Wit and Humor.

TENNESSEE ANECDOTE.—At a sale the other day in the good old Democratic county of Caswell, the auctioneer commenced by saying—"Let's see what you will give for this property these Whig times?" The corn sold for $4,60 per bbl.; the cotton 10 cents per bl. "Pretty good prices under a Tory administration," somebody remarked. "I like Gen. Taylor well enough," replied an old lady, "*but he had no business making coffee so high!*" I endeavored to explain that the high price of her favorite beverage was owing to an earthquake, which shook the berries from the trees before they were ripe. "No" said the old lady, "that's the way with you Whigs—everything you do that's mean you lay it to the Lord!"

VERY FUNNY.—The editor of the Columbus (Ga.) Times, whom we take to be of the male gender, appears to be in a very lamentable state of excitement about the admission of the State of California into the Union. In an article entitled "The Georgia Convention—Secession the Remedy," he twice earnestly puts the question, "What will the *women* of Georgia do?" And then immediately adds, "We can only answer for one—ourself; and every other *man* must answer on his own solemn responsibility." A more complete Hibernicism we have rarely read, for admitting, as on such testimony we are bound to do, the womanly nature of the writer of the article, we are still puzzled to understand how any "*other man*" can be a "woman of Georgia."

Important Correction.—The Charleston Mercury publishes a note from the notorious Mr. Rhett, correcting the report of a speech he lately delivered in South Carolina. He was represented as saying in substance. "We must secede, *South Carolina will lead off*—Georgia will go with her, &c." What he said was: "*Georgia will lead off*, South Carolina will go with her," &c.

The *erratum* touches the gist of the whole matter. But Georgia *wont* lead off, and South Carolina wont have to follow.

The only finished place in this country, says the Albany Dutchman, is *Lansingburg*. For the last twenty years there has not been a board added nor a nail drove in the whole place. A man undertook to repair his stoop last week, but was promptly arrested and sent to jail. The whole village still believe that De Witt Clinton is Governor of the State.

"Bathe every day!" exclaimed the widow Smashpipes, as she dropped the flat-iron upon the horse-shoe, and looked her neighbor Snubs right in the eye. "Why you don't tell! I never used to think of stripping my Jeems and giving him a right good wash but four times a year, once in the summer, once in the fall, and once in the winter! Howsomever, some children ketch dirt sooner than others."

Mind Your Dots.—A Kentucky member of Congress wrote to his wife on his arrival at Washington City, that he had "formed a connection with a very agreeable *Mess*, and expected to spend the winter very pleasantly." Unfortunately to the surprise and mortification of the good lady to whom he was writing, he inadvertently dotted the *e* in the word *Mess*.

Soaring up, Some.—The Reading, Pa., correspondent of the Tribune, relieves himself of the following:

"Yesterday it rained all day, but to-day Aurora stretched out her rosy fingers and pulled the gray, gauzy, misty night-cap, from the head of Mount Penn, washed her rosy face and snowy breast in trembling dew, and bathed her feet in the Schuylkill."

What did she wipe them with?

"So you would not take me to be twenty?" said a young lady to her partner, while dancing the polka, a few evenings ago. "What would you take me for, then?" "For better or for worse," replied he quickly—and they were recently married.—[N. H. Register.

A housemaid who was sent to call a gentleman to dinner, found him engaged in using his tooth brush. "Well, is he coming?" said the lady of the house, as the servant returned. "Yes, ma'am, directly," was the reply, "he's just sharpening his teeth."

Byron is said to have remarked that "the greatest trial to a woman's beauty is the ungraceful act of eating eggs." Some Yankee remarks that the poet could never have seen a lady hanging on by the teeth to a blazing hot corn cob!

Mrs. Speckles says that the best vegetable pill that has been invented is an apple-dumpling. For destroying a gnawing at the stomach, they are the only pill to be relied on.

When Haddix's wife kicked him out of bed, says he to his spouse: "See here, now you had better not do that again! If you do it will cause a *coolness*!"

Great Fortunes have been made in this country by the use of *Spinning Jennys*—Barnum is now trying to see what he can make of a *Singing Jenny*.

