Wit and Humor.

In the wrong Pocket!

A candidate for Governor in Ohio, during a speech at a certain place on the Reserve, proceeded to descant on the extravagance of the age, the use of gold watches, fine clothes, and the like—declaring himself to be one of the plain yeomanry—that he never indulged in anything of that sort—an old silver "bull's eye," that he ever carried, was plenty good enough for him, and to illustrate the fact, the Judge put his hand into his pocket, and drew forth, not a silver "bull's eye"—but a magnificent *gold repeater*. The shouts of the crowd can be better imagined than described, while the would-be Governor made a precipitate retreat. The fact is the silver watch was carried for electioneering purposes, and in the excitement of speech making, when he went to draw it forth he put his hand in the wrong pocket.—[Pittsburg Chronicle.

A Learned Blunder.—When Dr. Adam Littleton was compiling his Latin dictionary, assisted by an amanuensis, he dictated the word concurro. The scribe supposing that the various senses of the word in English would begin, as usual, with the most literal one, said "To concur I suppose, sir." The Doctor immediately exclaimed peevishly, 'Concur! con dog!' and accordingly, the amanuensis supposing the latter word to be dictated, immediately wrote *con dog* as the translation of concurro. It was even printed thus in the first edition of 1678, though the blunderous blunder was corrected in the subsequent editions.

A Mistake.—A funny mistake occurred in Union county, Ark., at the late election. The Democrats had a candidate for the Senate named Huey, and in town of Camden, in the same county, there was a very popular Whig of the same name. Many persons, under the impression that they were casting their votes for the latter, actually voted for the former, thus electing him. Union is a Whig county, and Mr. Huey was the only Democrat elected. There is something in a name once in a while.

On the day of an eclipse, when all the inhabitants of Paris were without doors, provided with telescopes and pieces of smoked glass, an Englishman was seen driving furiously in a fiacre along one of the principal streets. "Where does my lord wish to go to?" said the driver. "To see the eclipse," explained the Englishman, thrusting his head out of the coach window; "only drive up near to it as possible, for I am short sighted."

The coachman who drove Jenny Lind from the steamboat to the Revere House Boston, thus ridiculed the insane admiration which his "fellow citizens" were exhibiting. Mounting the steps of the hotel, he cried—"Here's the hand that lifed Jenny Lind out of the coach. Gentlemen, you can say of you have the privilege of kissing it for five dollars—children half price."

No Fuss.—We saw one of the "*grass hens*" the other day who had no time to read. By exact computation he had spent 37 out of the 311 working days in the year, in gunning, loafing at the store, taverns, attending sales where he intended to buy nothing, &c. That's the way it is with all such except misers, who are too "stingy to read."

Depending on Circumstances.—Said Dinah to Sambo, as they were taking a loving promenade, "Sambo, what your 'pinion 'bout de married life? tink it de most happiest?" "Well, I'll tell you, dat are 'pends altogedder how dey enjoy demselves."

Be not deceived by appearances. Lord Byron said: "I never judge from manners, for I once had my pocket picked by the civilest gentleman I ever met with; and one of the mildest men I ever saw was Ali Pacha."

The following orders show at once demand for and excellence of this great medicine:

"York, July 28, 1847

"J Kidd & Co: The Vermifuge left us on sale some time ago by your agent, is sold. It goes very rapidly, and gives great satisfaction. As we are entirely out of the article, and have frequent calls for it, please send us some immediately

C A MORRIS & CO.

"Somerville, Tenn. March 18, 1847

"Dr M'Lane—Dear Sir: The Vermifuge you left with me last fall has long since been sold, and I could have sold a great deal more if I had had it. Since my return from the East, I have been called upon nearly every day to write to you, requesting an immediate supply. I have already tried your Vermifuge in my own family and find it to be the best I have ever used

IT IS A FACT,

ONE self-evident, and worthy of every consideration, that no Miller can make good clean flour without he has good clean wheat. I suppose you wish to know the remedy. I tell you—it is to get one of *Bergstresser's Wheat Scourers*, or Smut Machines. He being an old, practical and experienced Millwright has invented, got up and put in successful operation the best Wheat Scourer now in use. Any person ordering a machine and afterwards finding that it does not prove to operate as represented, there shall be no sale, as these machines are to be warranted good. Further recommendations are thought unnecessary. He is now having a supply made at Lewisburg, by Messrs. Geddes & Marsh. Orders for machines, or letters of inquiry, will be promptly attended to. Machines will be sent and put to all orders. Address

VAUGHN'S

LITHONTRIPTIC MIXTURE!

