tits for any kinds of meats whatever, and my distress was so great for several months before in heard of your Pills, that I frequently wished for death. I had taken everything that I had heard of for Dy spepsia, without receiving any benefit; but on your Pills being recommended to me by one who had been cured by them, I concluded to give them a trial, although I had no faith in them. To my astonishment, I found myself getting better before I had saken one-fourth of a box, and, after taking half a box. I am a well man, and can est anything I wah.

The above are a few among the thousands which this great remedy has saved from so antimely grave.

We have thousands of letters from physicians and druggists who have prescribed and sold these Medicines, saying that they have