"Susannah" gets a deal of sympathy. The street musicians are constantly beseeching her to dry her tears.

If you would get a good start in the world, marry a widow with twelve children.

WELCH'S NATIONAL CIRCUS!

Re-organized, and being a combination of two Companies, Equestrian and Dramatic!

THIS Novel combination and *Double Troupe* will perform at Lewisburg, on *Wednesday* the 2d of October, for one day only, afternoon and evening. Afternoon performances commencing at 2½ o'clock, in the evening at 7 o'clock Doors open half an hour previous. Admission 25 cents to each Entertainment.

In the Equestrian department, one of the leading, and from their novelty, the most striking features, are the wonderful exploits of the wild rider, EATON STONE. This extraordinary equestrian, of whose skill and daring, volumes have been written wherever he has performed, appears in two distinct acts of horsemanship in neither of which does he use saddle or bridle on his superb steeds, though they are both as wild and apparently untameable as when first lassoed by him on the Pampers of South America. Their leaps are truly terrific, and it is impossible to describe the sensations of the beholder as he watches the motions of the horse and rider, which are in perfect unison, and which convey to the mind a strong picture of the CENTAURS of Heathen Mythology.

Master T. NEVILLE is another of the stars which form the brilliant Galaxy of Talent of which this great company is composed. He is everywhere admitted to be without a rival in his feats of equitation. Mr. CADWALADER the graceful and daring many horse rider, the established favorite of this company. Mr. E. DERIOUS, with his highly educated and superb stud of Lilliputian Shetland Ponies. The great and widely renowned Acrobats, the RIVERS FAMILY, whose pleasing and astonishing feats, have never been equalled in America; the accomplished equestrian and champion vaulter Mr. W. O. DALE. SAM LEE, whose herculean feats are the wonder and admiration of all who witness them. The juvenile, equestrian prodigies, Masters G. DERIOUS and B. WILLIAMS. Two great clowns, JOHN JASSOM and DAN GARDNER, whose unexceptionable wit and most approved good humor have placed them at the summit of the profession. Master of the arena, Capt. J. A. DECANE. The grand heroic equestric dramatic spectacle,

ST. GEORGE AND THE DRAGON,

or the 7 champions of Christendom, got up with the most lavish expense, with new and gorgeous dresses, properties and appointments of every sort, as performed for hundreds of nights at the National Ampitheatre, Philadelphia, will conclude each evening's entertainment.

☞ Post's celebrated Military Band will accompany the performance. Sept. 7—3w

IT IS A FACT,

ONE self-evident, and worthy of every consideration, that no Miller can make good clean flour without he has good clean wheat. I suppose you wish to know the remedy. I tell you—it is to get one of *Bergstresser's Wheat Scourers*, or Smut Machines. He being an old, practical and experienced Millwright has invented, got up and put in successful operation the best Wheat Scourer now in use. Any person ordering a machine and afterwards finding that it does not prove to operate as represented, there shall be no sale, as these machines are to be warranted good. Further recommendations are thought unnecessary. He is now having a supply made at Lewisburg, by Messrs. Geddes & Marsh. Orders for machines, or letters of inquiry, will be promptly attended to. Machines will be sent and put to all orders. Address

Ap 24 Reber & Iddings.

The Summer Session of the LEWISBURG ACADEMY,

WILL commence on MONDAY the 29th of April. Instruction will be given, as formerly, in all branches necessary to a thorough Academic course. Our endeavor shall not be simply to communicate knowledge, but to excite the youthful mind to act for itself. The kind of learning which most of our youths in this country need, is that solid literature, which, while it matures their minds, prepares them also for the practical duties of life.

Composition and Declamation will receive their full share of attention—particularly the former. The Primary Department shall have our special care. From the disposition manifested to sustain the Institution, the subscriber feels stimulated to renewed exertions.

The Session will consist of two *Terms* of 11 weeks each—a short vacation intervening. Tuition—$6 for the common branches, $8 for the higher English, and $10 for Languages, per Session—per Term, one half.

