### DYSPEPSIA, DYSPEPSIA, DYSPEPSIA.

I, ELIZABETH BRANSON, of Brandywine, Del., formerly of Old Chester, Del., do certify that, for one year and a half I suffered everything but death from that awful disease called Dyspepsia. My whole system was prostrated with weakness and nervous debility; I could not digest my food; if I ate even a cracker or the smallest amount of food, it would return just as I swallowed it; I became so costive in my bowels that I would not have a passage in less than from four and often eight days; under this immense suffering, my mind seemed entirely to give way. I had dreadful horror and evil forebodings. I thought everybody hated me, and I hated everybody; I could not bear my husband nor my own children, everything appeared to be horror stricken to me; I had no ambition to do anything; I lost all my love of family and home; I would ramble and wander from place to place, but could not be contented; I felt that I was doomed to hell, and that there was no heaven for me, and was often tempted to commit suicide, so near was my whole nervous system destroyed, and also my mind, from that awful complaint, Dyspepsia, that my friends thought best to have me placed in Dr. Kirkbride's Hospital, West Philadelphia; I remained there nine weeks, and thought I was a little better, but in a few days my dreadful complaint was raging as bad as ever. Hearing of the wonderful cures performed by Dr. Wishart's Great American Dyspepsia Pills and his treatment for Dyspepsia, my husband called on Dr. Wishart and stated my case to him. He said he had no doubt he would cure me. So in three days after I called and placed myself under the Doctor's treatment, and in two weeks I began to digest my food, and felt that my disease was fast giving way, and I continued to recover for about three months, and at the present time I enjoy perfect health of body and mind, and I most sincerely return my thanks to a merciful God and Dr. Wishart, and to his great American Dyspepsia Pills and Pine Tree Tar Cordial that saved me from an Insane Asylum and premature grave. All persons suffering with Dyspepsia are at liberty to call on me or write, as I am willing to do all the good I can for suffering humanity. ELIZABETH BRANSON.

### DYSPEPSIA! DYSPEPSIA!

Dr. Wishart:—I have been a constant sufferer with Dyspepsia for the last eighteen years, during which time I cannot say that I ever enjoyed a perfectly well day. There were times when the symptoms were more aggravated than at others, and then it seemed it would be a great relief to die. I had at all times an unpleasant feeling in my head, but utterly my sufferings so much increased that I became almost unfit for business of any kind; my mind was continually filled with gloomy thoughts and forebodings, and if I attempted to change their current by reading, at once a sensation of icy coldness in connection with a dead weight, as it were, rested upon my brain; also, a feeling of sickness would occur at the stomach, and great pain to my eyes, accompanied with which was the continual fear of losing my reason. I also experienced great lassitude, debility and nervousness, which made it difficult to walk by day or sleep at night. I became averse to society, and disposed only to seclusion, and having tried the skill of a number of eminent physicians of various schools, finally came to the conclusion that, for this disease at my present age (45 years) there was no cure in existence. But, through the interference of Divine Providence, to whom I devoutly offer my thanks, I at last found a sovereign remedy in your Dyspepsia Pills and Tar Cordial, which seem to have effectually removed almost the last trace of my long list of ailments and bad feelings, and in their place health, pleasure and contentment are my everyday companions. ### A POSITIVE CURE FOR DYSPEPSIA.

HEAR WHAT MR. JOHN H. BABCOCK SAYS,

No. 1028 Olive Street,
Philadelphia, Jan. 22d, 1863.

Dr. Wishart—Sir:—It is with much pleasure that I am now able to inform you that, by the use of your great American Dyspepsia Pills, I have been entirely cured of that most distressing complaint, Dyspepsia. I had been grievously afflicted for the last twenty-eight years, and for ten years of that time have not been free from its pain one week at a time. I have had it in its worst form and have dragged on a most miserable existence—in pain day and night. Every kind of food that I ate filled me with wind and pain, it mattered not how light, or how small the quantity. A continued belching was sure to follow. I had no appetite for any kinds of meats whatever, and my distress was so great for several months before I heard of your Pills, that I frequently wished for death. I had taken everything that I had heard of for Dyspepsia, without receiving any benefit; but on your Pills being recommended to me by one who had been cured by them, I concluded to give them a trial, although I had no faith in them. To my astonishment, I found myself getting better before I had taken one-fourth of a box, and, after taking half a box, I *am a well man, and can eat anything I wish*, and enjoy a hearty meal three times a day, without inconvenience from anything I eat or drink. If you think proper, you are at liberty to make this public and refer to me. I will cheerfully give all desirable information to any one who may call on me.

