DR. WISHART'S PINE TREE TAR CORDIAL,

IS THE VITAL PRINCIPLE OF THE PINE TREE, obtained by a peculiar process in the distillation of the tar, by which its highest medicinal properties are retained.

HAVE YOU A COUGH? HAVE YOU SORE THROAT? Have you any of the premonitory symptoms of that most fatal disease, CONSUMPTION?

Those who should be warned by these symptoms generally think lightly of them until it is too late. From this fact, perhaps more than any other, arises the sad prevalence and fatality of disease which sweeps to the grave at least "one sixth" of death's victims.

Consumption has destroyed more of the human family than any other disease, and the best physicians for many years have despaired of a cure, or a remedy that would heal the lungs, but for more than two hundred years the whole medical world has been impressed that there was a mysterious power and efficiency in the Pine Tree Tar to heal the lungs; therefore they have recommended the use of Tar Water, which in many cases had a good effect; but how to combine medical properties so as to heal the lungs, has ever been a mystery until it was discovered by Dr. L. Q. C. WISHART, of Philadelphia, Pa., the proprietor of "Wishart's Pine Tree Tar Cordial."

Many, not only of the people, but physicians of every school and practice, are daily asking me, "What is the principle or cause of your success in the treatment of Pulmonary Consumption?" My answer is this:

The invigoration of the digestive organs—the strengthening of the debilitated system—the purification and enrichment of the blood, must expel from the system the corruption which scrofula breeds. While this is effected by the powerful alterative (changing from disease to health) properties of the Tar Cordial, its healing and renovating principle is also acting upon the irritated surfaces of the lungs and throat, penetrating to each diseased part, relieving pain, subduing inflammation, and restoring a healthful tendency. Let this two-fold power, the healing and the strengthening, continue to act in conjunction with Nature's constant recuperative tendency, and the patient is saved, if he has not too long delayed a resort to the means of cure.

I ask all to read the following certificates. They are from men and women of unquestionable worth and reputation:—

Dr. Wishart—Dear Sir—I had a very dreadful cough and sore throat for one year, and my whole system was fast giving way, and I was prostrated on my bed with but little hope of recovering. My disease baffled the power of all medicines, and in a short time I must have gone to my grave, but thank God, my daughter-in-law would not rest until she went to your store, No. 10 N. Second street, and related my case to you, purchased one bottle of your Pine Tree Tar Cordial and I commenced to use it, and in one week I was much better, and after using three bottles I am perfectly well, a wonder to all my friends, for they all pronounced me past cure. Publish my case if you think proper.

REBECCA HAMILTON,
No. 1321 Wylie Street, Philadelphia.

Dr. Wishart's Pine Tree Tar Cordial is an infallible cure for Bronchitis, Bleeding of the Lungs, Sore Throat and Breast, Inflammation of the Lungs.

Mr. Ward says:

Dr. Wishart—Sir:—I had Bronchitis, Inflammation of the Lungs, Shortness of Breath, and Palpitation of the Heart in their worst forms; I had been treated by several of the most eminent physicians in Philadelphia, but they could not stop the rapid course of my disease, and I had despaired of ever being restored to health. I was truly on the verge of the grave. Your Pine Tree Tar Cordial was highly recommended to me by a friend; I tried it, and I am thankful to say that after using four large, and one small bottle, I was restored to perfect health. You can give reference to my house, No. 962 N. Second street, or at my office of Receiver of Taxes, from 9 A. M. to 2 P. M., corner of Chesnut and Sixth streets.

JOHN WARD,

Read the following from Utica:

Dr. Wishart—Dear Sir:—I take pleasure in informing you through this source that your Pine Tree Tar Cordial, which was recommended for my daughter by Dr. J. A. Hall, of this city, has cured her of a cough of more than five months' standing. I had thought her beyond cure, and had employed the best of medical aid without any benefit. I can cheerfully recommend it to the public as a safe and sure remedy for all those similarly afflicted, as I know of many other cases besides that of my daughter that it has entirely cured of long standing coughs.

Yours respectfully,
JOHN V. PARKER,
Daguerrean Artist,
126 Genesee street, Utica.

* * * :—I have used Dr. Wishart's Pine Tree Tar Cordial in my family, and can cordially recommend it as a valuable and safe medicine for colds, coughs, and to those predisposed to consumption.

DR. G. A. FOSTER,
160 Genesee street.

The above are a few among the thousands which this great remedy has saved from an untimely grave.

We have thousands of letters from physicians and druggists who have prescribed and sold the Tar Cordial, saying that they have never used or sold a medicine which gave such universal satisfaction.

The Pine Tree Tar Cordial when taken in connection with Dr. Whishart's Dyspepsia Pills, is an infallible cure for Dyspepsia.

The Pine Tree Tar Cordial will cure Coughs, Sore Throat and Breast, Bronchitis, Asthma, Whooping Cough, Diptheria, and is also an excellent remedy for diseases of the kidneys, and female complaints.

BEWARE OF COUNTERFEITS.

The genuine has the name of the proprietor and a pine tree blown in the bottle. All others are spurious imitations.
