WHE CLEVELAND CONVESTION ... FERMONT'S ACCEPTANCE.

The following is Gen. Fremont's letter Accepting the normination of the Cleveland

Convention for the Presidency:
GENTUZMEN: In answer to the letter which I have had the honor to receive from you on the part of the representatives of the people assembled at Cleveland, on the 84st of May. I desire to express my thanks for the confidence which led them to offer me the honorable and difficult position of their candidate in the approaching Presi dential contest.

Very honorable, because in offering it to me you act in the name of a great number of citizens who seek above all things the good of their country, and who have no sort of selfish interest in view. Very diffi-cult, because in accepting the candidacy you propose to me, I am exposed to the re of creating a school in the party with which I have been identified.

Had Mr. Lincoln remained faithful to the principles he was elected to defend, not

of a military dictation without its unity of action and vigor of execution. An Adminright especially dear to all free nations;and that no great principles are involved in