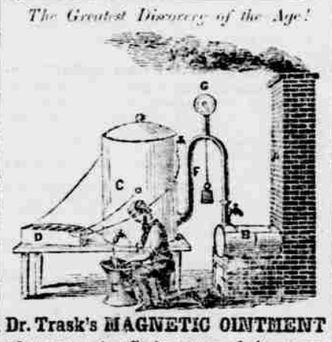
The Greatest Discovery of the Age!



Dr. Trask's MAGNETIC OINTMENT

IS constantly effecting cures of the utmost importance. The most credulous are convinced; the most faithless, compelled to believe in the power and virtue of this great remedy.

It is universally admitted to be the most *wonderful* combination known to the world for the *immediate* relief of disease and pain. It never fails while there remains sufficient life to restore a natural and healthy action to the capillary vessels of the body, and *equalize the circulation of the blood*. By this means, a controlling power is gained over the most malignant forms of disease, which can not be obtained from any other remedy. Such is the power of the combination, that it penetrates to every portion of the human frame; every bone and muscle, vein, nerve and ligament is searched out and made sensible of purification and healing influence. Hence it cures as readily with *internal* as external diseases.

Numerous instances are on record, where this remedy has restored health to patients so near the grave that the most powerful internal remedies failed to produce any effect. Such has frequently been the case in

Inflammation of the Bowe's.

No patient need die with this disease where the Magnetic Ointment can be obtained. That dangerous epidemic, known as the PUTRID ERYSIPELAS, can always be cured by this remedy. For

INFLAMMATORY RHEUMATISM,

this Ointment is the most complete remedy ever prepared. In 99 cases out of 100, it will afford *entire relief* to the worst cases of **Nervous Headache** in 30 minutes. For Nervous Diseases, this remedy is of immense value.

Affections of the Spine, Rheumatism, Lameness, Ulcerated Sore Throat, Bronchitis, Pleurisy, Croup, Chills, Cholera Morbus, Ague in the Face or Breast, Burns, Scald Head, Scrofula, Salt Rheum, Erysipelas, Inflamed Eyes, Fever Sores, &c., will be immediately relieved by the use of this remedy.

More News for the Sick!

CERTIFICATES AND TESTIMONIALS, Sufficient to fill every column of this paper, can be produced setting forth the wonderful virtues of

Dr. Swayne's celebrated Family Medicines.

Dr. SWAYNE'S

celebrated Compound Syrup of

Wild Cherry,

THE MOST COMMON SAYING IS

That I would not give one bottle of "Dr. Swayne's Compound Syrup of Wild Cherry" for half a dozen of any other preparations. I have tried all the popular ones, but this stands unrivalled for the cure of the following diseases, viz. *Influenza, Coughs, Colds, Consumption, Spitting of Blood, Palpitation of the Heart, Whooping Cough, Tickling or Raising sensation in the Throat, Bronchitis, Asthma*, or Weakness of the *Nervous System*, or impaired constitution from any cause, and to prevent persons from falling into a *Decline*, this medicine has not its equal, and when too much Calomel or Quinine has been used, this medicine will prevent its evil effects on the system and repair the biliary functions.

REMARKABLE CURE OF CONSUMPTION.

Abraham Hunsicker, 2 miles from Shippackville, Pa., contracted a severe cold, which settled upon his Lungs, attended with violent coughing great difficulty of breathing, an abscess formed in his lungs, and made its way through the side, and discharged large quantities of pus externally. This mournful state of things continued for a long time, until making use of Dr. Swayne's Compound Syrup of Wild Cherry, which performed a perfect cure.

Have you the Asthma, Liver Complaint, or Bronchitis? If so give this medicine a trial. It seldom fails to cure.

VERY IMPORTANT CAUTION.

Be very careful to enquire for DR. SWAYNE'S COMPOUND SYRUP OF WILD CHERRY, as some unprincipled individuals have stolen the name of Wild Cherry, thinking to borrow a reputation from that already established. Remember, the genuine is put in square bottles, covered with a beautiful wrapper, (steel engraving,) with the portrait of DR. SWAYNE thereon, also his signature: all others are positively *ficticious and counterfeit*."

Swayne's Celebrated Vermifuge.

