FREADS & BUEHLER, CESTTBETES. PA.

From incumerable recommendations, w gather the following: Letter from Mrs. Henry Warl Scecher, in 1961.

I om herst happende speck in the every high-est form of the "Caterad Clother Wringer". The hordest part of "washing-day" work is a Feb. 29, 1864. The bardes part of what goary work is, in my opinion, the wringing: and the inventor of the gradient may have the satisfaction of freling that he deschanged one of the most following parts of workship work into a very attractive consensation. The builders bolts upon it as a great tlessing. I look apon it as a great tlessing. I look apon it as a bolt attractes in the house. Br. oblyn, October, 1851. [May 2, 1864.

## Ayer's SARSAPARILLA THE WORLD'S CREAT REVENT FOR

'mit wonth's GREAT REVENT FOR
Bortofula and Starofulous Discassa,
From Emery Edge, a well-andrea merchand of Or-ford, Maine.
"I have sold large quantities of your SARSAPA-milles, but never yet due britle watch failed of the dealed effect and full solitation to those who took it. As it as our pople try it, they arrow there has been no medicine like at is have an our community."
Eruptions, Plinglos, Diotches, Pusteles, Ul-cers, Bores, and all Discasses of the Skin. Trom Rev. Robt. Statting, Buttol, England, "I only do my duty to you mad the public, when Indt any testimeary to that four publich of the me-diant restimeary to that four publich of the me-diant for search which we were unable to euro unit we tried your Sub-Arwathath. She has been well for some months."
Prom Mrs. Jone P. Riew, Swell Starth we aver trad with either has a fuller the scient and much-eter mail define Dennicoide. Cone New York, M. J. "My daughter has enformed a year past with a protoine complicity and year part with a protoine complicity and year part with a servicing aformed any relief until we trad your StassARDILLA, which was very tradifications. Nothing aformed any relief until we trad your StassARDILLA, which was very tradifications.

SusaPanniki, which soon completely curve her." From Charles P. Gage, Est., of the widely-known Ginge, Marrow & Co., wanut charrer of channelled papers in Nusbert, N. H. "I had for several years a very troublesome humor in my book which wrow constantly worse until it disfaured my features and because an intel-er-ble affiction. I tried almost every thing a man could of both agives and mediane, but without any relief what...er, until I took year Sussimilation. It is innealistly anale twy features out fold me it might for a base; but in a few weeks the new skin Signar to form analer the blotheles, and con-tinued until my face is as amooth as any body's, and I was without any symptoms of the alsesse that i know of. I enjoy pericet health, and without at doubt owe fit to your SABSAPARILLA."

Erraipelas-General Debility-Purify the

Erraipelas - General Dobility - Purify the Blood. From Dr. Rolf, Scatia, Houston St., New York. "In: Ayin: A isolar fail to remove Ernpfinat and Scronhum Soret by the presenting used your SARS (YARILD), and I have just noir curvel an attack of Malignant Erryispical with it. No alternitye we possess equals the SARSAPARILLA you have sup-plied to the profession as well as to the people." From J. E. Johnston, Esg., Waleman, Ohio. "For twelve years, I had the yellow Errsipelas on my right arm, during which time I tried all the selebrated physicians I could reach, and rook hun-dreds of dollars worth of medicines. The ulcers were so had that the cords became visible, and the doctors decided that my aim must be amputated. I began taking your SARSAPARILLA. Took two bot-ties, and some of your PILLS. Together they hare, curvitime. I, m how as well and sound as unybody. Being in the community, and excits the woulder of all."

all." From Hon. Henry Monro, M. P. P., of Neucastle, C. W., a louding member of the Canadian Parlia-

meit. "I have used your SARSAPARILLA in my femily, for general debility, and for purifying the blood, with very beneficial results, and feel couldency in commending it to the allited."

wish very denominative shall be allocated and the source diag it to the sallocated."
St. Anthony's Fire, Rose, Salt Rheum, Beald Head, Sorp Eyes.
From Torrey Sickler, Leg., the able editor of the Tan channed Demonrat, Pennudrania.
a One only child, shout three years of age, was attacked by jumples on his forchead. They rapidly spread until they formed a loathshome and virtual they formed a loathshome and virtual here, which covined his face, and notability blinded his grees for source days. A skilled physical applied his line of silver and other runeables, without any apparent effect. For filteen days we guarded his line and other runeables, without any apparent effect. For filteen days we guarded his line of silver and other runeables, without any apparent effect. For filteen days we guarded his line of silver and other runeables, without any apparent effect. For filteen days we guarded his line of silver and other runeables, without any apparent effect. The filteen days we had any hope from, we began gring your Sansaratuit.LA, and applying the loaths of patish lotion, as you chr. The size began to hold when we had inithed the account. The child's cyclastes, which had come out, grew sgain, and he is now as healthy and tair to child must due."
Syphilis and Mercurial Disease.

Syphilis and Mercurial Disease.

Syphilis and Morcurial Disease.
From Dr. Hiram Stotl, of St. Louis, Misseuri, "I find your SANATABILLA a more effected remedy for the secondary symptoms of Syphilis that for syphilis disease that any other We posses.
The protession are indefied to you for some of the best methenes we have."
From A. J. Franch, M. D., an entitle physician of Lawrene. Must, who is a possible the mether of the Leyis biline of More ministics.