Yours, respectfully, JOHN H. BABCOCK.

## Ayer's SARSAPARILLA,

THE WORLD'S GREAT REMEDY FOR

**Scrofula and Scrofulous Diseases.**

*From Every Eden, a well-known merchant of Oxford, Maine.*

"I have sold large quantities of your SARSAPARILLA, but never yet one bottle which failed of the desired effect and full satisfaction to those who took it. As fast as our people try it, they agree there has been no medicine like it before in our community."

**Eruptions, Pimples, Blotches, Pustules, Ulcers, Sores, and all Diseases of the Skin.**

*From Rev. Josh Stratton, Bristol, England.*

"I gulp do my duty to you and the public when I add my testimony to that you publish of the medical virtues of your SARSAPARILLA. My daughter, aged ten, had an offensive humor in her ears, eyes, and hair for years, which we were unable to cure until we tried your SARSAPARILLA. She has been well for some months."

*From Mrs. Jane E. Rivers, well-known and much-esteemed lady of Dennisville, Cape May Co., N. J.*

"My daughter has suffered for a year past with a scrofulous eruption, which was very troublesome. Nothing afforded any relief until we tried your SARSAPARILLA, which soon completely cured her."

*From Charles P. Gage, Esq., of the widely known Gage, Morgan & Co., manufacturers of enamelled papers in Nashua, N. H.*

"I had for several years a very troublesome humor in my face which grew constantly worse until it disfigured my features so much as to be a terrible affliction. I tried almost every thing a man could of both active and medicinal, but without any relief whatever, until I took your SARSAPARILLA. It immediately made me feel better, as you told me it might for a time, but in a few weeks the humor began to form under the blotches, and continued until my face was as smooth as any body's, and I am without any symptoms of the disease that I know of. I enjoy perfect health, and without a doubt owe it to your SARSAPARILLA."

**Erysipelas—General Debility—Purify the Blood.**

*From Dr. Robt. Swain, Houston St., New York.*

"DR. AYER. I seldom fail to remove *Eruptions* and *Scrofulous Sores* by the perseverance of your SARSAPARILLA, and I have just now cured an attack of *Malignant Erysipelas* with it. No alterative we possess equals the SARSAPARILLA you have supplied to the profession as well as to the people."

*From J. E. Johnston, Esq., Wilkesman, Ohio.*

"For twelve years, I had the yellow Erysipelas on my right arm, during which time I tried all the celebrated specifics that I could reach, and took hundreds of dollars worth of medicines. The sores were so bad that the cords became visible, and the doctors decided that my arm must be amputated. I began taking your SARSAPARILLA. Took two bottles, and some of your PILLS. Together they have saved me. I am now as well and sound as any body. Being in a public place, my case is known to every body in this community, and excites the wonder of all."

*From Hon. Henry Monro, M. P. P., of Newcastle, C. W., a leading member of the Canadian Parliament.*

"I have used your SARSAPARILLA in my family, for general *debility*, and for *purifying the blood*, with very beneficial results, and feel confidence in commending it to the afflicted."

**St. Anthony's Fire, Rose, Salt Rheum, Scald Head, Sore Eyes.**

*From Harvey Sickler, Esq., the able editor of the Tunkhannock Democrat, Pennsylvania.*

"Our only child, about three years of age, was attacked by pimples on his forehead. They rapidly spread until they formed a loathsome and virulent sore, which covered his face, and actually blinded his eyes for some days. A skilful physician applied nitrate of silver and other remedies, without any apparent effect. For fifteen days we guarded his hands, lest with them he should tear open the running and corrupt mass which covered his whole face. Having tried every thing else we had any hope from, we began giving your SARSAPARILLA, and applying the iodine of potash lotion, as you direct. The sore began to mend when we had given the first bottle, and in two weeks more had finished the second. The child's cheeks, which had come out, grew again, and he is now as healthy and fair as any other. The whole neighborhood predicted that the child must die."

**Syphilis and Mercurial Disease.**

*From Fitz Hinton, Sheriff of St. Louis, Missouri.*

"I and your SARSAPARILLA a more effectual remedy for the secondary symptoms of *Syphilis* and for syphilitic diseases than any other we possess. The preparations are unequalled to you for some of the best medicines we have."