"A safe and effectual remedy for Worms, Dispepsia, Cholera Morbus, sickly or Dispeptic Children, or Adults, and the most useful Family Medicine ever offered to the public."

Extract of a Letter to Dr. Swayne.

Dated, Andersontown, Indiana.

A man purchased a bottle of your Vermifuge the other day for his child, and by its use discharged sixty three of the largest worms he had ever seen. It is somewhat difficult to get the people try it, as they have been so often gulled by nauseous and worthless worm medicines. Yours being so very pleasant to the taste, at the same time effectual, I shall be able to dispose of a large quantity. Respectfully, yours.

TOWNSEND T. SHARP, P. M.

BEWARE OF MISTAKES! Remember, Dr. Swayne's Vermifuge is now put up in square bottles, (having recently been changed,) covered with a beautiful steel engraving wrapper, with the portrait of Dr. Swayne thereon. Bear this in mind, and be not deceived.

See that the name is spelt correctly—SWAYNE.

CLEANSE AND PURIFY.

DR. SWAYNE'S SUGAR COATED SARPARILLA EXTRACT OF TAR PILLS.

A mild and effective purgative, great purifier of the blood, they correct all the functions of the Liver, and as an alterative in Dropsical affections, they are very valuable. Giddiness of the head, dimness of sight depression of spirits, headache, &c., are cured by these purifying Pills. No medicine can have a better effect for monthly irregularities, which occasionally happen to women, they are perfectly safe, and will in conjunction with Dr. Swayne's Compound Syrup of Wild Chery, take all pain from every part of the system.

The above valuable medicines are prepared only by DR. SWAYNE, N. W. corner of Eighth and Race streets, Philadelphia.

Brandreth's Pills are sold at 25 cts per box (with full direction)

BY J. HAYES & CO., Lewisburg, and by ONLY one Agent in every town in the Union. Each Agent has a Certificate of Agency. Examine the box of pills always and compare it with the fac-simile labels on the Certificate of Agency. As there is a counterfeit of the new label out, this is of much importance, as there is a decided difference between the appearance of the true labels and those of the counterfeit. The counterfeit is done on stone; the genuine are done on steel. The appearance of the printing on the counterfeit is ragged and blurry; the genuine label is the very pink of neatness, both in printing, paper, and general execution.

Be very careful and go to the Agent, when you want Brandreth's Pills: then you are sure of the genuine article. When you purchase otherwise, inquire of the seller whether he knows the pills he offers you are the genuine Brandreth's! Every man knows whether the article he offers is true or false. Beware of cheats!

PURE FRESH COD

Liver Oil.

THIS new and valuable Medicine, now used by the medical profession with such astonishing efficacy in the cure of

Pulmonary Consumption, Scrofula, Chronic Rheumatism, Gout, general Debility, Complaints of the Kidneys,

&c. &c., is prepared from the liver of the COD-FISH for medicinal use, expressly for our sales.

[Extract from the London Medical Journal.]

C. J. B. WILLIAMS, M. D., F.R.S., Professor of Medicine in University College, London, consulting physician to the Hospital for Consumption, &c., says: "I have prescribed the Oil in above four hundred cases of tuberculous disease of the Lungs, in different stages, which have been under my care the last two years and a half. In the large number of cases, 266 out of 234, its use was followed by marked, unequivocal improvement, varying in degree in different cases, from a temporary retardation of the progress of the disease and a mitigation of distressing symptoms, up to a more or less complete restoration to apparent health.

"The effect of the Cod Liver Oil in most of these cases was very remarkable. Even in a few days the cough was mitigated, the expectoration diminished in quantity and opacity, the night sweats ceased, the pulse became slower, and of better volume, and the appetite, flesh and strength were gradually improved.

"In conclusion I repeat that the pure fresh Oil from the Liver of the Cod is more beneficial in the treatment of Pulmonary Consumption than any agent, medicinal, dietetic or regimenal, that has yet been employed."

As we have made arrangements to procure the Cod Liver Oil fresh from head quarters, it can now be had chemically pure by the single bottle or in boxes of one dozen each.

Its wonderful efficacy has induced numerous *spurious imitations*. As its success depends entirely on its purity, too much care can not be used in procuring it GENUINE. Every bottle having on it our written signature, may be depended on as genuine.