Large Bottles—Only One Dollar.

The Proprietor of the Great American Remedy "Vaughn's Vegetable Lithontriptic Mixture," induced by the urgent solicitations of his Agents, throughout the United States and Canada, has now

Reduced the Price

of his popular and well known article; and from this date, henceforth, he will put up but one size only,—his quart bottles:—the retail price will be

ONE DOLLAR.

The public may rest assured that the character of the Medicine, its strength, and curative properties WILL REMAIN UNCHANGED, and the same care will be bestowed in preparing it as heretofore.

As this medicine, under its reduced price, will be purchased by those who have not hitherto made themselves acquainted with its virtues, the proprietor would beg to intimate that his article is not to be classed with the vast amount of "Remedies of the day;" it claims for itself *a greater healing power, in all diseases, than any other preparation now before the world;* and has sustained itself for eight years by its superior medical virtues, and, until this reduction, commanded double the price of any other article in this line.

Notice Particularly, this article acts with great healing power and certainty, upon the

Blood, Liver, Kidneys, Lungs,

and all other organs, upon the proper action of which life and health depend.

This medicine has a justly high repute as a remedy for

Dropsy and Gravel,

and all diseases of that nature. It may be relied upon when the intelligent physician has abandoned his patient,—and for these distressing diseases, more especially Dropsy, the proprietor would earnestly and honestly recommend it. At its present price it is easily obtained by all, and the trial will prove the article to be the

Cheapest Medicine in the World!

☞ Please ask for pamphlets—the agents give them away they contain over sixteen pages of receipts, (in addition to full medical matter) valuable for household purposes, and which will save many dollars per year to practical housekeepers.

These receipts are introduced to make the book of great value, aside from its character as an advertising medium for the medicine, the testimony in favor of which, in the form of letters from all parts of the country, may be relied upon.

☞ "Vaughn's Vegetable Lithontriptic Mixture"—the Great American Remedy, now for sale in quart bottles at 9 each, small bottles at 50 cts each. No small bottles will be issued after the present stock is disposed of.

THE WINTER SESSION

OF THE

LEWISBURG ACADEMY

WILL commence on MONDAY the 28th of October. In this Institution, all the Branches of a thorough Academic course will be taught

The communication of knowledge simply, is not the sole design of Education and should not be made so; its highest aim is to strengthen and bring out into action, the intellectual and moral powers of the student. Throw around him all the facilities necessary to his progress, and afford him all proper aid, but do not flatter him with the thought that he must rely upon another and not upon his own efforts for success. Independent self-reliance is one of the first lessons that should be learned in a school room. This kind of early mental training prepares one for vigorous and manly exertion in after life, and thus gives him a marked advantage over the ignorant and uneducated. The main efforts of a Teacher should, therefore, be directed to the formation of sound habits of study, for when this end is reached, the progress of the pupil becomes at once certain and rapid.

Composition and Declamation, as formerly, will receive due attention—particularly the former, and the Primary Department shall have our special care. The subscriber feels flattered with the growing prosperity of the Institution, and shall labor to merit its continuance, by increased exertion.

Tuition—Per Session of 20 weeks, for the Common English $6; Higher English, $8; and for the Languages, $10.

JNO. RANDOLPH.

Tanning and Currying

FOR past favors, the subscriber returns his grateful thanks, and hereby makes known that he carries on the business of

Tanning and Currying,

at the Old Stand. Determined not to be outdone in the manufacture or finish of his work, he is bound to have the best workmen and materials, and to treat those who have so liberally patronized (as well as those also who shall be pleased to patronize him) with that attention which he hopes to insure him a full share of public patronage. All kinds of Produce taken in exchange. Hides and Bark not refused, for which the highest market price will be paid in cash or in exchange for leather.

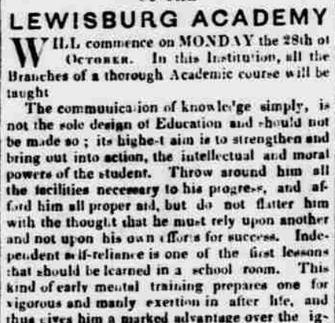
The Greatest Discovery of the Age!



Dr. Trask's MAGNETIC OINTMENT

IS constantly effecting cures of the utmost importance. The most credulous are convinced; the most faithless, compelled to believe in the power and virtue of this great remedy.

