Agricultural Chemical Co.'s

O HEAP FERTILIZERS.

The Fertilizers prepared by the Agricultural Chemical Co., (a Company chartered by the Legislature with a capital of \$250,000,) have been proved in practice to be the cheapest, most profitable and best, for the Farmer, Cardner and Fruit-grower, of all concentrated manures now offered in any market. The

Company's list embraces the following : PABULETTE This Fertilizer is com-posed of night soil and the fertilizing elements of urine, combined chemically and mechanically with other valuable fertilizing agents and absorbents.

'It is reduced to a pulverulent condition; ready for immediate use, and without loss of its highly nitrogenous fertilizing properties. Its universal applicability to all crops and soils, and its durability and active qualities, are well known to be all that agriculturists

can desire.

PRICE \$30 PER TON. CHEMICAL COMPOST, This Feetilargely composed of animal matter, such as meat, bone, fish, leather, hair and wool, together with chemicals and inorganic fertilizers, which decompose the mass, and retain the nitrogenous elements.
It is a very valuable fertilizer for field erops

generally, and especially for potatoes, and garden purposes.

Its excellent qualities, strength and cheapness, have made it very popular with all who have used it.

PRICE, \$40 PERSON. Composite Fertilizer, This highly fertilizer is particularly adapted for the cultivation of trees, fluits, lawns and flowers. . It will promote a very rigorous and healthy growth of wood and fruit, and largely increase the quantity and perfect the maturity of the fruit. For hot-house and household plants and flowers, it will be found an indispensable article to secure their greatest perfection. It vill prevent and cure diseased conditions of the peach and grape, and is excellent for grass

It is composed of such elements as make it adapted to the growth of all kinds of crops in all kinds of soils. The formula or method of combining its constituent fertilizing ingredients have received the highest approval of eminent chemists

pany manufacture a Phosphate of Lime in accordance with a new and valuable formula by which a very superior article is produced, so as Starner, Jr., Administrator of Solomon that its value, as a fertilizer, is equal to the best Starner, Sr., deceased.

PRICE, \$30-PER TON. TERMS CASH. All Orders of a Ton or more, will be delivered at the Railroad Stations and the Wharves of Shipment, free of cartage. Cartage will be charged on all orders of 8 barrels or less.

One dollar per Ton allewance for cartage
