tuesday. The meeting organized as follows:

President, John Carey.

Vice Presidents, James Russell, Esq., Henry J. Brinkerhoff, Benjamin Dearbold, E. W. Stable, George Ledy, John Nichols, Abraham Mumma, James Lentz, R. Fitzgeraid, Samuel Hart, Isaac Herster, Noah Hartman, J. W. Lott, Geo. George Flank, James M. Hannell, William Miller, Sr., H. W. Witmer, Franklin Bice, C. M. Swopes, Wm. Ross, C. M. Spahr, James Ross, Amos Rex, Henry Bream.

Secretaries, Lewis Carbaugh, William Russell, Lafayette Weaver, Jacob Eicholtz, Ephraim Williams, Lady, Joseph Eckhart, Abraham Hart, Jr.

The President and all the Secretaries have been in the military service, carrying their muskets—all, with one exception, having belonged to the 16th Regt. of Pa. W. A. Durnow, Esq., Isaac Herster, Jacob Lott and H. J. Stable made speeches that were received with much enthusiasm, when the meeting adjourned with hearty cheers for the Union and the Constitution, for Woodward, Lowrie and the whole county ticket, and for Gen. George B. McClellan!

DEMOCRATIC MEETING AT FAIRFIELD.

The meeting at Fairfield, on Wednesday evening, was also well attended, (was larger than the one at Mummertown, on Monday evening), and an excellent spirit prevailed. The Democracy are in earnest in the Upper as well as in the Lower End.

The meeting was organized as follows:

President, James P. Toyner, Esq.

Vice Presidents, John Nunnemaker, John Bennett, James Sanders, John Gelbach, Robert Watson, William B.iler, William Winchbrenner, George Frankle, William T. Reed, Blasmus Kobl, James Watson, B. J. Lee, James Court, Lewis McGianghlini, Thomas Whittier.

J. C. Neely, Esq., and H. J. Stable, addressed the meeting on the issues involved in the canvass, when it adjourned with rousing cheers for the cause and the ticket.

DEMOCRATIC MEETING AT LITTLETON TOWN.

The Democratic Meeting at Littleton on Thursday evening was a large and spirited demonstration. Democratic prospects are also most cheering in that quarter. The people are in earnest. The officers of the meeting were:

President, JOSEPH FINK, Esq.

Vice Presidents, Amos Lefever, Esq., George Hinson, William Dutter, Peter J. Greenholt, George Winthrope, William Rider, Joseph Arndt, Christian J. Smith, Wm. R. R. Esq., Sylvester Harner, David Boller, Wm. Black.

Hon. Wm. McSherry made a very able speech. Among other things, he alluded to Gov. Curtin's course on the measure to re-conquer the farms of Adams, Franklin and Fulton counties for their losses in horses, &c., by Stuart's bill, last fall. Mr. McSherry had framed a bill to have the losses assessed by three commissioners, to be appointed by the Governor—upon their report the State to pay the losses, and deduct the amount in settlements with the National Government. Governor Curtin told him that he would not sign the bill.

Thus, by Governor Curtin's hostility to this righteous measure, have our farmers been deprived of pay which they should have had months ago. Thank of this, honest voters, on Tuesday next.

H. J. Stable concluded the speaking, when the meeting adjourned, with cheering cheers for Democracy and its candidates. The enthusiasm was unbounded.

DEMOCRATIC MEETING AT NEW OXFORD.

After the printing of a portion of this issue, we received the proceedings of a Democratic meeting at New Oxford on Thursday evening. It was held at the house of George Shane, and considering the weather and notice, was largely attended. The speakers, until the number far exceeded all expectations. The officers were:

President, NICHOLAS HETZEL, Esq.

Vice Presidents, Jacob Holt, Elias Single, Secretary, Joseph Smith, J. M. Smith, Dr. D. S. Deffer made an excellent speech of an hour and a half, when the meeting adjourned in fine spirits, with cheers for Woodward, Lowrie, and the whole county ticket.

THE PEOPLE AROUSED!

DEMOCRATIC RALLY!

A Speaker of rare ability, will address the Democracy, in the Court-house, in Gettysburg, THIS (MONDAY) EVENING, OCT. 12th. Additional Speeches may be expected. Democrats, and all other Conservative men, rally to the Meeting—Rally for the UNION AS IT WAS AND THE CONSTITUTION AS IT IS! (Oct. 12, 1863.)

WOOD—We are very much in want of Wood. Will not a few of our country friends supply us with the much-needed article soon? We should esteem it a favor.

SAD CASE OF DROWNING.—We are pained to learn that on Friday evening week, Mr. John A. Noel, of Buchanan Valley, was drowned in Wild Cat Branch of the Conowingo, short distance from his home. The heavy rain which had just fallen—the heaviest ever collected there—had swollen the stream to an extraordinary height. Mr. Noel, who had been to Mummertown with the team, accompanied by his father, and on the return just after dark, did not suppose the stream dangerous, and drove in without fear. But the lead horse was at once swept under, and Mr. Noel, in getting off of the saddle horse and trying to reach the bank, was struck by the rapid current and carried down—no risk no more. His body was found about 2 o'clock next morning, two hundred yards below the crossing. His age was 36 years and 4 months. He leaves a wife and four children to mourn his sad death. God comfort them.

CONSERVATION OF THE SOLDIERS' NATIONAL CEMETERY.—We are informed by David Wills, Esq., agent for Governor Curtin for the arrangement of the Soldiers' Cemetery at this place, that the grounds will be consecrated and set apart to this sacred purpose, on Thursday, the 19th of November next, by imposing ceremonies suitable to the occasion.

