consumptivepatientinowenjoyingeochealth, weighing usarly 200 pounds. I will conclude by relating three cures I have mide in New York, and which are all different, and wish any one who feels any interest in the matter to visit them. First is Mrs. Farlow, residing then at No. 197 Houston street. Her husband called upon the at my rooms, 32 Hond street, and wished we to call and see her. He said could do so good; that he hid had all the best medical attendance, and all said she was too far gone with Consumption to be cured but she had heard of some great cures I had made, and he desired to gratify her wishes.-I called, and found her lying confided to her bed in the last style of broughint consumption, and without doubt must have died soon. I examined her lungs, found both brenchiel tubes very much affected, but no cavities had formed, her cough wis very sovero, the spit-hor was half fall of thick pus. Pulse 149, less evenlea very much; and worze than all, she had chronic diarrhow. Her bowels had been moved eleven times that day. . I told her

that she had lungs enough to be cured, but that this diarrhow had been of long standing, and her stomach was in such in ulcerate f condition that I was affaid nothing could be done. She invisted I should try and do what I could

The above is a correct likeness of Dr. Schench, for her, observing that she could not has long aken many years ago, after be had recovered in the condition she was in, and I could not her rom (onsumption: br a course of nis mike her any worse. I gave her first a dose taken many years ago, after be had recovered from (Consumption; br a course of ais "Schaver's Pithonic Svintr." The likeness, although it does not represent him matching has as bad as he was at the worst, year it is in strong contrast with the hale and Figorous looks of the Portrait below, which is the true because of him at the present time. The con-
