

BE ON THE ALERT, DEMOCRATS!

As the election for President will take place on Tuesday next, we caution our friends to be wide awake! Recollect that the Abolitionists will resort to any means to gain the election, and we must be ready to meet them at all times.

Gov. Seymour, of New York, has issued a proclamation declaring that military interference at the polls in that State shall not be allowed—and ordering the sheriffs to prevent such interference by the full force of the law, if it should require the calling forth of the whole power of their districts.

Gov. Bramlette, of Kentucky, has also issued a noble proclamation of the same tenor.

Abolition electioneers must understand that offering a barrel of flour or any other bribe, for a vote, is an indictable offence.

They must also understand that threatening to stop the pension of a disabled soldier, simply because he wants to vote for McClellan, is indictable likewise.

These unprincipled demagogues may have the law rattling round their ears before they think of it. Was there ever a set of office-holders or office-hunters more desperate?

Whilst at the Hampton meeting, on Tuesday evening, a reliable gentleman told us that he had just read a letter from an Abolitionist in the army boasting that he had voted SIX TIMES at the late election. Such "outrages" the Sentinel has not a word to say about.

The Return Judges in Bedford, Fulton, Lyeoming, and other counties, rejected returns of soldier votes, because not in accordance with the law passed by the Legislature on the subject.

We are told that the Republicans at Harrisburg have stopped betting on the State for Lincoln.

"The Last Hope."—Ex-President Fillmore, in his recent letter of September 28, says: "I look upon the election of General McClellan as the last hope for the restoration of the Union, on honorable peace, and the security of personal liberty."

The National Debt is now more than four thousand millions of dollars; on which there will be interest amounting at six per cent to two hundred and forty millions of dollars annually, and as our largest income, in peaceful times, was only about seventy millions, a sum not sufficient for ordinary expenses, the enormous sum required must be by taxation—more taxation! It has grown gradually on us, as have all Mr. Lincoln's measures; and will continue to grow, for like causes must produce like effects. Elect Mr. Lincoln, and we shall have more debt, more drafts, more taxes and more war.

Wm. McClellan, Esq. addressed the McClellan Club of Meadville, at Holtzman School-house, on Thursday evening, H. J. Stahle presided at the meeting, and at the close of the meeting a large number of the club were present.
