The FRANKLIN TOWNSHIP Democracy will meet at Hilltown School house THIS (MONDAY) EVENING, Oct. 31, 1864.

BE ON THE ALERT, DEMOCRATS!

As the election for President will take place in one week to-morrow, we caution our friends to be well advised.

CONSERVATIVES, RALLY!

Conservative men of all parties! You must restore peace, concord and Union.

NOT TRUE.

We are informed that the Abolitionists are circulating a story in the Army, to the effect that Gen. McClellan was opposed to granting the soldiers' vote.

FULL VOTE OF ADAMS.

In accordance with law, the Return Judges of the several districts of the county met in the Court-house, in this place, on Friday last, to finish the counting of the votes cast at the October election, and give certificates to the successful candidates.

The returns of soldiers' votes (from upwards of thirty different points) were examined. Several of the returns, covering a little upwards of a hundred votes, were rejected on the ground of illegality.

The soldier vote admitted foots up as follows: Congress—Coffroth, 63, Keonitz, 123; Assembly—Marshall, 55, Myers, 127; Commission—Kris, 61, Day, 120; Director—Graft, 62, Newman, 120; Auditor—Barkes, 62, Hall, 62, Durbin, 121, Kepner, 120.

We will present all the figures in our next. Capt. Frederick Lucht was chosen Return Judge, to meet the Return Judges of the Congressional District, at Chambersburg, on Friday next, the day fixed by law.

GOOD NEWS.

From the different quarters of the State we have the most cheering news of the prospects of Gen. McClellan. Everywhere the Democrats and Conservatives are rallying to his support.

Several BANDS OF MUSIC will also grace the occasion. Let the masses come from all quarters, and join in the grand appeal for Free Press, Free Speech, Free Ballot, for Honesty, Economy, the Union, the Constitution and the Law!

COFFROTH ELECTED!

A telegraphic despatch from Somerset, received on Saturday afternoon, says that Gen. Coffroth is elected—his majority about 100.

Another Rally Trick!

A young man in the Army from this county writes us that a letter from his father containing his tax receipt and ticket, was opened by some scoundrel on the way.

Hooker's old Twentieth corps of the Army of the Potomac, now in Georgia, under Sherman, is nearly unanimous for McClellan.

The Demovrats of Hamilton have formed a McClellan Club, with the following officers:

President, Z. Charles Myers, Esq. Vice President, Moses Spahr, Esq. Secretary, J. W. McConnell, Esq. Treasurer, Robert Watson, Esq.

The Club is made up of good material, and will doubtless prove itself among the most efficient in the county.

A large and spirited McClellan meeting was held at Middle Creek School-house, in Freedom township, on Wednesday evening.

President, David Richards, Esq. Vice Presidents, Jacob Brown, Henry Hann, Peter Cool, Michael McFadden, Joseph Hoffman.

Secretaries, W. Ross White, Joshua T. Brown, James A. Elder, Nicholas Becker. J. Harvey White, Esq., presided.

The more unscrupulous of the Abolition papers have been claiming Gen. McClellan for Lincoln.

The following is the substance of the glowing letter in favor of McClellan. Will the Shoddy sheets make the correction. Of course not. Their vocation is to lie, and stick to it.

Abolition papers say that George Francis Train, who has been tried to take the stump for Lincoln, was a delegate in the Chicago Democratic Convention.

We print two McClellan Electoral Tickets on our third page. They may be sent out and used to the Army, or used at home to-morrow.

THE CONSERVATIVE REPUBLICANS.

We know that in the Republican party there are thousands of honest, well-meaning, patriotic men, who have been hood-winked and deceived by the wily leaders of that organization.

To such men we appeal to-day. We appeal to them as men who love LIBERTY and UNION, to forget prejudice and selfishness, and record their votes in favor of the cause in which their hearts are really enlisted.

This is what McClellan declares himself in favor of. He says, with him, "THE UNION is the condition of Peace—THE UNION must be MAINTAINED AT ALL HAZARDS."

This is what we call an HONORABLE PEACE. And you do not agree with us? Do you not desire and long for such a peace? If you do, vote for McClellan and Pendleton.

It has seemed strange to many reflecting persons how little a man as J. K. Egleston could stand the fire of abuse, and how it is that he has been so long in the front of the Democratic party.

OUR SOLDIERS IN PRISON.

Some of the more independent Republican papers are beginning to speak out against the great wrong committed by President Lincoln in keeping 50,000 soldiers in Southern prisons when they might be exchanged.

MEANNESS!

On Saturday, one of our subscribers in the county brought to our office a lying Abolition document, entitled "The Union League Gazette," which he informed us, reached him by being folded inside of his copy of the last Compiler.

Adams county soldiers and citizens are now languishing in Southern prisons who should have been exchanged long ago.

Adams County Soldiers and Citizens are now languishing in Southern prisons who should have been exchanged long ago.

McClellan is elected. We shall inquire further into the matter, and if others of our subscribers have been served this despicable trick, we hope they will at once report it to us.

One of the York Democratic papers complained of the same kind of an act a few weeks ago.

INFAMOUS FRAUDS IN INDIANA.

HOW GOV. MORTON WAS RE-ELECTED.

