The Singer Sewing Machines.—Our LETTER A FAMILY SEWING MACHINE is fast gaining a world-wide reputation. It is beyond doubt the best and cheapest and most beautiful of all Family Sewing Machines yet offered to the public. No other Family Sewing Machine has so many useful appliances for Hemming, Binding, Felling, Tucking, Gathering, Guaging, Braiding, Embroidering, Cording, and so forth. No other family sewing machine has so much capacity for a great variety of work. It will sew all kinds of cloth, and with all kinds of thread. Great and recent improvements make our Family Sewing Machine most reliable, and most durable, and most certain in action at all rates of speed. It makes the interlocked stitch, which is the best stitch known. Any one, even of the most ordinary capacity, can see at a glance, how to use the Letter A Family Sewing Machine. Our Family Sewing Machines are finished in chaste and exquisite style.

The folding Case of the Family Machine is a piece of cunning workmanship of the most useful kind. It protects the machine when not in use, and when about to be operated may be opened as a spacious and substantial table to sustain the work. While some of the Cases, made out of the choicest woods, are finished in the simplest and chastest manner possible, others are adorned and embellished in the most costly and superb manner.

It is absolutely necessary to see the Family Machine in operation, so as to judge of its great capacity and beauty. It is fast becoming as popular for family sewing as our Manufacturing Machines are for manufacturing purposes.

The Branch Offices are well supplied with silk twist, thread, needles, oil, &c., of the very best quality. Send for a PAMPHLET.

The Great American Tea Comp'y,

51 VESEY STREET, NEW YORK,

SINCE its organization, has created a new era in the history of WHOLESALING TEAS IN THIS COUNTRY.

They have introduced their selections of TEAS, and are selling them at not over TWO CENTS (.02 Cents) PER POUND ABOVE COST, NEVER DEVIATING FROM THE ONE PRICE ASKED.

Another peculiarity of the Company is that their TEA TASTER not only devotes his time to the selection of their TEAS as to quality, value, and particular styles for particular localities of country, but he helps the Tea buyer to choose out of their enormous stock such Teas as are best adapted to his particular wants, and not only this, but points out to him the best bargains.

It is easy to see the incalculable advantage a TEA BUYER has in this establishment over all others.

If he is no judge of Tea or the Market—if his time is valuable—he has all the benefits of a well organized system of doing business, of an immense capital, of the judgment of a professional Tea Taster, and the knowledge of superior salesmen.

This enables all Tea buyers—no matter if they are thousands of miles from this market—to purchase on as good terms here as the New York merchants.

Parties can order TEAS and will be served by us *as well as though they came themselves*, being sure to get *original packages, true weight* and *tares;* and *the* TEAS are WARRANTED as *represented*.

We issue a Price List of the Company's Teas, which will be sent to all who order it; comprising

HYSON, YOUNG HYSON, IMPERIAL, GUNPOWDER, TWANKAY & SKIN, OOLONG, SOUCHONG, ORANGE & HYSON PEKOE, JAPAN. TEA of every description, colored and uncolored.

This list has each kind of Tea divided into Four Classes, namely: CARGO, *high* CARGO, FINE, FINEST, that every one may understand from description and the prices annexed that the Company are determined to undersell the whole Tea trade.

We guarantee to sell ALL our TEAS at not over TWO CENTS (.02 cents) per pound above cost, believing this to be attractive to the many who have heretofore been paying ENORMOUS PROFITS.
