Conscience Money.

The total amount of conscience money received at the Treasury Department for the year ending with June last was \$20.875. It was received in sums varying from 50

cents to \$500. The above announcement is made by telegraph from Washington. It is decidedly suggestive. If over \$20,000 has been returned to the United States Treasury by loyal thieves within a year, in petty sums of from 50 cts. to \$500, how much must unduring that time, or during the reign of And then you can occasionally lay out a the loyal party?
