#### NEGRO EQUALITY.

The Republican party deny that they are in favor of negro equality, and yet all their Legislation, National and State, is pointed in that direction. During the discussion of the Sunday car question in the House at Harrisburg, an amendment was offered by Mr. Ruddimen Republican of Philadelphia, preventing nailroad companies from making the Erie City Passenger R. R./Co. being ander consideration, Mr. McCreary, Republican, offered the same amendment, which was also adopted. These instances ashow, is an unmistakable manner the to force it into a practical shape by legjelation.

Gains and Victories Everywhere! The Democrats have made a clean sweep

I'ne Democrate have carried Albany, N. Y., by between seven and eight hundred. Trenton, Jersey City, Hoboken, Lambertaville, and others of the principal towns in New Jersey, have gone Democratio. In Cincinnati, Ohio, the Democrats have

the Johnson platform. The Democrats have carried St. Paul. Minn., by 1,357 majority. Leavenworth, Kansas, has elected the

Conservative ticket over that of the Pomeroy Radicals, by 1,710 majority-a most substantial victory for the President.

Inwa city, Iowa, has gone Democratic by about 100 majority—a large gain. Omaha, Nebraska, ditto.

Aurora, Ill., formerly a Republican stronghold, has chosen a Democratic Mayor. The issue was Johnson and Anti-Johnson. Indeed, all the local elections in the West to fifteen; all the Rudicals voting aye, and show heavy Democratic gains.