Pamphlets containing an analysis of the Oil, with notices of it from the Medical Journals, will be sent to those who address us free of postage.

TRICKS OF QUACKS.

LET EVERYBODY READ THIS CAREFULLY.—There is a Sarsaparilla for sale in the different towns called S. P. Townsend's Sarsaparilla. It is advertised as the ORIGINAL, GENUINE, and all that. This Townsend is no doctor and never was; but was formerly a worker on railroads, canals, and the like—yet he assumes the title of Doctor for the purpose of gaining credit for what he is not. He says "he has attended two medical schools, and practiced for fifteen years!" Now the truth is, he never practiced medicine a day in his life! Such *trifling, wicked* misrepresentations looks bad to the character and veracity of the man. I feel most sincerely, he had never made those statements of himself or of me. When will men learn to be honest and truthful in all their dealings and intercourse with their fellowmen! He applied to me Robt Clapp to assist him to manufacture his mixture, stating the large sums he would make, as an inducement to embark in the business. The men have been insulting and libelling me in all possible forms, in order to impress the public with the belief that the Old Doctor's Sarsaparilla was not the genuine, or *original Sarsaparilla*, made from the *Old Doctor's Original Receipt*. This S. P. Townsend says I have sold the use of my name for $7 a week. I will give him $500 if he will produce one single solitary proof of this. His statements of Thompson, Skillman & Co., are nothing but a tissue of falsehoods, simply made to deceive the public, and keep the truth down in regard to his *swindling, fraudulent* compound. This is to caution the public to purchase none but Old Dr. JACOB Townsend's Sarsaparilla, having on it the Old Doctor's likeness, his family Coat of Arms, and his signature across the Coat of Arms.

JACOB TOWNSEND

Old Dr. Jacob Townsend,

THE ORIGINAL DISCOVERER OF THE

Genuine Townsend Sarsaparilla.

Old Dr. Townsend is now about 70 years of age, and has long been known as the *AUTHOR and DISCOVERER* of the *GENUINE ORIGINAL "TOWNSEND SARSAPARILLA."* Being poor, he was compelled to limit its manufacture, by which means it has been kept out of market, and the sales circumscribed to those only who had proved its worth, and known its value. It had reached the ears of many, nevertheless, as those persons who had been healed of severe diseases, and saved from death, proclaimed its wonderful

HEALING POWER.

This GRAND AND UNEQUALLED PREPARATION, manufactured on the largest scale, and be called for throughout the length and breadth of the land, especially as it is found incapable of degeneration or deterioration.

Unlike young S. P. Townsend's, at improver with age, and never changing but for the better, because it is prepared on *scientific principles by a scientific man*. The latest knowledge of Chemistry, and the latest discoveries in the art, have all been brought into requisition in the manufacture of the Old Dr's Sarsaparilla. The Sarsaparilla root, it is well known to medical men, contains many medicinal properties, and some properties which are inert or useless, and others, which if retained in proportion to the rest, produce *fermentation and acid*, which is injurious to the system. Some of the properties of Sarsaparilla are so volatile, that they entirely evaporate and are lost in the preparation, if they are not preserved by a *scientific process*, peculiar only to those experienced in its manufacture. Moreover, these *volatile principles*, which fly off in vapor, or are unbalanced, under heat, are the very essential medicinal properties of the root, which give to it all its value.

Any person can boil or stew the root till it yields a dark colored liquid, which is more or less from the coloring matter in the root than from anything else; they can then evaporate, inspissate or vapid liquid, sweeten with sugar coloring, and then call it "SARSAPARILLA EXTRACT or SYRUP." But such is not the article known as the

GENUINE OLD DR JACOB TOWNSEND'S SARSAPARILLA.

This is so prepared that all the inert properties of the Sarsaparilla root are first removed, everything capable of becoming acid or fermentation is extracted and rejected, then every particle of medical virtue is secured in a pure and concentrated form; and there it is rendered incapable of losing any of its valuable and healing properties. Prepared in this way, it is made the most powerful agent in the

Cure of innumerable Diseases.

