thorises the payment, by the General Government, of troops that have not been. I strongly recommend the tepeal of the mustered into the service of the United act passed the 18th day of July, a. p. 1863, should be inflicted, that of death may appear to the Executive to be too severe. The remarks an appropriation for the payment of troops called into State service to repel an actual invasion, including those of the State.

Secretary of War.

The banks and other corporations refused The balance in the Treasury, Nov. 30, 1863.

The balance in the Treasury, Nov. 30, 1863.

The balance is the Tr that the pledge of the President is clear and it is believed, for the purpose of entoring his new supprendances, unigency talking and the money companies near our border engaged in the suduring as they are. I recommend, there was prid and the accounts settled and placed manufacture of iron, to hold lands as one fore, that provision be promptly made to Accredited to the States...... in the hands of the President before the banks. But under the idea that the sink meet the necessities of this case.

meeting of Congress, no such recommendating of an oil well is mining, it is believed. It is a surject of just congratulation that The operations of the sinking fund during tion as promised me was made, and for that that companies have already been organic notwinstanting the distriction of the last, such that funder the country, our system of common schools clamation of the 27th day of September failed. The men were raised and placed that more will be, for the purpose of hold continues to flourish. The report of the under the command of Major General Couch ing lands and carrying on the oil business. Superintendent, which I herewith transmit, amount of debt of Commonwealth, reduced that there has been an increase of the country of the country, our system of common schools continues to flourish. The report of the under the command of Major General Couch ing lands and carrying on the oil business. Superintendent, which I herewith transmit, and the other U. S. officers in this Depart in this State. It would be better to remove shows that there has been an increase of merri. The troops were held in service all doubt on this question by repealing the scholars during the past year. It is imporlonger than the emergency for which they act. These companies, being foreign cor- ant to secure as teachers a sufficient number were called out required. Several of the porations, are not within the control of our of men of suitable education and shility, and The fiscal year accounted for in the statement of the Treasury Department, ambraces
the time from the lat of December, 1863, to
