Butler advanced his army to the fortifications of Richmond on the south. General Gilmore, with the Tenth army corps, by great skill and valor, carried the wester part of the works for an extent of three miles, and secured a very advantageous po-Butler thought it unnecessary. The consequence was, that on the foggy morning of the second day after, the rebels awooped down upon the Eighteenth corps on the right, and took our troops at such disadvantage as to grain a great success, capturing two guns, are great success, capturing two guns, and are great success, capturing two guns, and are great success, capturing two guns, are great success, capturing two guns, and the same time and place will be sold at the lowest prices. Landlords therefore be recommended with safety, and country Merchants will find it to their interest corps are success, capturing two guns, are great success, capturing two guns, and most reliable houses and country Merchants will find it to their interest country Merchants and Country is, that ground has been lost which cannot recovered without a great expenditure of blood, several thousand men have been put hors the combat, the enemy are again in the little day of JUNE next, in pursuance full passession of the Richmond and P-ters of the last Will and Testament of John burg Railroad, and two corps of our army, Welkert, deceased the undersigned will offer the corps of the last Will and Testament of John burg Railroad, and two corps of our army, Welkert, deceased the undersigned will offer the corps of the last Will and Testament of John burg Railroad, and two corps of our army,

measures was more irritable than legical and assured. The above is a Washington telegram to the New York Tribune. Mr. Cliave is determined, if possible, to take the windout of Mr. Lincoln's sails, and arends to our how and terms made known by Mr. Lancoln's sails, and attends to put himmelf in the most popular position he can teach before the meetin; of the Abolition National Convention. He knows that any public man who attempts to justily the illelower than plummet ever sounded. Hence, he denounces what L neoln, Seward land defer ce of these outrages was "more irrita-ble than logical and awared."—Age.

To this the Dayton (O) Empire says:
"Yes; And Constitutional liberty is dying; morality, public and private, is dying;

The supply from the Springfield armay alone, for the present year, will prohably be not less than 257,990 muskets, walls 250 000 more will be received from pavate contractors.

large portion of the Shoes we sell are made to order, of the best material, by good and experienced workmen. Give is now ased one of best quality of sunt, with near call. ROW & WOODS. will cut close and clean, and make the Machine run much easier. The frame of Machine has been altered at the end of the cutter har, to enable Machine to pass over a larger swarth of cut grass. It is now constructed to mow (frame of Machine being detached) with maked cutter bar, and on two wuzzls instead of one. as before used. A STREE pitman, or connecting rod, is used in place of iron. Machine goes out of gear (knives standing still) when backed. Grain platform has been so altered Slippers in variety, Shoes of all kinds. that throwing off by hand is much easier than

formerly.
