

Albany, Jan. 1.—Reuben Dunbar, who murdered David L. Lester and Stephen V. Lester on Saturday, the 25th of September last, paid the penalty of his crime on the scaffold this morning. A great number of persons were collected around the jail, and the streets leading to it were crowded. The Artillery and Burgesses Corps were on duty, acting as the Sheriff's Sentinels. The Sheriff's posse assembled at the County Clerk's office, and proceeded in a body to the jail. The prisoner was executed in the large room in the jail, directly over his cell. He made a full confession of his guilt, and admitted the justice of his sentence. To show the staid nature of the murderer, it is stated that at 9 o'clock this morning, he sent a messenger to the publishers of his life and confession, written by the Rev. Dr. Beecher, asking for a copy of it, as he said he wanted to peruse it.

The "WILLS HOSPITAL," Philadelphia, is one of the best of our many benevolent institutions. The number of patients admitted during the year 1850, was one hundred and ninety-seven. There were, moreover, twenty-nine in the House at the close of the previous year, and thus the entire number was two hundred and twenty-six. The proportion discharged was quite large, viz: one hundred and eighty-six, and of these, one hundred and twenty-nine were cured, and fifty-one were relieved.

THE WINTER SESSION OF THE LEWISBURG ACADEMY

WILL commence on MONDAY the 28th of OCTOBER. In this Institution, all the Branches of a thorough Academic course will be taught

The communication of knowledge simply, is not the sole design of Education and should not be made so; its high aim is to strengthen and bring out into action, the intellectual and moral powers of the student. Thow around him all the facilities necessary to his progress, and afford him all proper aid, but do not flatter him with the thought that he must rely upon another and not upon his own efforts for success. Independent self-reliance is one of the first lessons that should be learned in a school room. This kind of early mental training prepares one for vigorous and manly exertion in after life, and the Primary Department shall have one of its great aims in this respect.

Comparison and Declamation, as formerly, will receive due attention—particularly the former, and the Primary Department shall have one of its great aims in this respect. The subscriber feels flattered with the growing prosperity of the Institution, and shall labor to merit its continuance, by increased exertion.

WORM SPECIFIC!

M'LANE'S VERMIFUGE—This invaluable remedy for worms, is rapidly supplanting all others, in public estimation. Where it is used it has produced the best effects, and driven out all other remedies. It is the best we have ever seen; it is the remark of all who have ever used it in their families:

J Kidd & Co—I received a lot of M' Lane's Vermifuge from your agent last spring, which I sold out in one week, and I think I could have got a much larger quantity if I had not had to wait until your agent came around. Every person that has tried M' Lane's Vermifuge tells me it is the best they have ever seen; in fact it is impossible for any one to say too much in favor of M' Lane's Vermifuge. W D ROBB Tyro Springs, Sumner Co Tenn, Feb 19 1849

Dr M'Lane, Dear Sir—I have sold out of your Liver Pills and am anxious to have another lot immediately. These pills seem to take most wonderfully. I could have sold a much larger quantity if I had been provided with them; the inhabitants are sending to Rochester for them, but whether there are any there or not I do not know. Please send me another supply immediately. Hemlock Lake, Livingston Co N Y, Mar 8 1847

J Kidd & Co—Your traveling agent left with me last summer a quantity of Dr M' Lane's Pills and Worm Specific to sell on commission; the Worm Specific is all sold and I should be glad to procure more, as it sells very readily and has a very salutary effect in expelling worms. If you can forward me some or send me an order to call on your agent in Buffalo (L S Reynolds) I think it will meet with a rapid sale. W H AINSWORTH Varysburg, Wyoming Co, N Y, Dec 10, 1847
