GEN. SHERMAN ON THE WAR AND ITS BURATION.

A correspondent of one of the New York newspapers, a personal friend of General Sherman's, has been on a visit to that offi-Cer at Savalinah. He gives a lengthy re-port of a conversation held with the Gener-al, which, if correct, proves him to have the most common sense views of any officer now in the field. How differently such language as the following sounds from the plate and source of the converting to the source of the confidence of the source of the source of the confidence of the c cor at Savannah. He gives a longthy'reepisties

only the American press but the Landon tour nours with the receipt commissioners. -- to the age. Why: because 1 nave crosted things was enjoyed with ordinary decorum. ble force. The Federal advance was check-No change in the attitude of either the a great extent of country, and by a long. But et vizo veritas, says the adage; and so it ed, and intrenchivent began. The Confed-Government or Confederates has resulted, and herilous march have caused an import was at Willard's last night. Speeches were and the whole affair is therefore pronounced is very well; but suppose in the campaign mendous fellow for speech making when a reported loss of two hundred prisoners. --a feiture. It is said that a general the very well; but suppose in the campaign is very well; but suppose in the campaign is but suppose in the campaign is the advance in the campaign is a state of the federate of the federate
