

CHERRY PECTORAL: For the Cure of COUGHS, COLDS. HOARSENESS, BROW-CHITIS, CROUP, ASTE-MA, WHOOPING-COUGH AND CONSUMPTION.

The uniform success which has attended the use of this preparation—its salutary effect—i a power to relieve and cure affections of the Lungs, bave gained for it a c. lebrity equaled by no other medicine. We offer it to the afflicted with entire confidence in its virtues, and the full belief that is will subdue and remove the severest attacks of diseases upon the throat and lunge. As these results become public, they naturally attract the attention of medical men and philanthropists everywhere. What is their opinion of Cherry

Pectoral, may be seen below.

VALENTINE MOTT. M D, Prof. Surgery Medical College, New York says: It gives me great pleasure to certify the value and efficient of Ayer's Cherry Pectoral, which I consider peculiarly stapted to cure diseases of the Throat and Lungs.

The Rt Rev Lord Bishop FIELD writes in letter to his friend, who was fast sinking under

en effection of the Lungs—
on effection of the Lungs—
Try the Cherry Pectural, and if any medicine can give
you relief, with the blessing of God that will. Chief Justice EUSTICE, of Louisians, write-

That a young daughter of his was cured of several vere attacks of CRoUP, by the Cherry Pecteral. ASTHMA and &RONCHIFIS -The Conschan Journal of Medical Science states.

That Asthma and Bronchittis, so prevalent in this inclement climate, have yielded with surprising rapidity to Ayer's Cherry Pectoral, and we can not too strongly recommend this skilful preparation to the Profession and sublic somesally.

Let the relieved sufferer speak for himself : Let the relieved sufferer speak for himself:

Dr. J. C. Ayer—Dear Sir: Having been reacued from a painful and dangerous disease, gratitude prompts me to send you this acknowledgment, not only in justice to you hat for the information of others in like affliction.

A slight cold upon the imme, neglected at first, became so severe that spitting of blood, a violent cough, and profuse night sweats followed and fastened on me. I became summanated, could not sleep, was distressed by my cough, and a pain through my chest, and in short had all the alarming symptoms of quick consumption. No medicine seemed at all to reach my case, until I providentially tried your Cherry Pectorial, which soon relieved and now has cured me.

Yours with respect,

Dr. Ayer, Lowell—Dear Sir: I was afflicted by Asthma
in the worst form, so that I have been obliged to sleep in
my chair for a larger part of the time, being unable to
hreather on my bed. I had tried a great many medicines
to no purpose, until my physician prescribed, as an experiment, your Cherry Pectoral. At first it seemed to make
me worse, but in less than a week I began to experience
the most gratifying relief from its use; and now, in four
weeks, the disease is entirely removed. I can sleep on
my bed with comfort, and enjoy a state of health which I
had never expected to enjoy. GEO. S. FARRANT.
