GREAT COUGH REMEDY!

For the Cure of COUGHS, COLDS HOARSENESS, BRON-CRITIS, CROUP, ASTH-MA, WHOOPING-COUGH AND CONSUMPTION.

The annals of medical ecience, affording a they do simple proof of the power and value of many medical agents, have furnished no examples to compare with the salutary effects produced by "Ayer's Cherry Pectoral."

"Ayer's Cherry Pectoral."

The remarkable curse of diseases of the Lungs which have been realized by its use, attested as they are by many prominent pectoases and physiciens in this and foreign lands, should encourage the afflicted to persevere with the strong assurance that the use of the "Cherry Pectoral" will relieve and ultimately care than. We present to the public unsolicited testimonials from some of the first men in our country, upon whose judgment and experience implicit confidence may be placed one of the most learned and intelligent physicans in the country, considers it a "composition of rare encellence for the curse of that formidable disease, Consumption."

Norwich, April 36, 1845.

Dr. J. C. Ayer—Dear Sir: Agreeable to the request of your agent, we will cheerfully state where we know an experience.

Dr. J. C. Ayer—Dear Sir: Agreeable to the request of your agent, we will cherinily state what we have known of the effects of your Cherry Pretorsi, and they have been astonishing indeed. Mrs. Betry Streeter had been afficied with a severe and relenties ough, which reduced her very low; so low that little hope could be entertained of her recovery. Numerous remedies had been tried without effect, before the Cherry Pretoral. And that has cured her. George Watkinson, Esq. had to our knowledge been afflicted with Asthma, for cleres years, and grown yearly worse, until the Cherry Pretoral, has now removed the Chease and he is as free from any symptoms as we are. The Rev. Mark Dane had been so severely attacked with the Bronchitts, as to disable him from his duties, and nothing had afforded him reinef until 1 (Mr. Thorning) carried him a bottle of your Petoral, which cured him at once, and he now officiates as usual in his place.

These are three of the cases in which we have known it successful, but nover to fail. We have great pleasure in certifying to those facts; and are, respected sir, your humble servants.

REV DAVID THORNING.

Among the distinguished authorities who have given their names to recommend Cherry Pectoral, as the best remedy that is known for the Affections of the Lungs, are "The London Lancet;" "Canadian Journal of Medical Science," "Boston Medical and Surgical Journal," "Charleston (S.
