MR. FILLMORE ON THE WAR.

His Address at the Christian Commission Central Fair, in Buffalo.

At the opening of the great Central Fair, inaugurated by the Christian Commission at St. James Hall, Buffalo, Monday evening, February 22d, Ex-President Fillmore spoke as follows:

Three years of civil war have desolated the fairest portion of our land, loaded the country with an enormous debt that the sweat of millions yet unborn must be taxed to pay; arrayed brother against brother, and father against son in mortal combat; deluged our country with fraternal blood, whitened our battle fields with the bones of the slain, and darkened the sky with the pall of mourning. Yet these appalling calamities—which as yet have touched our city more lightly than any other in the land—have imposed upon us new duties which must be promptly met and generously discharged; and new burdens which must be patiently and cheerfully borne. We cannot in our humble capacity, control the events of this desolating war. We hear its thunders and mark the track of desolation, and we must meet the emergency as best we can, but never despair of the republic. It is no time now to inquire whether it might have been avoided. Let those who seek light on this subject read Washington's Farewell Address. Nor are we now to criticise the conduct of those who control it, awarding praise here and bestowing censure there.—The impartial historian will do this when the passions engendered by the strife have cooled, and partisan prejudice, petty jealousies, malignant envy, and intriguing, selfish ambition shall be laid in the dust, and it is hoped, buried in oblivion. And much less are we called upon to predict when or how this war will end. Let those who seek light on the subject read General Jackson's farewell address. But let us hope that an all-wise and merciful Providence will incline the hearts of the people, North and South, to peace—to a lasting peace, with a restored Union, cemented by fraternal affection, under our well-tried and glorious Constitution. Nor is this the time or place to express an opinion as to the policy that should be pursued to reach so desirable an end. *But one thing is clear, that much must be forgiven, if not forgotten, on both sides, before this Union can ever be restored;* and therefore it is to be hoped that all unnecessary acts of cruelty, or wanton destruction of private property, or insult, or insolence in triumphing over a fallen foe should be avoided; for all such acts only fire the heart of our adversary with resentment and revenge, and thus protract the war, increase its horrors, and leave a sting which will render reunion more difficult, if not impossible. But it must be apparent to all that the first step toward bringing this war to a close is to conquer the rebel army. Any negotiations for peace before this is done would prove abortive; and any professed clemency to those in arms who defy our power, would be a mockery which would be treated with ridicule and contempt. But when we have conquered their armies, and disposed of their leaders, when let us show our magnanimity and generosity by winning back the deluded multitude who have been seduced or coerced into this rebellion, *by extending to them every act of clemency and kindness in our power, and by restoring them to all their rights under the Constitution. This I conceive to be Christian forgiveness and the best policy, and the only one whether in civil or restore this Union.*

☞Herodotus says: "War reverses the order of nature: in time of peace sons bury their fathers, but in time of war fathers bury their sons."

The Singer Sewing Machines.—Our LETTER A FAMILY SEWING MACHINE is fast gaining a world-wide reputation. It is beyond doubt the best and cheapest and most beautiful of all Family Sewing Machines yet offered to the public. No other Family Sewing Machine has so many useful appliances for Hemming, Binding, Felling, Tucking, Gathering, Gauging, Braiding, Embroidering, Cording, and so forth. No other family sewing machine has so much capacity for a great variety of work. It will sew all kinds of cloth, and with all kinds of thread. Great and recent improvements make our Family Sewing Machine most reliable, and most durable, and most certain in action at all rates of speed. It makes the interlocked stitch, which is the best stitch known. Any one, even of the most ordinary capacity, can see, at a glance, how to use the Letter A Family Sewing Machine. Our Family Sewing Machines are finished in chaste and exquisite style.

The folding Case of the Family Machine is a piece of cunning workmanship of the most useful kind. It protects the machine when not in use, and when about to be operated may be opened as a spacious and substantial table to sustain the work. While some of the Cases, made out of the choicest woods, are finished in the simplest and chastest manner possible, others are adorned and embellished in the most costly and superb manner.

It is absolutely necessary to see the Family Machine in operation, so as to judge of its great capacity and beauty. It is fast becoming as popular for family sewing as our Manufacturing Machines are for manufacturing purposes.

The Branch Offices are well supplied with silk twist, thread, needles, oil, &c., of the very best quality. Send for a PAMPHLET.

"SLAVERY IS DEAD."

The Albany *Argus*, commenting upon the oft-repeated assertion of the administration press that "slavery is dead," and the "backbone of the rebellion broken," very truly observes:

"The abolition leaders have proclaimed that the war should be prosecuted until slavery was destroyed. If that result has been accomplished, why is it prolonged? In the same strain that the above announcement is made, we are told that the 'backbone of the rebellion is broken,' that 'thousands of the people of the rebel States are returning to the Union,' and great numbers of their armies are ready to desert to our lines as soon as the opportunity occurs; and yet the President has just issued a proclamation for a draft for five hundred thousand more men! If 'slavery is dead,' and the 'backbone of the rebellion is broken,' as is asserted by 'all the Union papers in the loyal States,' where is the necessity for this extraordinary demand for men?—Is it to pile up the national debt another thousand million of dollars to enrich shoddy contractors and accommodate place-hunters, or is it to perpetuate the present imbecile and corrupt administration?"
