Sept. 18. 1m A FRE REASONS WHY THE AMERICAN WATCH

Is THE ARET.
It is made on the best principle, while the foreign watch is generally made on no principle at all. The foreign watch is mostly made by women and boys, BT HAND While their lahor is cheap, their work is dear at any price. Such watches are made without plan, and sold without grearantee. They are irregular in construction, and quite as irregular in movement. They are designed only to sell, and the buyer is the party most thoroughly sold. Those who have kept "ancres," "lepinea" and "Swiss leyers" in professed repair for a few years will drawing room. For sale only by appreciate the truth of our statement.

No. 18 North Seventh St., Philadelphia.

Lustead of being made of several hundred little pieces acrewed together, the body of the American Watch is formed of SOLID PLATES. No jar interferes with the harmony of its working, and no sudden shock can throw its ma-chipary out of gear. In riding or any business pursuit, it is all held together firmly as a sinsing, and he sadden shock can throw its mashipsry out of gear. In riding or any business
