ALLCOCK'S POROUS PLASTERS.

A Druggist said the other day, you have no need to advertise your Porous Plasters, for every one sold certainly causes a dozen to be sold, and a dozen sells a gross, and so on.—You will not be able to supply the demand soon. But we can supply a thousand yards a day.

AFFECTION OF THE SPINE CURED.

Hartford, Conn., Nov. 11, 1861.

Messrs. Thos. Allcock & Co.—Please send, with dispatch, twelve dozen Allcock's Porous Plasters. Our daily experience confirms their very superior excellence. At this moment of writing, a man applies for one, who, by entanglement in the shaft or machinery, had both [illegible] broken, spine severely injured, and was for nearly a year entirely helpless. This man found relief very soon by the application of a plaster to his spine. He was soon enabled to work, and now he labors as well as ever.—He would cheerfully pay $5 for a single Plaster if they could not be had at a lower late. I am surprised that surgeons do not make use of these perforated plasters, to the exclusion of all others, as their flexibility and adhesiveness are greatly in advance of all other plasters with which I am acquainted; while the perforations peculiar to them render them greatly superior to all others for ordinary surgical uses. Knowing the Plasters to be so useful, I have no scruples that my sentiments should be known. J. W. JOHNSON, M. D.

A FEW REASONS WHY THE

AMERICAN WATCH

IS THE BEST.

It is made on the best principle, while the foreign watch is generally made on no principle at all. The foreign watch is mostly made by women and boys, BY HAND. While their labor is cheap, their work is dear at any price. Such watches are made without plan, and sold without guarantee. They are irregular in construction, and quite as irregular in movement. They are designed only to sell, and the buyer is the party most thoroughly sold. Those who have kept "Geneves," "Repines" and "Swiss levers" in professed repair for a few years will appreciate the truth of our statement.

THE PLAN OF THE AMERICAN WATCH.

Instead of being made of several hundred little pieces screwed together, the body of the American Watch is formed of SOLID PLATES. No jar interferes with the harmony of its working, and no sudden shock can throw its machinery out of gear. In r ding or any business pursuit, it is all held together firmly as a single piece of metal. It is just what all machinery should be—

1st. ACCURATE. 2d. SIMPLE. 3d. STRONG. 4th. ECONOMICAL.

We not only secure CHEAPNESS by our system, but QUALITY. We do not pretend that our Watch can be bought for less money than the foreign *make-believes*, but that for its real value is sold for one-half the price.

OUR SOLDIER'S WATCH (named Wm. Ellery) is what its name indicates—Solid, Substantial, and always Reliable—warranted to stand any amount of Marching, Riding or Fighting.

OUR NEXT HIGHER QUALITY OF WATCH (named P. S. Bartlett) is similar in size and general appearance, but has more Jewels, and a more elaborate finish.

OUR LADIES' WATCH, recently brought out, is put up in a great variety of patterns many of them of rare beauty and workmanship, is quite small, but warranted to *keep time.*

THE PROOF of the merits of our Watch may be found in the fact that we now employ over seven hundred workmen in our factories, and that we are still unable to supply the constantly increasing demand.

OUR THREE-QUARTER PLATE WATCH is thinner and lighter than the others we have described. Its fine chronometer balance is delicately adjusted to correct the variation caused by changes of temperture. These watches are made by our best workmen, in a separate department of our factory. For the cool, time-keeping qualities they challenge [illegible] with the best works of the most famous [illegible] and Swiss makers.

IS YOUR LIVER OUT OF ORDER?

It is a difficult thing to keep the liver in good order in this changeable climate. It is sometimes too active, and sometimes too indolent. In either case a disordered system is sure to be the consequence. Your liver must act with regularity if you enjoy health; and to restore that regularity of action when lost, there is nothing so effective as Radway's Regulating Pills. A disordered liver leads to quite a number of serious disorders. The jaundice, the rhematism, the fever and ague, and many other bilious afflictions all accompany such a condition of things. Resort immediately to the use of Radway's Regulating Pills. They never fail to remove the cause of all such trouble. They are compounded of the rarest medicaments known to pharmacy, the very essence which, and not their coarser substances, are employed by Dr. Radway. Hence, his Regulating Pills have a peculiarly subtle power in thoroughly searching out disease, and expelling it from the sphere of every embarrassed organ. They do not distress the delicate coats of the stomach, occasioning gripes, pains, tenesmus, and so on, by their irritating operation, as too many other pills do. They purge gently, regularly, and without straining. They leave no weakness behind them. They are pleasant to take, and cost but 25 cents a box—a quantity which may last you for six months, and will be found useful in many "of the ills that flesh is heir to," besides liver complaints. Your bilious ness will vanish as soon as you take a dose or two. Your disordered liver will be restored to a proper sense of its duty.—You will be a well man or woman. Sold by druggists. Communicated.

Died, on the 8th of November, 1864, at Andersonville, Georgia, Military Prison, SAMUEL FRIED, of Franklin township, Adams county, Pa., Private of Co. B, 53d Pa. Infantry. Whilst engaged charging the enemy's works, he was captured on the 16th of June, 1864. He leaves a wife and two children to mourn his loss. We trust that God has seen fit to remove him from this world into a world that is more happy and more holy than this sinful one. There is no doubt that he is now happy in heaven, walking up and down the golden streets of the new Jerusalem. He had his trials and afflictions, and at last had to starve to death in a filthy prison, and in the hands of murderous rebels. It is confidently trusted that he is now at rest and at peace with God, and is now with his dear little brother Emanuel, enjoying the happiness of heaven. No doubt he is looking for his friends to come and join in that happy band of saints and angels around God's throne. He is looking for his dear little children which he provided for whilst he was yet in this world. No doubt his last words or thoughts were of dear little Annie and Johnny. Peace be with him forever in eternity. Amen.
