> For the Lewisburg Chronicle. President Judge.

TO THE CITIZENS OF UNION AND MIFFLIN COUNTIES: Permit me us to recommended to your friendly attention, GRONGE F. MILLEN, Esq., your friendly attention, GRONGE F. MILLER, Esq., or the office of President Judge of this District. Mifflin county now has the Judgeship, and has filled many Judgeships. Union county (altho' much the larger) has never been honored with a Judgeship, and we are sure it will be conceded to her provided she brings forward a proper man as candidate. Col. Miller's abilities and integrity are undoubted and unquestioned. He has never asked for or held any office of profit. He is a self-made man, and knows the wants and is a self-made man, and knows the wants and feelings of all classes of citizens. He is a pub-lic-spirited citizen and good neighbor, and just such a man as the people delight to honor. He is well entitled to a share of official distinction, and will be found as faithful and vigilant a Judge, as he has been thus distinguished as an advo-cate. [2w.] VOX POPULI. For the Lewisburg Chronicle.

Next State Senator.

Mn. Eutron: It is generally if not universally conceded that the office of Senutor now belongs to Union county, as Mifflin has just had it, and Juniata can not by any fair apportionment claim it, so long as she asks the Representative and we feel willing to concede it. Juniata gave 2304 votes for Governor, and Union gave 4810 for President-more than two to one. Mifflin and Union having the Senator alternately, and Juniata having the Representative when Union has the Senator, would be " equal and exact jus-

tice" as between Union and Junista.

Several names have been recommended thro'
the Longstown papers, for Senator, but none which strikes me more favorably than that of Mr. James Moore. Jr., of East Buffaloe town-Mr. James Moore. Jr., of East Bullaloe township. Mr. M., unlike the others named, has never held any office of profit. He has long been known to the people of "Union county as an enterprising and useful citizen, and would as faithfully and honorably represent us in Harrisburg, as any other citizen. Although a firm and uncompromising Whig, he is not an ultra, unreasonable or bitter politicism. He is a through-going business man, and no one would be better calculated to attend to the interests of the District than Mr. M. I hope he may be taken better celculated to attend to the interests of the District, than Mr. M. I hope he may be taken up, and sustained by all.

TO THE PROPLE OF UNION COUNTY :- Under our new law, we no longer are to have men pla-ced over us by the will of one man acting under the wiebes of a clique or cliques who have his President and Associate Judges are now to be elected by us. It is therefore essential that we cast about for the best men. I have heard no one mentioned for Associate Judge, and therefore name the old friend and acquaintance of more men than any other man in the county. NER MIRDLESWARTS, of Beaver township. GREAT COUGH REMEDY!

For the Cure of COUGHS, COLDS, HOARSENESS, BRON-CHITIS, CROUP, ASTH-MA, WHOOPING-COUGH AND CONSUMPTION. The annals of medical science, affording a

The annals of medical science, affording as they do ample proof of the power and value of many medical agents, have furnished no examples to compare with the salutary effects produced by "Ayer's Cherry Pectoral."

The remarkable cures of discusses of the Lungs which have been realized by its use, attested as they are by many prominent professors and physicians in this and foreign lands, should encourage the afflicted to persever with the strong assurance that the use of the "Cherry Pectoral" will relieve and ultimately cure them.

We present to the public unsolicited teatimonials from some of the first men in our country, upon whose judgment and experience implicit confidence may be placed, one of the most learned and intelligent physicians in the country, considers it a "composition of rare excellence for the cure of that formidable disease, Consumption."

Dr. J. C. Ayer—Dear Sir: Agrocable to the request of your agent, we will cheerfully state what we have known of the effects of your Cherry Pectoral, and they have been astonishing indeed. Mrs. Betsy Streeter had been afflicted with a severe and relentless cough, which reduced her very low; so low that little hope could be entertained of her recovery. Numerous remedies had been tried without effect, before the Cherry Pectoral. And that has cured her. George Watkinson, Esq., had to our knowledge been afflicted with Asthua, for elever peers, and grown yearly worse, until the Cherry Pectoral, has now removed the disease and he is as free from any symptoms as we are. The flex Mark Dane had been so severely attacked with the Bronchitis, as to disable him from his duties, and nothing had afforded him retief until I (Mr. Thorning) carried him a bottle of your Pectoral, which cured him at once, and he now officiates as usual in his place.

These are three of the cases in which we have known

I (Mr. Thorning) carried him a bothe of your Pectoral, which cured him at once, and he now officiates as usual in his place.

These are three of the cases in which we have known it successful, but never to fail. We have great pleasure in certifying to those facts; and are, respected sir, your humble servants.

REV. DAVID THORNING.

HON. JOSEPH BATTLES.

Among the distinguished authorities who have given their names to recommend Cherry Pectoral, as the best remedy that is known for the Affections of the Lungs, are "The London Lancet?" "Canadian Journal of Medical Science," "Boston Medical and Surgical Journal." "Charleston (S. C.) Medical Review," "New Jersey Medical Reporter," Prof. Webster, Harvard College, Prof. Butterfield, Willoughby College, On. Valentine Mott, New York City, Parker Cleaveland, Bondoin College, Prof. Butterfield, Willoughby College, Ohio, Prof. Braithwaite, Leeds, (Em.) Medical School, Sir Richard Kane, Queen's College, Ireland, Prof. Rosenbaum, Leipsie.

The public have but to know the rirtues a naof tonishing success of the "Cherry Fectoral." in earl supiscases of the Lungs, when they will feel secure ring these dangers, whenever this remedy may be obtained.

LIGHTNING RODS.

THE awful calamities that every City. Town, Village and country falls victim to annually, thro' the gross neglect of its inhabitants, is beyond calculation, especially when the remedy is so easy to obtain - this is found in Armitage's Patent Magnetic Light-

Armitage's Datent Magnetic Lightning Rods,
and in this alone. This rod has been examined by
the most scientific gentlamen in the world—Professors M'Murtris, Johnson, Wellor, and many
others that have examined them, recommend and
speak of them in the highest terms of approbation
and have pronounced them the only safe rods now
in use in this or any other country for the protection of Lires and Property. One advantage is to
divide and throw back a part of the electric fluid
harmless to the clouds, this is in time of a stroke,
this enables the rod to conduct that portion of
fluid that belongs to the earth without the slightest danger of leaving the conductor. This rod has

est danger of leaving the conductor. This rod has many other advantages over the old one.
