## A WORD IN SEASON.

The terms of the Compiler now are Two Dollars per nnnum, of paid in advance; or Two Dollars and FIFTY Cants, if not paid in advance. This increase is but smallextraordinary rise in the price of paper and hour-ask them to discuss this matter every other article used in the publication of a newspaper.

To show this we need but give an instance : Week before last we ordered a small lot of printing paper, which, a few questions: years ago, would have cost less than eighty dollars. Now the cost is one hundred and ainsty-right dollars and seventy two cents !- and tablish a Southern Confederacy, and will be Abe price still going up. But not only is content with nothing short of that. If this article can only be had for the cash on deimery, whereas before the war any reasons. I this point, it is useless to fight any longer the eredit could be had.

Printers, in order to live, must therefore not only raise their prices, but they must get slong unless he gets paid as other peo-

ple do f It is implement for us to talk in this plain style, but the necessities of the times-these "good Lincoln times"-leave us no other fashion with a class of silly, unreflecting remedy. We must thus "make a clean men to scout the idea of any peace, and to breast of it," in order that our patrons may refuse to listen to deliberate reflection or discussion upon the subject as an abandonunderstand the difficulties connected with ment of principle. Such men seem to conthe printing business. And once thorough- sider the present struggle as a sort of Killy understanding them, they will appreciate kenny fight, involving the total annihila-