*From A. J. French, M. D., an eminent physician of Lawrence, Mass., who is a prominent member of the Legislature of Massachusetts.*

"DR. AYER. My dear Sir: I have found your SARSAPARILLA the best remedy for *Syphilis*, both of the *primary and secondary* type, and often had to some cases that were too obstinate to yield to other remedies. I do not know what we can employ with more certainty of success, where a powerful alterative is required."

*Mr. Chas. S. Van Liew, of New Brunswick, N. J.*, had dreadful sores on his legs, caused by the abuse of mercury, or *mercurial disease*, which grew more and more aggravated for years, in spite of every remedy or treatment that could be applied, until the persevering use of AYER'S SARSAPARILLA relieved him. Few cases can be found more aggravated or distressing than these, and it took several dozen bottles to cure him.

**Leucorrhœa, Whites, Female Weakness,** are generally produced by internal *Scrofulous Ulceration*, and are very often cured by the alterative effect of this SARSAPARILLA. Sometimes required, however, in all of the SARSAPARILLA, the skilful application of local remedies.

*From the well-known and widely-celebrated Dr. Jacob Morrill, of Cincinnati.*

"I have found your SARSAPARILLA an excellent alterative in diseases of females. Many cases of Irregularity, Leucorrhœa, Internal Ulceration, and local debility, arising from the scrofulous diathesis, have yielded to it, and there are few that do not, when its effect is properly aided by local treatment."

*A lady, unwilling to allow the publication of her name, writes:*

"My daughter and myself have been cured of a very debilitating Leucorrhœa of long standing, by two bottles of your SARSAPARILLA."

**Rheumatism, Gout, Liver Complaint, Dyspepsia, Heart Disease, Neuralgia,**

when caused by *Scrofula* in the system, are rapidly cured by this EXT. SARSAPARILLA.

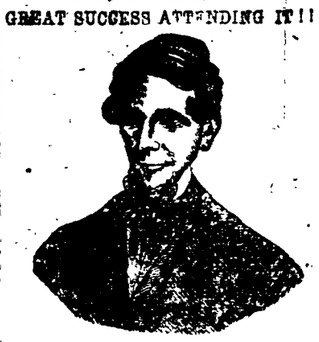
## An Interesting History

OF DR. SCHENCK'S OWN CASE.

WHILE LABORING UNDER CONSUMPTION,

*And how his Pulmonic Syrup, Seaweed Tonic, and Mandrake Pills act on the System in Curing that Disease, and the*

GREAT SUCCESS ATTENDING IT!!!



The above is a correct likeness of Dr. Schenck taken many years ago, after he had recovered from Consumption, by a course of his "SCHENCK'S PULMONIC SYRUP." The likeness, although it does not represent him as thin and haggard as he was at the worst, yet it is in strong contrast with the pale and vigorous looks of the Portrait below, which is the true likeness of him at the present time. The contrast between these two portraits is so great that many would not believe them to be the same person. Yet there are hundreds of persons, in and around Philadelphia, who will recognize both portraits to be true representations. When the first was taken he weighed 107 pounds; at the present time his weight is 220 pounds.

NEW YORK, Wednesday, March 30, '64.

TO THE PUBLIC.

Three years and I was in the last stages of Pulmonary Consumption, and even up to die. I resided in Philadelphia, and Dr. Joseph Parrish, then of this city, ordered me to Moorestown, N. J., a distance of nine miles, which took me two days to get there. On my arrival I was put to bed, and there laid for many weeks. This was my native place, where all my family had died of that terrible Consumption. Dr. Parrish, who attended my father in his last illness, was called, and gave me one week to settle my affairs. He had seen all my family go that way, and thought I was to go, too. Then I heard of the remedies I now offer to the public which emboldens me to do so. It seemed to me that I could feel them penetrating my whole system.

They soon ripened the matter in my lungs, and I would spit off more than a pint of offensive yellow matter every morning. As soon as that began to clear away, my cough, fever, pain, night sweats all began to leave me, and my appetite became so great that it was with difficulty I could keep from eating too much. I soon gained my strength and I have been growing in flesh ever since. For many years I have enjoyed uninterrupted good health by keeping the Liver and Stomach right with the Seaweed Tonic and Mandrake Pills, as I call the Scheneck's Pulmonic Syrup, Seaweed Tonic, and Mandrake Pills.

