4. S. STARLE, EDITOR AND PROPRIETOR. GETTYSBURG, PA.

MONDAY MORNING, OCT. 30, 186h.

Senator Wilson on the Public Bebt.

Senator Wilson, of Massachusetts, made the feelings of the Stevens politicians; a speech in Brooklyn, the other night, in Correspondence of Dana's Chicago Republican. Maryland Railroud. which he said that the public debt must be "funded at a small rate of interest," and he "believed that if the matter were wisely believed that if the matter were wisely still in the times of Pierce or Buchanan-managed it could be done at the rate of Free State influence has again been sudthree per cent." This would be equivalent denly wiped out. Slavery politicians are there, that 4,000 were Germans. Three ident has just directed the removal of Mr. to a repudiation of one half the debt. The once more in the ascendart. It is no use point thus made by Wilson is commended arguing at Washington about millions slain point thus made by Wilson is commended point thus made by Wilson is commended and millious wasted in the war, and about to the consideration of those Republicans other trifles of the kind. True enough, who have charged the Democracy with in- the armies of the slaveholders' rebellion tending to repudiate our national obligations. How do Republican bund-holders . like "the picture drawn" by one of their own party leaders?

The Blairs All Right! tion of the Republican party. This is mere affectation. The Blairs were the fathers of the Republican party. Old Frank Blair's genius moulded it and gave it vitalfall than its abondonment by these men. They will, of course, be abused by the Ablitical house they were instrumental in building.

.Who Support President Johnson?

Thaddeus Stevens, in his speech in this place shortly before the late election, the inmates of which nurse the illusion roughly denounced President Johnson's policy in his dealings with the Southern lated by the war and slavery abolished. people, characterizing it thus:

"This plan (the President's restoration policy) has the full approbation of all the rebels and rebel sympathizers, of the whole copperhead party, of such Republicans as are naturally parasites, and of such public journals as publish by authority." This sentence is an authoritative defining

Rebels, "Copperheads," and those Repub-President's policy—the rest of the Republican party oppose and condemn it. This language is plain and unmistakable.

Which horn of the dilemma do the Republicans hereabouts sit upon?

Negro Rebellion Urged, .

lowing "loval" sentiments;

right to one box, and that is the cartridge election board to stop the progress of the box; but there are two other boxes you polls to try a fact like that of an illegal ought to claim, one of which is the ballot draft and failure to report. They have no box and the other the jury box. If the jurisdiction of any such question, there bewhite people fail to give you these, and if ing no distranchisement arising in the Conyou cannot get them in a peaceful way, I ad-vise you to arm yourselves and demand your full rights from the government."

stitution for any such cause.

Notwittstanding the plain
tion officers on this subject

A Duty.

Let every Democrat support his local paper. Let him throw all the printing and taken by the Judges on entering upon advertising he can to its office. Encourage and strengthen it. Remember that the to contend with. Money, rower and an immense annual patronage. Let every true Democrat who loves his principles rally to the support of the Democratic press. Now is the time to make the effort. A gubernatheir local presses, all will be well.

The Scnatorial Election.

But two soldier votes were returned in this county, and, it is said, but five in for the Senate 27.
