Schenck's Pulmonic Syrup, Seaweed Tonic, and Mandrake Pills. I am new a healthy man, with a large eavity in the middle lobe of the right lung, the lower in the middle lobe of the right lung, the lower lobe very much behatized and complete adhesion of the pleura. The left lung is sound, and the upper lobe of the right lung is in a tolerably healthy condition. The great reason why physicians do not cure consumption is they try to do too much; they give medicines to stop the cough, to stop chill, to stop night sweats, hereic lever, and, by so doing, then large the whole directive nower large. they derange the whole digestive power, locking up the secretions and eventually the patient sinks and dies. After I make a careful examination of the patient with the Respirometer, and find lungs enough left to cure, I di-rect the patient how to use the three remedies. Remore the cause and they will all stop of their own accord. No one can be cured of consumption, liver complaint, dispersia, catarrh, canker, ulcerated throat, unless the liver and stomach are made healthy. In New England this canker, chronic catarrh, ulcerated throat, elongation of uvula, is more prevalent than in any other section of the country This is frequently caused by a foul stomach.—You may burn it out with caustic time and again, and all they will get is temporary relief

Correct the stomach and liver, and they will Heal up themselves.

Good nutrition is the remedy. If you have any disease in any part of the body, it will remain there and decay more and more until you can get the stomach in the condition to digest food and make new blood to take the place of diseased matter. This is the only way to heal casities in the lungs and ulcerated bronchial tubes. Correct the stomach and liver, and nature will do the healing.
