

Wit and Humor.

The taking of the last census has given us a score of capital stories, but until yesterday we do not recollect having stumbled upon the following. We pick it up as an stray, going the rounds without credit: Last fall a census taker, on a tour of duty, stopped at an elegant brick dwelling house on Western Row—the exact location of which is no business of ours. He was received at the door by a stiff, well dressed elderly lady, who could be easily recognized as a widow of some years standing. On learning the mission of her visitor, the lady invited him to sit in the hall. Having arranged himself into a working position, he inquired for the number of persons in the family of the lady. "Eight, sir," replied the lady, "including myself." "Very well—your age, madam?" "My age, sir," she replied, "is a piercing, dignified look; I conceive it's none of your business, what my age might be—you are inquisitive, sir."

Town Property For Sale—Cheap. A FULL Lot on North Fourth Street on which is a two story Frame House, 16 by 33 feet, with a good Cellar under it—a Frame Stable, 16 by 20—an out Kitchen, and other out-buildings—now occupied by DAVID SHAMP. Enquire of DAVID REBER, Agent. Lewisburg, Oct. 30, 1850. Price Reduced! VAUGHN'S LITHONTRIPTIC MIXTURE! Large Bottles—Only One Dollar. The Proprietor of the Great American Remedy "VAUGHN'S VEGETABLE LITHONTRIPTIC MIXTURE," induced by the urgent solicitations of his Agents, throughout the United States and Canada, to reduce the Price of his popular and well known article; and from this date, hereafter, he will put up lot one size only,—the quart bottles,—the retail price will be ONE DOLLAR. The public may rest assured that the character of the Mixture, its strength, and curative properties, will remain unchanged, and the same care will be bestowed in preparing it as heretofore. As this medicine, under its reduced price, will be purchased by those who have not hitherto used themselves acquainted with its virtues, the proprietor would beg to intimate that his article is not to be classed with the vast amount of "Remedies of the day;" it claims for itself a greater healing power, in all diseases, than any other preparation now before the world; and has obtained itself for eight years by its superior medical virtues, and, with the retention, commended double the price of any other article in its line. NOTICE PARTICULARLY, this article acts with great power and certainty, upon the Blood, Liver, Kidneys, Lungs, and all other organs, upon the proper action of which life and health depend. This medicine has a justly high reputation as a remedy for Dropsy and Gravel, and all diseases of that nature. It may be relied upon when the medical profession has abandoned his patient,—and for those dangerous diseases, more especially Dropsy, the proprietor would earnestly and humbly recommend it. At its present price it is easily obtained by all, and the trial will prove the truth of all parts of the severity, may be relied upon. Cheapest Medicine in the World! Please ask for samples—the agents give them away they contain over sixteen pages of receipts, (an addition to full medical matter) valuable for household purposes, and which will save many dollars per year to practical householders. These receipts are introduced to make the book of great value, aside from its character as an advertising medium to the medicine, the testimony in favor of which, in the form of letters from all parts of the country, may be relied upon.
