> DYSPRESIA! DYSPERSIA! Dr. Wishart :- I have been a constant sufferer with Pyspepsia for the last eighteen years, during which time I connot say that I ever enjoyed a perfectly well day. There were times when the symptoms were more aggravated than at others, and then it seemed it would be a great relief to die. I had at all times an unpleasant feeling in my bead, but 'attent my unpleasant feeling in my head, but atterly my sufferings so much increased that I became almost unfit for business of any kind; my mind was continually filled with gloomy thoughts their current by reading, at once a sensation of icy coldness in connection with a dead weight, as it were, rested upon my brain; also, a feeling of sickness would occur at the stomach, and great pain to my eyes, accompanied with which was the continual fear of losing my reason. I also experienced great lessi-tude, debility and nervousness, which made it diffigult to walk by day or sleep at night. I begine averse to solvety, and disposed only to seeligeton, and having tried the skill of a number of eminent physicians of various schools, finally came to the conclusion that, for this disease at my present age (45 years) there was no cure in existence. But, through the interference of Divine Providence, to whom I devoutly offer my thanks, I at hast found a sovereign remedy in your Dyspepria Pills and Tar Cordial, which seem to have effectually remov-

A POSITIVE CURE FOR DYSPEPSIA. BEAR WHAT MR. JOHN H. BARCOCK SAVE!

No. 1028 Olive Street, Philadelpira, Jan. 22d, 1863. Dr. Wishart—Sir—It is with much pleasure that I am now able to inform you that, by the use of your great American Dyspepsia. Pills, I have been entirely cared of that most distressing complaint, Dyspepsia. I had been gricvously afflicted for the last twenty-right years, and for ten years of that time have not years, and for ten years of that time have not-been free from its pain one week at a time. I have had it in its worst form and have dragged on a most miscrable existence—in pain day and night. Every kind of food that I att fill-ed me with wind and pain, it mattered not how light, or how small the quantity. A continued belching was sure to follow. I had no appe-tite for any kinds of meats whatever, and my distress was so great for swered months before distress was so great for several months before I heard of your Pills, that I frequently wished for death. I had taken everything that I had for death. I had taken everything that I had beard of for Dyspepsin, without riceiving any benefit; but on your Pills being recommended to me by one who had been cured by them, I concluded to give them a trial, although I had not inith in them. To my natonishment, I found myself getting better before I had taken one fourth of a box, and, after taking hulf a box, I am a well man, and can eat anything I wish, and enjoy a hearty meal three times a day, without inconvenience from anything I eat as: without inconvenience from anything I eat quy drink. If you think proper, you are at liberty to make this public and refer to me. I will cheerfully give all desirable information to any

one who may call on me.
Yours, respectfully, Jons H. Bascock.
