Constituted from first page the partie, soon the community, will re-

in of one er the other.

God knows I have no desire but the good of the whole human race. I would it were We that all you advocate could be done in the itwinkling of an eye. But it is not in the nature of things, and I do not assume of metend to be wiser than Providence. Of stronger than the laws of nature. Let u how seek to discover the laws governing this question. There is a great law controlling it. Let us endeavor to find out what that law is, and conform our action to it.

All the details will then properly adjust cretions, which is the chief cause of Nervousthemselves, and work out well in the end, God knows that anything I can do I will do Sick Stomach and other kindred complaints.

Anythma I can do I will do Sick Stomach and other kindred complaints.

Hundreds of Certificates can be Shown. that law is, and conform our action to it. to elevate the races, to soften and amelior are their, condition, I will do, and to be are adapted for all ages and constitutions.

thank you for the complement you have paid me.

Mr. Douglass—I have to return you our thanks, Mr. President, for so kindly granting at this interview. We did not come here expecting to argue the question with your Excellency, but simply to state what were out views and wishes in the premises aff we were disposed to argue the question, of course we would endeavor to controvert some of the residence you have assumed.

They are mild but certain is their operation—producing neither cramps, griping, pains or sickness. They may be taken by all ages, sexes or conditions without fear.

BRYAN'S LIFE PILLS, Cure fleadache.

BRYAN'S LIFE PILLS, Cure Giddiness.

BRYAN'S LIFE PILLS, Purity the Blood.

A Box of BRYAN'S LIFE PILLS will cost but TWENTY-FIVE CENTS, and will accomplish all that is represented. They are elegantly put up by the proprietor.

some of the positions you have assumed. Mr. Downing-Mr. Douglass, I take it that the President, by his kind expressions and his very full treatment of the subject.

The President-I thought you expected me to indicate, to some extent, what my views were on the subject touched upon in

your statement.
Mr. Downing—We are very happy in deed, to have heard them.

Mr. Douglass-If the President will allow me I would like to say one or two

words in reply.
The President—What I have done is simply to indicate what my views are, as I supse you expected from your address. Mr. Douglast-My own impression is that the very thing that your Excellency would avoid in the Southern States, can only be averted by the very measure that we propose; and I would state to my brother Luclegates that because I perceive the President has taken strong ground in favor of a given policy, and distrusting my own abil-ity to remove any of those impressions

sion of our thanks.
(Addressing the President.) But; if your to one matter, the enfranchisement of the black as a means of preventing the very thing which your Excellency seems to aprrehend—that is, a conflict of races.
The President—I repeat, I merely wanted to vindicate my views in reply to your address, and not to enter into any general controversy, as I could not well do so under the circumstances. Your statement

was a very frank one, and I thought it was due you to meet it in the same spirit.

Mr. Downing—Thank you, sir.

The President—I think you will find, so The President—I think you will find, so Box 5079. 442 Broadway, New York far as the South is concerned, that if you and they will be sent to you secure from obwill all inculcate there the idea in connection with the one you urge, that the colored people can live and advance in civilization to better advantage elsewhere than crowded together in the South, it would be better

The recent improvements in these instru ments are such as to fully warrant saying they are FAR SUPERIOR to any other make. One of the best evidences of their merit is, that their improvements are imitated by other makers. The new style, four stop organ, have a Sub. Base and Octave Couplet, making it an instrument especially adapted to Church and Sabbath School purposes.
