U. S. 7-30 Loan! THIRD SERIES, \$230,000,000.—By author-L ity of the Secretary of the Treasury, the undersigned, the General Subscription Agent bearing seven and three-tenths per cent, interest per annum, known as the

7-30 LOAN. These notes are issued under date of July 15, 1865, and are payable three years from that dute in currency, or are convertible at the option of the holder into

U. S. 5-20 Six per cent.

GOLD-BEARING BONDS. These Bonds are now worth a handsome oremium, and are exempt, as are all the Government Bonds, from State, County, and Municipal taxation, which adds from one to three per cent. per annum to their value, according to the rate levied upon other property. The interest is payable demi-annually by coupons attached to each note, which may be cut off and sold to any bank or banker. The interest at 7-30 per

cent, amounts to One cent per day on a \$50 note. Two cents " " \$100 " " \$500 " Ten " \$1000 " " \$5000 "

-Notes of all the denominations named will be promptly furnished upon receipt of sub-

The Notes of this Third Series are precisely similar in form and privileges to the Seven-Thirties already sold, except that the Government reserves to itself the option of paying interest in gold coin at 6 per cent., instead of 73-10ths in currency. Subscribers will deduct the interest in currency up to July 15th, at the time when they subscribe.

The delivery of the notes of this third series of the Seven-thirties will commence on the 1st 5000 sets Solitaire Sleeve-butof June, and will be made promptly and continuously after that date.

The slight change made in the conditions of this THIRD SERIES affects only the matter of interest. The payment in gold, if made, will be equivalent to the currency interest of the

higher sate. The return to specie payments, in the event of which only will the option to pay interest in Gold be availed of, would so reduce and equalize prices that purchases made with six per cent. in gold would be fully equal to those made with seven and three-tenths per cent in currency. This is

Less than \$230,060,000 of the Loan authorized by the last ongress are now on the market. This amount, at the rate at which it is being absorbed, will all be subscribed for within sixty days, when the notes will undoubtedly command a premium, as has uniformly been the case on closing the subscriptions to other Loans.

In order that citizens of every town and section of the country may be afforded facilities for taking the loan, the National Banks, all European manufacturers, have resolved State Banks, and Private Bankers throughout upon a great GFT APPORTIONMENT to be the country have cenerally agreed to receive divided according to the following regulations: subscriptions at par. Subscribers will select their own agents, in whom they have confia Sub-Bass and Octave Couplet, making it an dence, and who only are to be responsible for to choice, and sent by mail, thus showing no instrument especially adapted to Church and the delivery of the notes for which they re- favoritism. Arrand de & Co, at No. 167 Broadway. They
have an immense stock of articles, varying in
value, and all are offered at one dollar each. The distribution is very fairly done-you agree to take a certificate of a certain article, enclosed in an envelope, and are not required to pay your dollar unless you are satisfied with the article, which will certainly be worth more than that amount, and may be \$50 or \$190.—
An excellent mode this of investing a dollar.
