 From Harry Siekler, Esg., the able editor of the Tunkhannock Democrat, Pennyltania.
 Our only child, about three years of arge, was attacked by pimples on his forchead. They raphily spread until they formed a loathsome and virulent sore, which covered his face, and actually blinded his eyes for some days. A skilful physician applied intrate of silver and other remedies, without any apparent effect. For facen days we gunrided his hands, lest with them he should tear open the fes-tering and corrupt wound which covered his whole face. Having tred every thing else we had any hope from, we began giving your SAUS VARILLA; and applying the iodice of patisch foliton, as you direct. FOR MILCH COWS.

The property this Powder possesses in intreasing the quantity of Milk In Cows, gives it an importance and value which should place it in the hands of every person keeping a Cow. By actual experiment it has proven that it will increase the quantity of Milk and Grean twenty per cent., and make the Butter firm and sweet. In fattening Cattle, it gives them an appetite, loosens their hide and makes them thrive much faster. HOGS.
