Any remedy to bring the crazy fanabut lacked the moral courage to make an ties to their senses, and punish them for suit. epen issue with the Governor of their own phoosing.

The Washington correspondent of the New York Tribuns, speaking of the passage of the Amendment to the Constitution abolishing slavery, says: 4

"The work done in securing the passage of this bill has been immense. It has taken the labor of an entire month, night and day, to secure the majority which to-day so delighted the friends of freedom and of humanity, and so astounded the allies of slavery.

It wasn't "labor" that did the thing; it ### "greenbacks."

The election in Reading took place of the President's proclamation of amnesty.

on Priday week. The Gazetta says of it:

Permission, therefore, was given him either a postponement of that question, and the Columbia, but this is premature. What to return within the enemy's lines, or to adoption of some other course first, which, sa some of them seemed to argue, might or leave the United States not to return during the continuance of the war, without might not lead to reunion, but which course ing forward over sparsely settled land to permission from the government. Mr. Foote we thought would amount to an indefinite the interior, is hard to tell.
