were cough, and usually two or three times a year cough, and usually two or three times a year with more or less bemorrhage, which together, fer thelast few years, has kept me thin line and too weak to do business of any kind without suffering. In August last I had a very severe hemorrhage, and, according to the judgment of a good New York physician, I the judgment of a good New York physician, I was classed as beyond the reach of medicine, and was advised to be prepared, so far as property matters were concerned, to leave this world at short notice. The physician (and my good friends) said that the first cold I took must prove fatal. Early in Jonuary I took as severe cold, and fortunately was occupying rooms at No. 32 BOND STREET, directly overware office. I think short the lifth of Japanary your office. I think about the 10th of January I procured a bottle of your Pulmonic Syrup and commenced taking it freely. My feet and limbs were very much swollen, and, all the symptoms of a speedy death seemed to accom-pany my cold. I sent for my former physician, and stated to him that I was taking your mediand stated to him that I was taking your medicines, and after showing them to him, and having tasted of them, &c., he replied: "You can take them if you like, they will do you no harm." He said: "You know what I tall you last-summer, and I say the same now, if you have any business to close up, co not put it off." He said to other friends that he "could see no hope for me," and me fined and other forms." see no hope for me," and my friends and rela-tions ecucluded my time had come. At this 200 LBS. our hospituls, and also had the advice and treatment of two other physicians, but all to no purpose. During this long space of time I was nearly dead; several times my triends came to see me and witness my exit into the spirit-world. I was confined to my bed two months at one time. My breathing was exceedingly short. This Trade Mark was with difficulty that I could get up into his was with difficulty that I could get up into his reception room, I was so weak and so swelled; my skin was as sallow as though I had the winter is out Cartastre property, and we can be sent out in a strong it had the tion all manufacturers from using it in future. We would state to the trade and consumers, Schenck, after examining me, said both my that they will find it to their interest to see lungs were affected, and gave me but little that the "Trade Mark" is upon every bag and hope; but his medicines, in about two weeks, took right hold of me; it seemed to go right through my whole system. The Pulmonic Syrup, Sea-weed Tonic and Mendrake Pills, all took right bold in the right place. The Pills brought away great quantities of biland slime; the Syrup loosened the matter in my lungs, which came off very free; the Sea-Weed Tonic gave me an appetite, and every-

thing seemed to taste good. To show what great power the medicines have in purifying my system, and to show how bad I was diseased, beside all the bile that passed my bowels, and the great quantities of phlegin and matter I expectorated. I broke out all over in large boils, that would continue to gather and run for about six weeks, and I had at one time over twenty-five boils. I have PHILADELPHIA.

The great popularity of our article has been found sufficient inducement to certain imitators to manufacture and advertise "Raw Bone medicines enough. May God abundantly