Hence the reason why we hear commendations on every side in its favor by men, women, and children. We find it doing wonders in the cure of

CONSUMPTION, DYSPEPSIA, and *LIVER COMPLAINT*, and in *RHEUMATISM, SCROFULA, PILES, CONTIVENESS, all CUTTANEOUS ERUPTIONS, PIMPLES, BLOTCHES*, and all affections arising from

IMPURITY OF THE BLOOD.

It possesses a marvellous efficacy in all complaints arising from *Indigestion*, from *Acidity of the Stomach*, from unequal circulation, determination of blood to the head, palpitation of the heart, cold feet and hands, cold chills and hot flashes over the body. It has had the trial in *Colds and Coughs*; and promotes easy expectoration and gentle perspiration, relaxing strictures of the lungs, throat and every other part.

But in nothing is its excellence more manifestly seen and acknowledged than in all kinds and stages of

FEMALE COMPLAINTS.

It works wonders in cases of *Fluor Albus* or *Whites, Falling of the Womb, Obstructed, Suppressed*, or *Painful Menses, Irregularity* of the menstrual periods, and the like, and is effectual in curing all the forms of *Kidney Diseases*.

By removing obstructions, and regulating the general system, it gives tone and strength to the whole body, and thus cures all forms of

Nervous Diseases and Debility,

and thus prevents or relieves a great variety of other maladies, as *Spinal irritation, Neuralgia, St Vitus' Dance, Shrowning, Epileptic Fits, Canker mirror, &c.*

It cleanses the blood, excites the liver to healthy action, tones the stomach, and gives good digestion, relieves the bowels of torpor and constipation, allays inflammation, purifies the skin, equalizes the circulation of the blood, producing gentle warmth equally all over the body, and the insensible perspiration; relaxes strictures and tediousness, removes all obstructions, and invigorates the entire nervous system. Is not this there

The Medicine you pre-eminently need!

But can any of these things be said of S. P. Townsend's inferior article? This young man's liquid is not to be

COMPARED WITH THE OLD DR'S

because of one GRAND FACT, that the one is INCAPABLE of DETERIORATION, and

NEVER SPOILS

while the other DOES—*souring, fermenting, and bursting the bottles* containing it into fragments of the most acid liquid exploding, and damaging other goods! Must not the horrible compound be poisonous to the system? *What put acid into a system already diseased with acid?* What causes Dyspepsia but acid? Do we not all know that when food sours in our stomachs, what manifest it positively—flatulence, heartburn, palpitation of the heart, liver complaint, diarrhea, dysentery, colic, and corruption of the blood? What is Scrofula but an acid humor in the body? What produces all the kinds of Eruptions, Pimples on the Skin, Scald Head, Salt Rheum, Erysipelas, White Swellings, Fever Sores, and all ulcerations internal and external? It is nothing under heaven but an acid substance, which sours, and thus spoils all the fluids of the body, more or less. What causes Rheumatism but a sour and acid fluid which insinuates itself between the joints and elsewhere, irritating and inflaming the delicate tissues upon which it acts? So of nervous diseases, of impurity of the blood, of deranged circulation, and nearly all the ailments which afflict human nature.

Now is it not horrible to make and sell, and *infinitely worse* to use this

SOURING, FERMENTING, ACID "COMPOUND" OF S. P. TOWNSEND,

and yet he would fain have it understood that Old Dr. Jacob Townsend's *Genuine Original Sarsaparilla*, is an IMITATION of his inferior preparation!!

Heaven forbid that we should deal in an article which would bear the most distant resemblance to S. P. Townsend's *article!*

We wish it understood, because it is the absolute truth, that S. P. Townsend's article and old Dr. Jacob Townsend's Sarsaparilla are *heaven-wide apart, and infinitely dissimilar;* that they are unlike in every particular, having not one single thing in common.

As S. P. Townsend is no doctor, and never was; is no chemist, no pharmaceutist—knows no more of medicine or disease than any other common, unscientific, unprofessional man, what *guarantee* can the public have that they are receiving a genuine scientific medicine, containing all the virtues of the articles used in preparing it, and which are incapable of changes which might render them the AGENTS of Disease instead of
