The property this Powder possesses in in-creasing the quantity of Milk in Cows, gives it an importance and value which should place it in the hands of every person keeping a Cow. By actual experiment it has proven that it will increase the quantity of Milk and former treasts par cent, and make the Butter Grean twenty per cent., and make the Butter firm and sweet. In fattening Catle, it gives them an appetite, loosens their hide and makes them thrive much faster.
