Consumption has destroyed more of the hufamily than any other disease, and the best physicians for many years have despaired of a cure, or a remedy that would heal the lungs, but for more than two hundred years the whole medical world has been impressed that there was a mysterious power and efficiency in the Pine Tree Tar to heal the lungs; therefore they have recommended the use of Tar Water, which in many cases had a good effect; but how to combine medical properties so as to heal the lungs, has ever been a mystery until it was discovered by Dr. L. Q. C. WISHART, of Philadelphia, Pa., the proprietor of "Wishart's Pine Tree Tar Cordial."

Many, not only of the people, but physicians of every soliool and practice, are daily asking me, "What is the principle or cause of your success in the treatment of Pulmonary Conumption?" My answer is this:

Cordial has given evidence in thousands of The invigoration of the digestive organs—the strengthening of the debilitated system cases of its power to ture in Consumption of the purification and enrichment of the blood. must expel from the system the corruption which scrofuls breeds. While this is effected by the powerful alterative (changing from disease to health) properties of the Tar Cordial, its healing and renovating principle is also acting upon the irritated surfaces of the lungs and throat, penetrating to each diseased part, relieving pain, subduing inflammation, and restoring a healthful tendency. Let this twofold power, the healing and the strengthening, continue to act in conjunction with Nature's constant recuperative tendency, and the pa-tient is saved, if he has not too long delayed a resert to the means of cure.

I ask all to read the following certificates. They are from men and women of unquestion-able worth and reputation:—

Dr. Wishart-Dear Sir-I had a very dreadful cough and sore throat for one year, and my whole system was fast giving way, and I was prostrated on my bed with but little hope of recovering. My disease baffied the power of all medicines, and in a short time I must have throat and lang diseases, cannot do better than get a bottle of Dr. Wishart's Pine Tree, Tar Cordial, and use it according to directions."

Second street, and related my case to you, purchased one bottle of your Pine Tree Tar Cordial and I commenced to use it, and in one week I was much better, and after using three bottles I am perfectly well, a wonder to all my friends, for they all pronounced me, past cure.
