The grat superiority of these Powders over all others arises from the fact that they are compounded of medicines that have laxative, tonic and purifying properties. The laxative removes all impurities from the

stomach and bowels : the tonic adds new tone and vigor to the system of the horse by which the appetite is wonderfully improved, and the puritying medicines contained in them cleanse the blood from all impure matter, and give a healthy and vigorous circulation; they also improve the wind, and are a sure preventive st Lung Fever, Yellow Water, Founder, Long of Appetite, and many other diseases incident to the Horse. It is also invaluable is a Condition Powder

for Cows, increasing the flow of milk and preventing disease. All persons owning cows should ask for STONEBRAKER'S HORSE & CATTLE POWDERS, as it is very important, through the winter that they should be used to improve the condition of the cow.
