THE SUMMER SESSION

OF THE LEWISBURG ACADEMY,

WILL commence on MONDAY, the 5th of MAY next. In this institution, all the branches of a thorough Academic course will be taught.

The Primary Department will receive due attention; and exercises in Composition and Declamation will be required of the targer mem-bers of the achool. The discipline of the Institution, as heretofore, will be directed mainly to the best and only permanent means of securing order and progress among the pupils. The sub-acriber feels gratified at the liberal support which has thus far been given him by an intelligent public, and he believes that the best return he can make it, is to seek to lead the youth, placed under his care, to the acquismon of sound, unos-

tentatious learning.

The average number in attendance during the last year was 45, being a considerable increase over any previous year. A short Vacation will be given near the middle of the session. TERMS, per Session of 20 weeks: For Common
