Schencks's Mandrake Pills TOR SICK HEADACHE

ITS SYMPTOMS, CAUSE AND CURE. This has received its name from a constant nausea or sickness at the stomach, which attends the pain in the head. This headache is apt to be begin in the morning on waking from a dcep sleep, and when some irregularity of diet has been committed on the day before, or sometimes for several days previous. At first there is a distressingly oppressive feeling in the head, which gradually merges into a severe heavy pain in the temples, frequently attended by a sense of fullness and tenderness in one eye, and extending across the forehead. There is a clammy, unpleasant taste in the mouth, an offensive breath, and the tonque covered with a yellowish white fur. The sufterer desires to be alone in a dark room. As soon as the patient feels the fullness in the head and pain in the temples, take a large dose of Schenck's Mandrake Pills, and in an hour or two they will feel as well as ever .-This has been tried by thousands, and is always sure to cure, and instead of the sick headache coming on every week or ten days,

they will not be troubled, with it once in three Schenck's Mandrake Pills afe, composed of centrated Mandrake, all of which tend to relax 10000 Plain Gold Rings the secretions of the liver, and actmore prompt 10000 Sets Ladies' Jewelry, Gold than blue pills or mercury, and without leaving any dangerous effects. In a bilious person they will show themselves by the stools. They will expel worms, mucus, bile and all morbid matter from the system. In sick headache, if they are taken as directed above, (a full dose as soon as they feel the first symptoms of it,) Dr. Schenck will and has directed his agents to return the money if they do

not give perfect satisfaction. If a person has been compelled to stay out late at night, and drink too much wine, by taking a doze of pills on going to bed, next morning he will feel as though he had not drank a drop, unless he forgets to go to bed

They only cost 25 cents a box. Whoever takes them will never use any other. They are worth a dollar to a sick man for every cent they cost,