I am now a healthy man, with a large cavity in the middle lobe of the right lung, the lower lobe very much hepatized and complete adhesion of the pleura. The left lung is sound, and the upper lobe of the right lung is in a tolerably healthy condition. The great reason why physicians do not cure consumption is they try to do too much: they give medicines to stop the cough, to stop chill, to stop night sweats, hectic fever, and, by so doing, they derange the whole digestive power, locking up the secretions, and eventually the patient sinks and dies. After I make a careful examination of the patient with the Respiromeeter, and find lungs enough left to cure, I direct the patient how to use the three remedies. Remove the cause and they will all stop of their own accord. No one can be cured of consumption, liver complaint, dyspepsia, catarrh, canker, ulcerated throat, unless the liver and stomach are made healthy. In New England this canker, caronic catarrh, ulcerated throat, elongation of uvula, is more prevalent than in any other section of the country. This is frequently caused by a foul stomach.—You may burn it out with caustic time and again, and all they will get is temporary relief. Correct the stomach and liver, and they will heal up themselves.

Good nutrition is the remedy. If you have any disease in any part of the body, it will remain there and decay more and more until you can get the stomach in the condition to digest food and make new blood to take the place of diseased matter. This is the only way to heal cavities in the lungs and ulcerated bronchial tubes. Correct the stomach and liver, and nature will do the healing. Many persons have an idea that certain medicines are great purifiers of the blood. When blood is once diseased it cannot be purified; it is diseased the same as the diseased matter in the system; but get the apparatus in order, the liver and stomach, and give it plenty of nourishing food it will make new blood, which will take the place of that which is diseased.

Schenck's Pulmonic Syrup is one of the best preparations of iron in use, it is a powerful tonic of itself, and when the Seaweed Tonic dissolves the mucus in the stomach, and it is carried off by the aid of the Mandrake Pills, the Pulmonic Syrup is made into blood. This is the only way to cure consumption. If I cannot get a good appetite, and food does not digest, I cannot cure the patient. Never mind the cough; remove the cause and it will stop of itself. This is the most trouble I have with my patients at my rooms. They say, "Doctor, I feel stronger; I can eat; my night sweats are better, and I feel better every way; but my cough is so bad yet;" and they are astonished to hear me say that does not matter; remove the cause and the cough will stop of itself. Schenck's Seaweed creates a good appetite in about nine days, when there is no lung disease, unless the liver is so congested that the Mandrake Pills cannot unlock the ducts of the gall bladder in that short space of time, in order to allow the stale bile to pass off. Keep the liver and tomach healthy and there is less danger of consumption or any other disease. It is hard to take cold when those organs are healthy. Those that are bilious, low spirited, dreary, feeling stupid, coated tongue, poor appetite, nervous, stomach full of wind, everything that is eaten lies heavy, loss of memory, try one bottle of SCHENCK'S SEAWEED TONIC and one box of SCHENCK'S MANDRAKE PILLS. It is only a cost of one dollar and twenty-five cents, with full directions. This is sufficient, in many cases, to satisfy what the medicines are. Frequently one bottle makes a great change in the system. Any person that enjoys ordinary health, by using the Seaweed Tonic and Mankrake Pills occasionally, must get the digestive organs in such a healthy condition that they become fleshy. I can produce a number of my old consumptive patients now enjoying good health, weighing nearly 200 pounds. I will conclude by relating three cures I have made in New York, and which are all different, and wish any one who feels any interest in the matter to visit them. First is Mrs. Farlow, residing then at No. 107 Houston street. Her husband called upon me at my rooms, 32 Bond street, and wished me to call and see her. He said I could do no good; that he had had all the best medical attendance, and all said she was too far gone with Consumption to be cured; but she had heard of some great cures I had made, and he desired to gratify her wishes.—I called, and found her lying confined to her bed in the last stage of bronchial consumption, and without doubt must have died soon. I examined her lungs, found her bronchial tubes very much affected, but no cavities had formed, her cough was very severe, the spit-box was half full of thick pus. Pulse 140, legs swollen very much; and worse than all, she had chronic diarrhœa. Her bowels had been moved eleven times that day. I told her that she had lungs enough to be cured, but that this diarrhœa had been of long standing, and her stomach was in such an inverted condition that I was afraid nothing could be done. She insisted I should try and do what I could for her, observing that she could not last long in the condition she was in, and I could not make her any worse. I gave her first a dose of my Mandrake Pills, and the Tonic and Syrup freely. That was on Tuesday, and by the next Sunday the diarrhœa was carried off, her appetite had returned and she could sit up in bed and eat her dinner. She is now well, and gave me a long certificate, certified to by the Rev. Dr. Dowling.

