A SINGLE BOX OF BRANDRETH'S PILLS contains more vegetable extractive matter than twenty boxes of any pills in the world besides! fifty-five hundred physicians use them in their practice to the exclusion of other purgatives. The first letter of their value is yet scarcely appreciated. When they are better known sudden death and continued sickness will be of the past. Let those who know them speak right out in their favor. It is a duty which will save life.

Our race are subject to a redundancy of vitiated bile at this season, and it is as dangerous as it is prevalent; but Brandreth's Pills afford an invaluable and efficient protection. By their occasional use we prevent the collection of those impurities, which, when in sufficient quantities, cause so much danger to the body's health. They soon cure liver complaint, dyspepsia, loss of appetite, pain in the head, heart-burn, pain in the breast-bone, sudden faintness and costiveness. Sold by J. C. Guinn & Bros., Gettysburg, and by all respectable dealers in medicines. [Apr. 3. 1m

Dr. S. I. Tobias, New York: Dear Sir:—I have used your Venetian Liniment with great success, both as an internal as well as an external medicine. In cases of Bilious Colic and Cholera Morbus I regard it as a sovereign remedy. Your Venetian Horse Liniment stands unrivalled as a horse liniment amongst farriers and boatmen on this canal.

## U. S. 7-30 Loan!

THE sale of the first series of $300,000,000 of the 7-30 Loan was completed on the 31st of March, 1865. The sale of the second series of Three Hundred Millions, payable three years from the 15th day of June, 1865, was begun on the 1st of April. *In the short space of thirty days, over One Hundred Millions of this series have been sold*—leaving this day less than Two Hundred Millions to be disposed of. The interest is payable semi-annually in currency on the 15th of December and 15th of June by Coupons attached to each note, which are readily cashed anywhere. It amounts to

| | | | |
|---|---|---|---|
| One cent per day on a | | | $50 note. |
| Two cents | " | " | $100 " |
| Ten | " | " | $500 " |
| 20 | " | " | $1000 " |
| $1 | " | " | $5000 " |

MORE AND MORE DESIRABLE.

The Rebellion is suppressed, and the Government has already adopted measures to reduce expenditures as rapidly as possible to a peace footing, thus withdrawing from market as borrower and purchaser.

This is the ONLY LOAN IN MARKET now offered by the Government, and constitutes the GREAT POPULAR LOAN OF THE PEOPLE.

The Seven-Thirty Notes are convertible on their maturity, at the option of the holder, into

**U. S. 5-20 Six per cent. GOLD-BEARING BONDS,**

which are always worth a premium.

FREE FROM TAXATION.

The 7.30 Notes cannot be taxed by Towns, Cities, Counties or States, and the interest is not taxed unless on a surplus of the owner's income exceeding six hundred dollars a year. This fact increases their value from one to three per. cent. per annum, according to the rate levied on other property.

SUBSCRIBE QUICKLY.

Less than $200,000,000 of the Loan authorized by the last Congress are now on the market. This amount, at the rate at which it is being absorbed, will all be subscribed for within two months, when the notes will undoubtedly command a premium, as has uniformly been the case on closing the subscriptions to other Loans. *It now seems probable that no considerable amount beyond the present series will be offered to the public.*

In order that citizens of every town and section of the country may be afforded facilities for taking the loan, the National Banks, State Banks, and Private Bankers throughout the country have generally agreed to receive subscriptions at par. Subscribers will select their own agents, in whom they have confidence, and who only are to be responsible for the delivery of the notes for which they receive orders.

JAY COOKE,
Subscription Agent, Philadelphia.

☞ Subscriptions will be received by the Gettysburg National Bank and the First National Bank of Gettysburg.

## Russell's Screw Power

AND THE OHIO REAPER AND MOWER, BOTH COMBINED MACHINES.

The subscriber is agent for the above machines. The Screw power has found a ready market since introduced in this County, and gives satisfaction, a fact to which many farmers will certify.

THE OHIO REAPER

has given satisfaction wherever used, over three thousand having been sold during the last season. The demand was so great the company intend putting out six thousand this season, which we consider the best recommendation for any machine. It is a cog-geared machine, said to be of very light draft, worked with ease with one span of horses. This machine, as a Reaper, can be worked with or without a rake. Farmers wishing to buy would do well to make their purchases early, as the demand will be great. Last season we were unable to supply the demand in consequence of persons making up their minds too late in the season. Extras always kept on hand. Specimen machines can be seen by calling on the subscriber, two miles northeast of Gettysburg, on the Harrisburg road.

WM. WIBLE, Agent.

## Magnificent Sale.

GOLD AND SILVER WATCHES, JEWELRY, &C.—ON THE ONE DOLLAR PLAN.

THE ENTIRE STOCK OF

One Gold and Silver Watch Manufactory, Two Immense Jewelry Establishments, One Silver Plating Ware-house, One Gold Pen and Pencil Maker,

To be disposed of with dispatch WITHOUT REGARD TO COST!

The Goods are of fashionable styles and most excellent workmanship, and are sacrificed in this manner to relieve the proprietors from embarrassment occasioned by a distracting civil war. It should be prominently stated, also, that they are mostly of AMERICAN MANUFACTURE, and therefore greatly superior to the goods imported from abroad and hawked about as the cheapest ever sold. The simple duty on imported goods, and the high premium on Gold (all foreign bills are payable in gold) amount to more than the entire cost of many of the articles offered by us to the public. To facilitate the sale ONLY ONE DOLLAR will be charged for any article on our list, and this sum the purchaser need not pay until he knows what he is to get! This plan accords with the method recently become so popular for disposing of large stocks of Jewelry and similar productions.

THE PLAN IS SIMPLE!

The name of each article offered for sale—as "Gold Hunting Watch," "Gold Oval-Band Bracelet," "Pearl Breast-pin and Ear-Drops," "Gold Enamelled Ring," "Silver Plated Cake Basket," &c.—is written on a card and enclosed in a sealed envelope; these envelopes are then placed in a drawer and well mixed; then as an order is received, with twenty-five cents for return postage and other charges, one of the cards or certificates is taken at random and sent by first mail to the customer, who will see at once what he can get for One Dollar. If he is pleased with his fortune he can forward the money according to directions on the certificate and secure the
