A GRICULTURAL FAIR.

The Managers of the Adams County AGRICULTURAL SOCIETY have the pleasure of announcing to the public that the FAIR will be held at the BENDERSVILLE GROUNDS, on TUESDAY, WEDNESDAY and THURS-DAY, the 19th, 20th, and 21st days of September next. Until that time the Grounds will be spen to all, (subject to the regulations of the Managers) on the FIRST and THIRD SAT-URDAYS of each month, for exercising and training horses, and for pleasure driving. The public are invited to bring along their fast horses and fancy horses to develop their muscle and exhibit their netivity and metal on the turf. Gentlemon, bring with you your wives, turf. Gentlemon, bring with you your wives, your daughters and acquaintances. 'Upon the Ladies, the a great degree, depends our success. If they will participate and assist, we feel certain that the Fair will excel any one previously held, and be an oreasion of which the people of Adams County may be proud. These occasions will divert the mind from the regular routine of every day life and be conducive to health and strength.

Co'clock, P. M., on each of the said days, discussions will be opened on Agricultural subjects, which will also be held on the Fair Grounds. The public generally, and especially the laffies, are invited to be present and participate in these discussions, which are intended for the diffusion of knowledge on the subjects of Farming, Gardening, Fruit Growing, &c., in HirAM GRIEST, Pres't.

We wish farmers to take especial notice, Caps, Boots, Shoes, &c., which we will sell at reduced prices.

NADULTERATED,
MANUFACTURED BY THE
BUSTON MILLING AND MANUFACTURING COMPANY.

The value of unburnt, nandulterated Bone, is well known. When reduced to the condi-tion of FLOUR, it is as active as if dissolved with acid, and is far better, because it retains all its Phosphates. Its superiority over the

its genuineness.

In poor, low-spirited animals, it has the most beneficial effect.

The property this Powder possesses in increasing the quantity of Milk in Cows, give it an importance and value which should place it in the hands of every person keeping a Cow. By actual experiment it has proven that it will increase the quantity of Milk and Cream twenty per cent, and make the Butter firm and sweet. In fattening Cattle, it gives them an appetite, loosens their hide and makes them thrive much faster.