Hon. Edward Everett has been invited to deliver the Oration, on this occasion, and has accepted the invitation.

Col. William Sanders, the Government Rural Architect at Washington, is here now plotting and laying out the grounds.

The Inland Telegraph Company will soon have their line in operation along the entire route. The posts between this place and Chambersburg are being erected and are almost ready for the wires.

Mr. George Fixel, of Freedom township, has presented us with a basket of month apples, the finest we have seen this season. Two of them were measured and weighed—each being 13 inches in circumference, one weighing 1 lb., and the other 1 lb. 3 oz. Who can beat these figures? Mr. F. has our thanks.

Mr. John A. Dicks, of Reading township, made us a present, the other day, of two very fine Sweet Potatoes and one extraordinary large Sweet Potato. She, too, has the printer's thanks.

The Counties of Adams and York have been united in one Military District, under command of Brig. Gen. O. S. Terry, who has his headquarters at this place.

The President has issued a Proclamation appointing the 1st Thursday of November as a day of Thanksgiving and Prayer.

Four on shares of Gettysburg Bank stock were sold, on Tuesday, at \$70 per share—original cost \$50.

Come to the Meeting!

Democrats, turn out in your strength to the meeting, in the Court-house, this (Monday) evening. We hope to see large numbers of our country friends present. A first class speech will be expected. Mr. Gibson deservedly ranks among the best speakers of the State. Come with a rush!

FARMERS OF ADAMS COUNTY, REMEMBER that it was Andrew G. Curtin that presented the passage of the bill before the Legislature, providing for compensating the owners of property, destroyed and carried away by the Rebel man of war.

REMEMBER, that Curtin declared in emphatic language, that he would veto the bill if it passed.

The Republicans are playing the game of BRAG. With their bad party principles and policy, which have well nigh ruined the country, there is little else left them but to lie and boast. But they have cheated the people too often before to be believed now.

Democrats, there are ample reasons for the belief that the Abolitionists are making an extraordinary, though quiet, effort to secure the election of Cornelius C. Myers, their candidate for County Commissioner. This office is always one of the most important in the county, and it is especially so now. Watch this movement, Democrats, and frustrate it by rolling up a rousing majority for SAMUEL MARCH, the Democratic nominee.

The Abolition meetings throughout the county are but shilly attended. Most of them are rank failures. The people are tired of the follies and rascalities of Abolitionism, and want no more of its fruits. The drift is largely in favor of the White Man's party—the old, time-tried and conservative Democracy. KEEP THE BALL ROLLING!

We trust that the active and leading Democrats of the several districts of the county will attend at the polls on the day of election. It is of the utmost importance that they should do so, as many a vote is lost by carelessness and neglect. Our opponents have always their men there during the entire day, and Democrats should imitate their example. Go there early and stay the whole day. The cause is surely worth one day's earnest work!

The Abolitionists are moving heaven and earth to elect Curtin. All the patronage, power and influence of the Federal and State Administrations are thrown into the scale. Democrats, bear in mind that it will require every Democratic vote in your district to be polled to render the election of Judge Woodward certain. If you fail to have every man out, you may have cause to regret it the longest day of your life!

A Loyal League—A loyal league means three miles from any battlefield.

LOCAL DEPARTMENT.

GEN. McLELLAN—JUDGE WOODWARD.

It is somewhat remarkable, yet it is a fact, that in all parts of Pennsylvania, the men who sustain General Geo. B. McClellan, the gallant and successful commander and favorite of the brave soldiers in the Army of the Potomac, and defend him against the slanderous attacks and unjust aspersions upon him by the Abolition leaders, are the friends of Judge Woodward.

If we look around us here, or turn our eyes to other quarters, we find that the men who misrepresent and abuse General McClellan, as "a traitor," "a sympathizer with the South," &c., &c., are the men who apply the same terms to Judge Woodward.

The Abolitionists hate Gen. McClellan, because he is a sincere friend of "the Constitution as it is, and the Union as it was," and they hate Judge Woodward for the same reason.

EX-PRESIDENT FILLMORE ON THE STUMP.

We see by our exchange papers that Ex-President Fillmore is announced to address a Democratic Meeting at Erie, in this State.

WOODWARD AND THE CONSTITUTIONAL RIGHTS OF WHITE MEN AGAINST CURTIN AND NEGRO EQUALITY.

Democrats, keep a sharp look-out for Abolition stool-pigeons who claim to be Democrats. These fellows are sent out as decoy-ducks to draw you into the Abolition trap.

The true way and the only way to defeat the tactics of the Abolitionists is to vote the ticket, THE WHOLE TICKET, AND NOTHING BUT THE TICKET.

Rumors are again rife in reference to another rebel invasion. We cannot tell how much reliance to place on these reports. But whatever does transpire, Democrats must remember their pledge: "Bayonets or no Bayonets, we vote." They must no more regard the bayonets of Jeff. Davis than they would those of Stanton and Curtin!—Chambersburg Spirit.

Work, Democrats, Work! Friday's *Patriot* says the State is safe for Woodward and Lowrie!

The expenses of the Government are nearly two millions of dollars per day!—This is easily accounted for when we remember that a Republican member of the last Congress said in his place in the House of Representatives, that the Abolitionists had stolen more from the treasury in fifteen months than any previous Administration had expended in four years.

The people of the State could have prevented the present war by simply withholding their votes from Andrew G. Curtin and Abraham Lincoln in 1860; and they can do so, with reason and honor, only by withholding their votes from the same men in 1863 and 1864.

Democrats beware of opposition, tricks and falsehoods—the opposition do not expect to win except by trickery. The remedy against all this is to make every Democrat turn out to the election and vote the whole ticket.
