But 'if must be porne in mind that all the cotton mills, many of Which had suspended temporarily, until quite recently, are now all running on full sime shot to their number capacity. Every indication points to a decline before many

GEN. JOHNSTON'S SURRENDER.

The Conference Between Gens. Sherdents of the Surrender, &c., &c.

Some interesting particulars of the conference between Generals Sherman and Joe that so many who profess to be loyal are Johnston, which resulted in the surrender guilty of acts which are "of the same gene of the latter, are given by the newspaper ral class with the crime of rebellion," and correspondents. As heretofore stated, immediately on the arrival of General Grant of lawless and violent acts which disgrace of surrender originally proposed, Gen. Sherour civilization, and which, if permitted to man notified Johnston that the terms were disapproved, that hostilities would be recontinue, will render worse that yain the sumed in forty-eight hours, and at the same time demanded his surrender, offering him the same terms as those granted to After a short conference on the 26th instant these terms were accepted by Johnston for the full limits of his command, thus embracing in the surrender four armies of the military division of the West, but excluding the fifth—that of Dick Taylor, lying west of the Chattahoochee river. A correspondent of the New York Herald, writing federate army, has been murdered in Tenfrom Raleigh on the 27th ult., gives an account of the conference between Gens. Sherman and Johnston, the former accomate navy, surrendered to the United States panied by Gens. Schofield and Howard, and representatives of the staff. The writer says: The place of conference, the same at

which the previous meeting took place, was the farm house of Mr. Bennett, on the side of the railroad, near Durham's station, and 27 miles from Raleigh. It is a small frame cottage, with garden, and surrounded by shade trees. In the front room, which was What more cowardly sight can be shown shade trees. In the front room, which was While these sclemn funeral services were than the attack of a hundred or a thousand used by the family both as parlor and bedroom, the meeting took place. General Sherman was the first to arrive. General Johnston made his appearance about two o'clock, and greeting him very warmly, they entered the house and, in the spartment above mentioned, were in earnest disend of that time the general officers present were invited in, and the stipulations were read, signed and delivered. The officers of both armies were now called in, and a general introduction took place. The interchange of conversation was unattended with any outward symptoms of animosity.
The various bait! 4s between Sherman and Johnston were discussed with great earnestness, and a tone of polite deference to the rival claims of the contesting armies marked the opinions on either side.

bellion in crowds, amounting to insurrection; the their individual paroles in writing not their party names."
