W. J. STABLE, EDITOR AND PROPRIETOR. GETTYSBURG, PA.

MONDAY MORNING, MAY 29, 1865.

Democracy, a sentiment not to be appailed, corrupted or compromised. It knows no baseness, it cowers to no danger, it oppresses no weakness. Destructive ontiment of freedom, of equal rights, of equal obligations-the law of nature pervading the law of the land.

The trial of the assassination conspiastors is still in progress at Washington. The testimony for the prosecution has been concluded, and that for the defence commenced,

A special dispatch to the New York News says a change in the Cabinet undoubtedly will soon take place, as a conflict is inevitable if there is such a disposition on 'the part of the Executive as is reported .--It Stanton and Welles get their walking papers, the nation will rejoice.

President Johnson announces in his proclamation that the United States Courts days for their ignorance, their arrogance, will be re-established at once in the several and their political brawling, and who dese- More Trouble with the Negroes in Pasinsurgent States. This is virtually a pledge crate the pulpit in assuming to be the teachthat martial law and military Governorship ers of the doctrines of the blessed Redeemare to endure no longer than they are abso er, the Prince of Peace. We heard of a lutely needed as agencies of reorganization, The Albany Journal says this "is a rebuke to the Butlerites, who demanded a satrapy in every Southern State, and the Sumnerites, who argued that because of rebellion. those States had ceased to exist."

General Sherman and the War Department. -The Washington Star of Wednesday bloodhounds of Zion."-N. H. Patriot. evening makes the following statement as to the relations existing between General Sherman and the War Department:

"There is a current report amongst newspaper men to-day, that Major General Sherheroundly abuses the War Department and quotes Shakespeare to a considerable exmith the rebel General Johnston.'

far and wide when he says :-

"The most despionble men are those vile pelieve that such men secretly rejoice over the foul deed. The eaverness with which

A delegation of colored people recently called on President Johnson, who received them with a short speech. In the to the public: course of his remarks he took occasion to A prominent eastern newspaper charges threatened. A crowd of darkeys, consistgive them some very good advice, and to that our officers at Charleston have been intimate that he didn't consider them much guilty of robbery in taking plate, books, superior to white people. If, upon trial, it ses. It is too late in the day to enter combining and yelling, and making all kinds of that the two races could not get plaint in this matter. The evil has been along in harmony together, he hoped to see done, and it is now past remedy. There the time when the blacks would be collected are men in Chicago who have been three selves defeated here, some of the in a country by themselves.

took the oath of office and entered upon his at least a competence.

A plot of the negro soldiers at Memphis, to murder every Confederate paroled prisoner there, was discovered and thwarted had been placed on guard, and when the bold to say: negroes attempted to sally from their quarters, they met a determined resistance. In then they have been strongly guarded.

would be sent South during the evening, se they have been prohibited from going North by the War Department.

Boston, May 25 .- The United States gunbost Tuscarors, from Fortress Monroe, with Alex. II. Stephens and "Postmaster General" Reagan on board, arrived below shis morning, and is anchored in the Narrews. The rebel party will be lodged in Post Warren to-day.

ter the assassination :

"I had noticed by the papers for a week policy that would eventually bring those scoundrals down South back, and give them again the right of enfirege, and when I heard of the assassination, I just thought to myself, that God, in H is inscrutable Providense, had taken him (Lincoln) off just

about the right time." The number of the clergy who have inculested the same idea is very large. They trick of Columbia, and the jurisdiction of tual service in time of war or public danger." and the Radicals for whom they speak, are the court, killing citizens and destroying Such persons exercising such unlawful property, Brecking being present and jurisdiction are liable to indictment by you, murder of the late President.

An Abolition croaker claimed that lition press of the country cease to howl uo excitement in the court room, over such a remark if made by a Democrat? time. Circumstances siter cases.

In secret and at night.

THE GRAND REVIEW.

The grand review of the armies at Washington began on Tuesday. It was witnessed by an immense concourse of people. The column started at nime o'clock A. M., and marched along Pennsylvania avenue. General Meade and staff headed the line. First in review came Sheridan's cavalry corps, Tenth, and the Second corps of the Army

in it. On Wednesday, Gen. Sherman's army that of the Army of the Potomac. The col- that he had mistaken his man, was terrible. Sherman rode at the head of his army, ac dent Johnson gave evidence that abolitionism had but little of his sympathy; and Howard. The Army of the Tennessee, had a duty to perform in serving the Union, composed of two corps, headed by Major not in erecting one to suit the utopian Generals Hazeen and Biair, marched first, views of men who would set aside all the It was followed by the Army of Georgia, order to mould one to suit their own selfish headed by General Slocum, the corps—the and sinister views. In a word, he gave evprocession took up six hours.

Spectacles so grand were never before soldier.

## SHARP RETORT.

The term "copperhead," applied indismost venomous reptiles known. And yet afraid of meeting rancor than by the very trifling, two-penny men pre-eminently distinguished now-apretty keen reply a day or two since, by a curred yesterday afternoon about five o'venerable Democrat, to one of these fana- clock, in the neighborhood of Eleventh and tics, who addressed to him the question Pine streets. The trouble was caused by do not call myself so, but understand to ed to leave, and refueing to do so, the conwhom you refer. I will answer by saying, ductor jumped the car from the track, and I hope at least as calm and forgiving as the left it standing on the side of the street.

In Philadelphia, last week, a man n Philadelphia, last week, a man ing on their way home from a fire in the named Simon Snyder (a name historically reverenced in Pennsylvania) was struck. The street being blocked up with cars, paper men to-day, that Major General Sher-through instance, by anomaly in their apparatus. The firemen at oace saw man has written a long letter for publication by the cry of "copperhead" was raised, and the cause of the disturbance, and undertook, tion, dated at his camp, near Alexandria, an excited crowd became wild in their efand addressed to S. M. Bowman, in which forts to kill him under the impression that forts to kill him, under the impression that negroes from the second car. The latter he had said something disrespectful of Mr. resisted, and one of them had a saw in his quotes Shakespeare to a considerable extent, appropos to the disapproval by the Lincoln. Fortunately an officer was pressive on the disapproval by the Lincoln. Fortunately an officer was pressive also a police officer, there being only one or Government of his terms of parification ent, the local telegraph was set to work, two on the ground at this time. The dar-Well Pul.—A Western contemporary hits man efforts the man's life was saved, though the car passed on. This created a great his person was seriously injured. It turned excitement, and blacks by scores came pourout, on inquiry, that he was a warm friend the neighborhood, and prepared themselves demagogues who are engaged in making of Mr. Lincoln, had voted for him in 1860 for a fight. Every car that came along was political capital out of the mutilated body and 1864, and deeply regretted his death.—