Mrs Bartholomew, 83 West Forty-fifth street, came to my rooms with a tumor on her liver. She was low-spirited, skin sallow, tongue coated, bowels costive, no appetite, and fast sinking into the grave. The said tumor had been running over fourteen years. I gave her Syrup, Tonic and Pills, and told her to take them just as the directions were printed. She came back to my rooms, 32 Bond street, in two weeks, somewhat better; her tongue had begun to clean a little around the edges her skin whiter and her eyes brighter, and the tumor discharging very offensive matter, much faster than it had ever done before. She kept gradually improving, and in about two months she came to my rooms very much frightened, saying that the tumor had nearly stopped running, and was healing up, and that every doctor had told her that if it ever healed it would cause her death. I told her that the disease had all left her system, and nature would heal the ulcer up. They are now healed, and have been for about a year, and she is as hearty and robust a woman as you will find in a day's walk. She is glad for any one to call on her, and takes great pains to visit any one that she hears has a cavity like her case, and tries to get them to come and see me.

The next case is Miss Scofield, from Stamford, Conn. Mrs. Bartholomew got her down to see me, and she has been ever since at her house. When she first came to my rooms, she was much emaciated with a distressing cough, spitting large quantities of blood. I examined her lungs with the respirometer, and in all my practice never found one with one lung so far gone and the other lung so sound. I could not give much encouragement. I thought she would die; but to my astonishment the Pulmonic Syrup, Seaweed Tonic, and Mandrake Pills all seemed to go right to work, the lung is all healed over, leaving about as large as a goose egg; good appetite, fine spirits, and has gained some thirty five pounds in weight. She has some cough yet, which, I do not think will leave her before June. I should think it would be of great interest to some unprejudiced physician to visit these cases, particularly Miss Scofield, or any of them who have been cured by my medicines. They are numerous in New York; but the above three all differ from each other; and if my medicines are doing what I represent they are, they should have the credit and the afflicted know where and how they may be cured. J. H. SCHENCK, M. D.

Dr. J. H. Schenck can be found at his principal office, No. 30 North 6th Street, Philadelphia, every Saturday, from 9 A. M. until 5 P. M., to give advice, free of charge; but for a thorough examination he charges three dollars. Price of the Pulmonic Syrup and Seaweed Tonic each $1.25 per bottle, or $9 the half dozen. Mandrake Pills 25 cents per box, and are for sale by all Druggists and Dealers.

Established in the following cities:

PHILADELPHIA,
S. E. Corner of Seventh and Chesnut Sts.,
New York, Brooklyn, Albany, Troy, Providence, Portland, Hartford, Burlington, Newark, Rochester, Buffalo, Toronto, Cleveland, Detroit, Chicago, Milwaukee and St. Louis.

Thorough theoretical and practical instruction in all branches pertaining to a finished Business Education.

The Philadelphia College stands first in the State, both in point of reputation and local advantages. The point aimed at is, to place Commercial Education where it belongs—in the front rank of useful instruction. To this end, a most thorough course of business training is adopted and carefully enforced, under the personal supervision of competent Professors in the various departments. The most perfect system of practical training ever devised has been put in operation, and is successfully carried out, affording to students advantages such as have hitherto been considered possible only in connection with the counting-house. After becoming proficient in the Science of Accounts, Penmanship, Commercial Calculations and Commercial Law, the student is advanced to the Practical Department, where he becomes an actual Book-keeper and Merchant; passes through the different Houses; acts in turn as Teller, Cashier, &c., learns the duties and responsibilities of each office, and becomes thoroughly informed, not only in the forms which are in universal use, but in managing the affairs of business with system and despatch.

Scholarships issued at one point are good, for an unlimited period, in the eighteen Colleges comprising the "chain."

Diplomas are awarded to those only who fulfill the prescribed course of study, and pass the requisite examination.
