Democrate 1 We have cheering news from all parts of the State. Philadelphia cannot

give, by several thousands, her Abolition majority of last fall. Allegheny county will

fail off equally as much, while Bradford, Crawford and other strong-holds of the

"black conterheads," will dwindle consid-erably. We must guard against apathy and

count on that, and that alone, to give them

success. Let every voter who reads this article get ready to go to the election to-morrow ! Nay, let him not only be ready

He has had a circular printed con-taining this affidavit, and is now baying it Conventions have set Stanton above the President, and four others have endorsed negro suffrage, to which Johnson is opposed, negro suffrage, to which Johnson is opposed: No Democratic Convention has thus "op-posed the Government."
