Grand Jury Report.

TO the Honorable the Judges of the Court of Quarter Sessions of Adams county:

The Grand Jury attending the present session, having visited the Jail and Alms House, respectfully report, that they found the Jail in a good and cleanly condition, under the superintendence of Sheriff Rebert and family.

They take pleasure also in stating that the Alms House buildings are in comfortable condition, but find the cook stove insufficient for the cooking department. We found the apartments of the invalids and infirm inmates well provided for, and the entire institution manifesting the good care, kind attention, and prudent management of the Steward, Jonas Jones, and family.

All of which is respectfully submitted.

New Skirt for 1865-6.

THE GREAT INVENTION OF THE AGE IN HOOP SKIRTS.—J. W. BRADLEY'S New Patent DUPLEX ELLIPTIC (or double) SPRING SKIRT.—This invention consists of Duplex (or two) Elliptic Pure Refined Steel Springs, ingeniously braided tightly and firmly together, edge to edge, making the toughest, most flexible, elastic and durable Spring ever used. They seldom bend or break, like the Single Springs, and consequently preserve their perfect and beautiful Shape more than twice as long as any Single Spring Skirt that ever has or can be made.

The wonderful flexibility and great comfort and pleasure to any Lady wearing the Duplex Elliptic Skirt will be experienced particularly in all crowded Assemblies, Operas, Carriages, Railroad Cars, Church Pews, Arm Chairs, for Promenade and House Dress, as the Skirt can be folded when in use to occupy a small place as easily and conveniently as a Silk or Muslin Dress.

A Lady having enjoyed the Pleasure, Comfort and Great Convenience of wearing the Duplex Elliptic Steel Spring Skirt for a single day will never afterwards willingly dispense with their use. For Children, Misses and Young Ladies they are superior to all others.

The Hoops are covered with 2-ply double twisted thread and will wear twice as long as the single yarn covering which is used on all Single Steel Hoop Skirts. The three bottom rods on every Skirt are also Double Steel, and twice or double covered to prevent the covering from wearing off the rods when dragging down stairs, stone steps, &c., &c., which they are constantly subject to when in use.

All are made of the new and elegant Corded Tapes, and are the best quality in every part, giving to the wearer the most graceful and perfect Shape possible, and are unquestionably the lightest, most desirable, comfortable and economical Skirt ever made.

WESTS, BRADLEY & CARY, Proprietors of the Invention, and Sole Manufacturers, 97 Chambers, and 79 & 81 Reade Streets, New York.

For sale in all first-class Stores in this City, and throughout the United States and Canada, Havana de Cuba, Mexico, South America, and the West Indies.

Cartes de Vis., or plain, single copies, 35c. or 4 for	1 00

In addition to the above every picture will be neatly tinted without extra charge.

There is a feature in the above to which I wish to direct special attention, viz: I will make four Vignettes, or three plain pictures from the first negative. Heretofore it has been a rule not to make less than six of one and four of the other.

I take this opportunity to thank the citizens of Gettysburg and the public generally, for the VERY LIBERAL patronage extended to the "Excelsior," since its establishment, and hope by strict attention to business, coupled with the advantage of over ten years uninterrupted practice of the art, to merit a continuance of the same.

Successor to the Firm of Tyson Bros.,

UNLESS YOU WANT TO
SAVE MONEY!

How sad! how heart-rending are the evils of War! Now that Peace has been restored the universal cry is, How long! How dear! How are we to live! Will the exorbitant prices for the necessaries of life never decline? From the remote corner of Adams county, in the small but prosperous town of Fairfield, comes the welcome messenger with tidings of better days.

☞ READ AND PROFIT. ☜

DANNER & SHIELDS have just returned from the eastern cities, (having allowed their stock of goods to be very much reduced waiting for a decline in the markets.) The time at length arrived, they availed themselves of the opportunity, hastened to the city, and are now prepared to supply the wants of the needy.—Our stock of LADIES' GOODS is better than ever before. That for the GENTLEMEN is unsurpassed. To enumerate would be superfluous.

"QUICK SALES AND SMALL PROFITS," is our motto. Our stock being selected with care, we here assert that we are enabled to sell as cheap, and we think cheaper, than can be bought anywhere else in the county. Close buyers particularly, will find it to their advantage to give us a call before purchasing elsewhere.

☞ Country produce taken in exchange for Goods. Thankful for past favors we hope to merit a continuance of the same.