It is universally admitted to be the most *wonderful* combination known to the world for the *immediate* relief of disease and pain. It never fails while there remains sufficient life to restore a natural and healthy action to the capillary vessels of the body, and *equalize the circulation of the blood.* By this means, a controlling power is gained over the most malignant forms of disease, which can not be obtained from any other remedy. Such is the power of the combination, that it penetrates to every portion of the human frame; every bone and muscle, vein, nerve and ligament is searched out and made sensible of purification and healing influence. Hence it copes as readily with *internal* as external diseases.

Numerous instances are on record, where this remedy has restored health to patients so near the grave that the most powerful internal remedies failed to produce any effect. Such has frequently been the case in

Inflammation of the Bowe's.

No patient need die with this disease where the Magnetic Ointment can be obtained. That dangerous epidemic, known as the PUTRID ERYSIPELAS, can always be cured by this remedy. For

INFLAMMATORY RHEUMATISM,

this Ointment is the most complete remedy ever prepared. In 99 cases out of 100, it will afford *entire relief* to the worst cases of Nervous Headache in 30 minutes. For Nervous Diseases, this remedy is of immense value.

Affections of the Spine, Rheumatism, Lameness, Ulcerated Sore Throat, Bronchitis, Pleurisy, Croup, Chills, Cholera Morbus, Ague in the Face or Breast, Burns, Scald Head, Scrofula, Salt Rheum, Erysipelas, Inflamed Eyes, Fever Sores, &c., will be immediately relieved by the use of this remedy.

More News for the Sick!

CERTIFICATES AND TESTIMONIALS,
Sufficient to fill every column of this paper, can be produced setting forth the wonderful virtues of
Dr. Swayne's celebrated Family Medicines.

Dr. SWAYNE'S

celebrated Compound Syrup of

Wild Cherry,

THE MOST COMMON SAYING IS

That I would not give one bottle of "Dr. Swayne's Compound Syrup of Wild Cherry" for half a dozen of any other preparations. I have tried all the popular ones, but this stands unrivalled for the cure of the following diseases, viz. *Influenza, Coughs, Colds, Consumption, Spitting of Blood, Palpitation of the Heart, Whooping Cough, Tickling or Rising sensation in the Throat, Bronchitis, Asthma, or Weakness of the Nervous System,* or impaired constitution from any cause, and to prevent persons from falling into a *Decline*, this medicine has not its equal,

and when too much Calomel or Quinine has been used, this medicine will prevent its evil effects on the system and repair the biliary functions.

REMARKABLE CURE OF CONSUMPTION.

Abraham Hunsicker, 2 miles from Shippackville, Pa., contracted a severe cold, which settled upon his Lungs, attended with violent coughing great difficulty of breathing, an abscess formed in his lungs, and made its way through the side, and discharged large quantities of pus externally. This mournful state of things continued for a long time, until making use of Dr. Swayne's Compound Syrup of Wild Cherry, which performed a perfect cure.

Have you the Asthma, Liver Complaint, or Bronchitis? If so give this medicine a trial. It seldom fails to cure.

VERY IMPORTANT CAUTION.

Be very careful to enquire for DR. SWAYNE'S COMPOUND SYRUP OF WILD CHERRY, as some unprincipled individuals have stolen the name of Wild Cherry, thinking to borrow a reputation from that already established. Remember, the genuine is put in square bottles, covered with a beautiful wrapper, (steel engraving,) with the portrait of DR. SWAYNE thereon, also his signature: all others are positively *fictitious and counterfeit.*"

Swayne's Celebrated Vermifuge.

A safe and effectual remedy for Worms, Dispepsy, Cholera Morbus, sickly or Dispeptic Children, or Adults, and the most useful Family Medicine ever offered to the public."

Extract of a Letter to Dr. Swayne.

Dated, Andersontown, Indiana.

A man purchased a bottle of your Vermifuge the other day for his child, and by its use discharged sixty three of the largest worms he had ever seen. It is somewhat difficult to get the people to try it, as they have been so often guiled by nauseous and worthless worm medicines. Yours being so very pleasant to the taste, at the same time effectual, I shall be able to dispose of a large quantity. Respectfully, yours.

Townsend T. Sharp, P. M.

BEWARE OF MISTAKES! Remember, Dr. Swayne's Vermifuge is now put up in square bottles, (having recently been changed,) covered with a beautiful steel engraving wrapper, with the portrait of Dr. Swayne thereon. Bear this in mind, and be not deceived.

See that the name is spelt correctly—SWAYNE.

CLEANSE AND PURIFY.

DR. SWAYNE'S SUGAR COATED SARPARILLA EXTRACT OF TAR PILLS.

