the Expectorant for our home consumption it was not our intertion nor our desire to put it the Digestive Organs are corrected, and the before the public as a 'cute-all," nor to pub-lish a long list of testimental," nor to publish a long list of testimonials as an evidence coming lively and spirited. It softens the skin, giving the hair a fleck and shining apof its curative properties, but the demand for t being so great and decidedly on the increase, pearance. The great superiority of these has induced, and in fact compelled us to pre-pare it on a much larger scale, and also to Powders over all others arises from the fact that they are compounded of medicines that have lax tive, tonic and purifying properties. The laxative removes all impurities from the establish agencies throughout this section of the country. All we ask is that those thus afflicted may tomach and howels ; the tonic adds new tone and vigor to the system of the borse, by which the appetite is wonderfully improved, and the give it a fair trial, that it may prove its many advantages over other preparations of a similar nurifying medicines contained in them cleanse the blood from all impure matter, and give a The price to , throws it within the reach of healthy and vigorous circulation; they also mprove the wind, and are a sure preventive of Lang. Fever, Yellow Water, Founder, Loss

loug, though for the most part two inches was the usual length, unless they were very large, and to be fed to sheep. Neat cuttle and horses will est them quite as well when cut two inches as if half an inch long. And it is much safer to cut them two inches long than half an inch, because when short, hard pieces are often crowded endwise between the teeth of animals, and splinters of the hard coating, which is almost like glass for hardness, will wound the gums, making the mouths so sore that animals will sometimes suffer with hunger before they will venture to eat cut stalks. Moreover, it is highly probable that these short, flinty chips with thin sharp edges, injure the intestines. - American Agriculturist.

A French chemist says that if tea be ground like coffee before hot water is put upon it, it will yield double the amount of exhilarating qualities.

Globe Inn,

YORK ST., NEAR THE DIAMOND, FITY SBURG, PA.—The undersigned would most respectfully inform his no-merous friends and the public generally, that he has parchased that long established and well known fiotel, the "Globe Inn," in York street, Getyrburg, and will spare no effort to monder is in a monart link will opticate couduct it in a manner that will not detrac its former high reputation. His table will have the best the market can afford-bis thankers are spacious and comfortable---nu backs and in the spacious and comfortable---nu backs laid in for his bur a full stock of wines and liquors. There is large stabling attached to the Hotel, which will be attended by stien-sive hostlers. It will be his constant endeavor to render the fullest satisfaction to his guests, making his house as near a home to them as possible. He asks a share of the public's pa-imaase, determined as he is to deserve a large. art of it. Remember, the "Globe Inn" is in Part of it. Hememuer, the Diamond, or Public Bauare. SANUEL WOLF.