The following letter was written by a young man from Reading, Pa., now residing at Indianapolis, Indiana, whose character for truth and honesty is admitted by all who know him:

Dear Brother: The whole vote of this county in 1862 was a little over 8000. Strange to tell, the vote of the townships alone on Tuesday was 9285.

Now, how was the vote made so large? I went to the polls after dinner, and while engaged in conversation with a prominent citizen of this city, I noticed a Lieutenant taking eight soldiers to the polls, and marked to the gentleman that one of them was certainly not of age;—they were at the second window; we waited until they were through, and then took a good look at the man who had just voted.

It is a well known fact that the State of Indiana is now a Democracy, and that the people are giving up the Union for a few years of peace.

Without Illinois, according to this table, there is no hope for Lincoln. It will be noticed that everywhere the Republicans are giving up Pennsylvania and New York as lost to their ticket.

Every disunionist in the whole land sustains Mr. Lincoln, all the men who said "Tea down the flagging flag!"

Every man sustains Mr. Lincoln who is willing to risk, or who invited, a conflict between the Republic and the South, and who is willing to see the Union dissolved.

Thaddeus Stevens, the friend of Mr. Lincoln, addressed the League at "Concert Hall" on Monday evening last, and in the course of his remarks, he said:

There are not a few whose tender consciences, and evil judgment, induce them to believe that we must take as our rallying cry, "The Union as it was, and the Constitution as it is."

Mr. Stevens is the same gentleman who, upon another occasion, said, "The Union as it was, and the Constitution as it is, God forbid!"

The Philadelphia Ledger claims that the Abolitionists have carried the Legislature by a majority of 26 in the House, and 13 in the Senate.

Two hundred Massachusetts soldiers, passing by railroad to Indiana, stopped at every town on the way and voted the Lincoln ticket.

THE PENNSYLVANIA ELECTION.

THE LATEST RETURNS.

HARRISBURG, Oct. 27.—The official vote of Jefferson county has been received. It gives a Democratic majority of 202.

The following is the summing up of the official vote of all the counties, excepting Forest county, which is yet to hear from. Democratic majorities on the home vote, 35,367. Excess of Democratic majorities, 15,337.

Forest county is reported to give a Democratic majority of 13. A few days ago, the Associated Press despatched from Harrisburg, Pa., that the Democratic majority in this State at 6, Now, they make it 153. This is quite an improvement on the first figure, and if they keep on improving at the same rate, there is reasonable hope that before long, they will give a correct statement of the Democratic majority, which is from 1,900 to 2,100.—Age.

NEWS FROM WASHINGTON.

SERIOUS ALARM IN THE REPUBLICAN CAMP.

The reports recently received from the several parts of the country have filled the Republican leaders with alarm. It is found that Mr. Lincoln is unexpectedly weaker than his party, and will obtain a much smaller vote than was received by other Republican candidates in the late elections.

Efforts Making to Carry States Hitherto Considered Sure for Lincoln.

The reports recently received from the several parts of the country have filled the Republican leaders with alarm. It is found that Mr. Lincoln is unexpectedly weaker than his party, and will obtain a much smaller vote than was received by other Republican candidates in the late elections.

HOW IT WILL GO.

The late elections afford a pretty substantial foundation to estimate the result of the presidential election upon. It will require 116 electoral votes to elect. The following states will furnish them:

Table with 2 columns: State and Electors. Includes Maine (3), New Hampshire (3), Massachusetts (11), Rhode Island (4), Connecticut (7), Vermont (3), Wisconsin (8), Ohio (21), Total (125).

The St. Louis Republic, however, spoils these figures so far as Illinois is concerned, it says: "In the foregoing estimate of the states relied upon for Lincoln 'with absolute certainty' we find Illinois. Our reports from that State place it on the McClellan side by a majority of from fifteen to twenty-five thousand."

Without Illinois, according to this table, there is no hope for Lincoln. It will be noticed that everywhere the Republicans are giving up Pennsylvania and New York as lost to their ticket.

BLACKSMITHS, A RARE CHANCE!—An elegant Shop and Lot of Ground, fronting on East Middle street, Gettysburg, with a good run of custom, established by P. Derrson, who is well known throughout the country, is for sale.

Abraham Krite, Esq., entered upon his duties as County Commissioner on Saturday. His business qualities, his energy, and honesty, give assurance that he will make a most efficient officer.

Attention is directed to the large sale of valuable personal property advertised by Daniel D. Gilt in another column.

We understand that Sergeant McKnight and Basil Norris, Co. B, 138th Regiment, were both wounded in the late battle under Sheridan. Also Corp. J. R. Cook.

It is a subject of much concern in political circles that Mr. August Belmont, who has hitherto been extremely cautious about risking anything upon the Presidential election, is now offering to bet heavily upon the election of McClellan.—N. Y. Herald.

It is understood that the chief cause for the removal of General Averell from his command in the valley was his ardent admiration of McClellan.

Elect Lincoln and we shall have four more years of war without a Union. What could have been done in six months and was not done in four years, cannot be accomplished in another term by the present administration. We must, therefore, vote for a CHANGE.

Private letters are being able to arrive from the front, and they are giving information of the various methods being used to bring the soldiers of other States were permitted to vote in large numbers at the polls.