A mild and effective purgative, great purifier of the blood, they correct all the functions of the Liver, and as an alterative in Dropsical affections, they are very valuable. Giddiness of the head, dimness of sight depression of spirits, headache, &c., are cured by these purifying Pills. No medicine can have a better effect for monthly irregularities which occasionally happen to women, they are perfectly safe, and will in conjunction with Dr. Swayne's Compound Syrup of Wild Chery, take all pain from every part of the system.

The above valuable medicines are prepared only by Dr. SWAYNE, N. W. corner of Eighth and Race streets, Philadelphia.

Brandreth's Pills are sold at 25 cts per box (with full direction-)

BY J. HAYES & CO., Lewisburg, and by ONLY one Agent in every town in the Union. Each Agent has a Certificate of Agency. Examine the box of pills always and compare it with the fac-simile labels on the Certificate of Agency. As there is a counterfeit of the new label out, this is of much importance, as there is a decided difference between the appearance of the true labels and those of the counterfeit. The counterfeit is done on stone; the genuine are done on steel. The appearance of the printing on the counterfeit is ragged and blurry; the genuine label is the very pink of neatness, both in printing, paper, and general execution.

Be very careful and go to the Agent, when you want Brandreth's Pills: then you are sure of the genuine article. When you purchase otherwise, inquire of the seller whether he knows the pills he offers you are the genuine Brandreth's! Every man knows whether the article he offers is true or false. Beware of cheats!

NOTES—Promissory, Judgment, and Joint Notes (blanks) at this office

ANOTHER SCIENTIFIC WONDER!

PEPSIN:

The true DIGESTIVE FLUID or GASTRIC JUICE—*a great Dyspepsia Curer!*

Prepared from Rennet, or the fourth stomach of the Ox, after directions by Baron Liebig, the great physiological chemist, by J S. Houghton, M.D., No. 11 N. 8th St. Philadelphia, Pa.

A TRULY wonderful remedy for *Indigestion, Dyspepsia, Jaundice, Liver Complaint, Constipation* and *Debility*, curing after Nature's own process, by Nature's own agent, the Gastric Juice. ☞ Half a teaspoonful of this fluid infused in water, can digest or dissolve Five Pounds of roast beef in about two hours, out of the stomach.

Digestion is chiefly performed in the stomach by the aid of a fluid which freely exudes from the inner coat of that organ, when in a state of health, called the gastric juice. This fluid is the *great solvent of the food*—the purifying, preserving and stimulating agent of the stomach and intestines. Without it there can be no digestion, no conversion of food into blood, no nutrition—but rather a foul, torpid, painful and destructive condition of the whole digestive apparatus.

Pepsin is the chief element or great digesting principle of the gastric juice. It is found in great abundance in the solid parts of the human stomach after death, and sometimes causes the stomach to digest or eat itself up. It is also found in the stomach of animals, as the ox, calf, &c. It is the material used by farmers in making cheese styled **Rennet**, the effect of which has long been the special wonder of the dairy. Curdling of milk is the first process of digestion. A calf's stomach can curdle nearly one thousand times its own weight of milk. Baron Liebig states, "one part of Pepsin dissolved in sixty thousand parts of water, digests meat and other food." Diseased stomachs produce no good Gastric Juice, Rennet or Pepsin. To show that this want may be perfectly supplied, we quote the subjoined

SCIENTIFIC EVIDENCE!

Baron LIEBIG, in his celebrated work on Animal Chemistry, says: "An artificial digestive fluid, analagous to the Gastric Juice, may be readily prepared from the mucous membrane of the stomach of the calf, in which various articles of food, as meat and eggs, will be softened and digested in the same manner as in the human stomach."

Dr. BERERA, in his famous treatise on Food and Diet, published by Fowlers & Wells, New York, page 35, states the same great fact, and describes the method of preparation. There are few higher authorities than Dr. Pereria.

Dr. COMBE, in his valuable writings on the Physiology of Digestion, observes that "a diminution of the due quantity of the Gastric Juice is a prominent and all-prevailing cause of Dyspepsia," and he states that "a distinguished professor of medicine in London, who was severely afflicted with this complaint, finding everything else to fail, had recourse to the Gastric Juice, obtained from the stomach of living animals, which completely succeeded."

Dr. GRAHAM, author of the famous works on Vegetable Diet, says: "It is a remarkable fact in physiology, that the stomachs of animals, macerated in water, impart to the fluid the property of dissolving various articles of food, and of effecting a kind of artificial digestion of them in no wise different from the natural digestive process."

