dectors' bills and newspaper bills are the last accounts in the sum of almost every man's in-debtedness which he thinks of paying. What-ever may be his ability to pay, no difference if bis chest be filled with old rusty dollars, he thinks some indefinite time will do to settle the aforesaid accounts. People somehow have a traditionary notion that the practice of a pby-pician and the publishing of newspapers are - WHEAT, RYE, sician and the publishing of newspapers are mere amature professions, followed for amusement's bake and for the cost of which little or nothing is expected. Yet there is not in the whole round of business, as far as we know, a more expensive employment than that of Sides, Potatoes, with everything else in the country produce line. publishing a newsmaper." ON HAND, FOR SALE,

a more expensive emproyment that the start is the start i be the legal holiday, and any such paper, &c., which falls due on any of the days thus set spart as holidays, is to become due and paya-ble on the succeeding Tuesday. This law makes effect on the first day of August next.

COLONEL BOWMAN .- Col. Bowman, to whom General Sherman addressed his recent letter exceriating Stanton and Halleck, is said to be the former Superintendent of West Point Academy, who was removed from that position Academy, who was removed from that position pleanse be invited Gen. McClellan to deliver the oration at the laying of the corner stone to the solciers from the Academic other articles in this line—all received in the sevent manufacture of the solciers from the Academic other articles and sold at the lowest profits.
