From Dr. Hiram Stoat, of St. Loniz, Missouri.

"I find your Salasapanilla. a more effectual remedy for the secondary symptoms of Syphilis and for spplittle disease than any other we possess. The profession are indebted to you for some of the best medicine, we have."

From A. J. French, M. D., an eminent physician of Layrence, Mass., who is a prominent member of the Legislature of Massachusetts.

"Dr. AVER. My dear Sir: I have found your Salasapanilla, an excellent remedy for Syphilis, both of the primary and secondary type, and effectual in some cases that were too obstinate to yield to other remedics. I do not know what we can employ with more certainty of success, where a powerful alterative is required."

Mr. Chan. S. Van Liur, of New Branswick, N. Few cases can be found more inveterate and distressing than this, and it took several dozen bottles to cure him. Leucorrhosa, Whites, Female Weakness,

are generally produced by internal Servicious Ui-ceration, and are very often cured by the siterative effect of this SARSAPARILLA. Some cases require, however, in aid of the SARSAPARILLA, the skillsi application of local remedies. application of local remedies.

From the well-known and widely-celebrated Dr. Jacob Morrill, of Cincinnati.

"I have found your SARSAPARILLA an excellent elicrative in diseases of femiles. Many cases of Irregularity, Leucorrhea, Internal Ulceration, and docal debility, arising from the acrofulous diathead have yielded to it, and there are few that do not, when its effect is properly aided by local treatment."

AYER'S CATHARTIC PILLS possess so many advantages over the other purgatives in the market, and their superior purgatives in the market, and their superior virtues are so universally known, that we need not do more than to assure the public their quality is maintained equal to the best it ever has been, and that they may be depended on to do all that they have ever done.

DYSPEPSIA, DYSPEPSIA, DYSPEPSIA. -I, EMPARTS BRANSOS, of Brandywine, Del., ormerly of Ohi Chester, Del., do certify that, or one year and a haif I suffered everything but death from that awful disease called Dyn epsia. My whole system was prostrated with cakness and nervous debility; I could not ligest my food; if I ate even a cracker or the nigest my food; if I die even a cracker or the smallest amount of food, it would return just as I swallowed it; I became so costive in my-bowels that I would not have a passage in less than from four and often eight days; under this immense, suffering, my mind seemed en-tirely to give way. I had dreadful horror and evil forchodings. I thought-everybody hated me, and I hated everybody; I could not bear my husband nor my own children, everything appeared to be, horror stricken to me; I had e ambition to do anything; I lost all my love of family and home; I would ramble and wander from place to place, but could not be con-tented; I felt that I was doomed to hell, and hat there was no heaven for me, and was ofen tempted to commit suicide; so near was nd whole nervous system destroyed, and also my mind, from that awful complaint, Dyspep-sin, that my friends thought best to have me laced in Dr. Kirkbride's Hospital, West Philadelphia; I remnined there nine weeks, and thought I was a little better, but in a few days my dreadful complaint was raging as bad as ever. Hearing of the wonderful cures perormed by Dr. Wishart's Great American Dys. pepsia Pills and his treatment for Dyspepsia, my husband culted on Dr. Wishart and stated my case to him. He said he had no doubt he ould cure me. So in three days after I call-," ed and placed myself under the Doctor's treat-ment, and in two weeks I began to digest my food, and felt that my disease was fast giving way, and I continue to recover for about three months, and at the present time I enjoy perfect health of body and mind, and I most sincerely return my thanks to a merciful God and Dr. Wishart, and to his great American Dyspepsia Pills and Pine Tree Tar Cordial that eved me from an Insane Asylum and premature grave. DYSPERSIA! DYSPERSIA! Dr. Wishart:-- I have been a constant suferer with Dyspepsia for the last eighteen years, during which time I cannot say that I ever enjoyed a perfectly well day. I also experienced great lastitud, debility and nervousness, which made it difficult to walk by day or sleep at night. I became averse to society, and disposed only to seclusion, and having tried the skill of a number of eminent physicians of various schools, finally came to the conclusion that, for this disease at my present age (45 years) there was no cure in existence. But, through the interference of Divine Providence, to whom I deroutly offer my thanks, I at last found a sovereign remedy in your Dyspepsia Palla and Tar Cordial, which seem to have effectually removed almost the last trace of my long list of allments and bad feelings, and in their place health, pleasure and contentment are my avery-