Dr. SIMON'S great work, the Chemistry of Man, (Lea & Blanchard, Philad., 1846, pp 321, 2,) says: "The discovery of Pepsin forms a new era in the chemical history of Digestion. From recent experiments, we know that food is dissolved as rapidly in an artificial digestive fluid, prepared from Pepsin, as it is in the natural Gastric Juice itself."

Prof. DUNGLISON, of the Jefferson College, Philad., in his great work on Human Physiology, devotes more than fifty pages to an examination of the subject. His experiments with Dr. Beaumont, on the Gastric Juice, obtained from the living human stomach and from animals, are known. "In all cases," he says, "digestion occurred as perfectly in the artificial as in the natural digestions."

As a DYSPEPSIA CURER, Dr Houghton's preparation of Pepsin has produced the most marvelous effects. It is impossible to give details of cases in the limits of this advertisement—but authenticated certificates have been given of more than TWO HUNDRED rapid, wonderful, and permanent cures. It is a great Nervous Antidote, and particularly useful for tendency to bilious disorder, liver complaint, fever and ague, the evil effects of quinine, mercury, &c., also for excess in eating or drinking.

There is no form of OLD STOMACH COMPLAINTS which it does not reach and also give instant relief! and repeated for a short time, purity of Blood and vigor or body follow at once. It is particularly excellent in cases of nausea, vomiting, cramps, soreness of the pit of the stomach, distress after eating, low, cold state of the blood, heaviness, lowness of spirits, despondency, emaciation, weakness, tendency to insanity, &c.

Price, ONE DOLLAR per bottle. One bottle often effects a lasting cure.

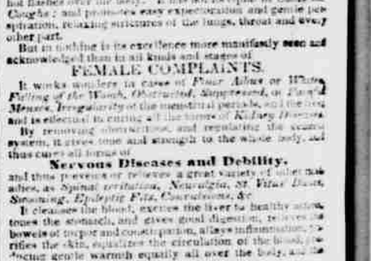
TRICKS OF QUACKS.

Let Everybody Read this Carefully.—There is a Sarsaparilla for sale in the different towns called S. P. Townsend's Sarsaparilla. It is advertised as the ORIGINAL, GENUINE, and all that. This Townsend is no doctor and never was; but was formerly a worker on railroads, and the like—ever he assumes the title of Doctor for the purpose of gulling credit for what he is not. He never has attended two medical schools, and practiced for fifteen years! Now the truth is, he never practiced medicine a day in his life. Such *awful, wicked* imposition as this looks bad to the enterprise and veracity of the man. It is the most discreditable lie ever uttered. We are fearful in all their dealings and intercourse with their fellowmen! He applied to one Reed Capps to assist him to manufacturing his Extract, stating the large sums he would make, as an inducement to embark in the business. The men have been insulting and insulting me to all possible forms, in order to impress the public with the belief that the Old Doctor's Sarsaparilla was not the genuine, or the *Sarsaparilla*, made from the *Old Doctor's Original Recipe.* This S. P. Townsend says I have sold the name for $7 a week. I will give him $500 if he will prove three one single solitary proof of this. His statements, Thompson, Sullivan & Co., are nothing but a tissue of falsehoods, simply made to deceive the public, and conceal the truth there in regard to his amazing, fascinating *Extract Sarsaparilla*, made from the *Old Doctor's Original Recipe.* Old Dr. JACOB Townsend, Sarsaparilla, has for twenty years been a household name. Old Dr. JACOB Townsend's Sarsaparilla, has for twenty years been a household name. Old Dr. JACOB Townsend's likeness, his family Coat of Arms, and signature encircle the Coat of Arms.

Principal Office, 102 *Nassau-street, N. Y. City.*
JACOB TOWNSEND.



Old Dr. Jacob Townsend,

THE ORIGINAL DISCOVERER OF THE

Genuine Townsend Sarsaparilla.

Old Dr. Townsend's Sarsaparilla has for years and years been known as the ACTUAL DISCOVERY of the GENUINE ORIGINAL TOWNSEND SARSAPARILLA. It has proven its wonderful merits in numerous cases, and has become a household word in almost every section of the country. Its unparalleled success has induced many unprincipled persons to attempt to palm off upon the public their own base counterfeits, under the name of Sarsaparilla, or Extract of Sarsaparilla, or Compound Extract of Sarsaparilla, or Sarsaparilla Extract or Syrup, or Compound Syrup of Sarsaparilla, or Sarsaparilla Compound, or Townsend's Sars
